82b Female Diagram of RFID Sniper-Shots/Chip Implant Location (If Known)

83 Perpetrators (Anonymous)

The following individuals have committed offences against me. I am listing them **anonymously** to testify publicly about the type of people involved in my abuse.

<p>1</p>	<p>Doctor and staff at hospital.</p> <p>In 01-2015 I was treated at a hospital. The procedure took longer than usual, at least 30 minutes, and I was under anaesthesia for the whole duration. When I woke up, I was more exhausted than usual and felt an odd painful tension and pressure all around my head.</p> <p>Later that day, person A and I discovered several small bleeding wounds on my head, in my scalp. The wounds were situated on the top front and top back of my head. In my state of physical and psychological exhaustion at the time I did not have the energy to investigate it further. The wounds healed, and time went by.</p> <p>In late 2015, I started having odd physical sensations of in the scalp of my head, and they have been occurring daily ever since. The sensations always originate from the same points on my head, situated at the locations of the previously mentioned small bleeding wounds. Two points on the right and left side of the top front of my head, two points on the right and left sides on the top back of my head.</p> <p>The sensations can be described as a painful electrical pulsing, electrical tingling or vibrating pressure. At times, these sensations mount in intensity, turning into points of intensely aching pressure. They are very localized, as if originating from precise points. The onset of the sensations are sudden or instantaneous, as is their subsiding. This happens several times throughout a day.</p> <p>Since late 2015, I have experienced sensations of electric shocks going through my head and skull when trying to fall asleep. These shocks occur just as my body starts to relax and I begin to drift off into sleep, painfully jolting me awake, causing a disorientation, psychological stress and preventing me from falling asleep.</p> <p>Based on the above mentioned facts, I am convinced that RF implants were operated into my body without my consent at the hospital in 01-2015. I believe the implants in my scalp are used for giving me electric shocks through my skull and brain, with the intention of depriving me of sleep. These shocks are coupled with noise campaigns from neighbours, who bang in the walls or floor above my head. The implants are stimulated or heated in order to induce pain and tension. It is a sleep deprivation torture routine and a pain torture routine that has been going on ever since 2016.</p> <p>In 04-2019 I discovered that small strong neodymium magnets stick to certain points on my head and throat. These points are located as follows: Along the nasal bone and surrounding maxilla. Several points on the forehead. On both sides of the forehead, where the sphenoid bone meets the frontal bone. Point on the throat, where the thyroid cartilage meets the cricoid cartilage. On both sides of the lower back of my head, on the occipital bone.</p>
----------	--

<p>2</p>	<p>Perpetrators of harassment, torture and mutilation with DEW attacks.</p> <p>Since late 2016, I have been shot at daily with directed energy weapons. It is necessary for me to shield myself with metal shielding, indicating that the weapon used utilizes high frequency electromagnetic radiation, such as microwaves. The shots are felt as precisely localized, instant shocks of pain, like that of a long needle penetrating straight through or partway through my body.</p> <p>The weapon or emitter is being deliberately aimed at me and different parts of my body. The following example serves to prove this point:</p> <p>In 10-2017, I was in my home. I felt the characteristic pain I have come to recognize as caused by DEW through the left side of my chest, and covered that side with shielding, and the pain stopped. A minute later, I get shot in the right side of my chest, and I then shield that side to stop the pain. Soon I get shot in the left side of my chest again. I shield myself, the pain stops, and so on. During the following hour, I got shot in my neck, shoulders, in my genitals and in my knees.</p> <p>All throughout 2019, I was shot in my genitals daily, for several hours on end with DEWs. These attacks were most intense during the night. Some mornings, I woke up with localized pain in either the testicles or the tip of the penis. At one time, a burn wound had appeared on my genitals during the night.</p> <p>In 09-2019, I discover that a scar has developed where I have been shot during all these months. The scar consists of thin lines, reminiscent of a crude letter or symbol.</p>
<p>3</p>	<p>The members of a Family A and several other males who are perpetrators of stalking, attacks with DEWs, interfacing with implants in my body and noise harassment, operating from an apartment above or adjacent to my home.</p> <p>On numerous occasions, these perpetrators has taken up residence in one or more apartments above or adjacent to mine, staying there in periods of a few hours, days or weeks on end. They take turns occupying the apartment or apartments. One will leave and another will take their place.</p> <p>Most if not all of the directed energy weapon attacks originate from neighbouring apartments. They make noise day and night for as long as they are there. As I move around my home, they follow me on the floor above so as to be straight above my head. Heavy objects are dropped on the floor or dragged along the floor above me. At times, they enter apartments inhabited by original tenants, and loud discussions or quarrels break out.</p> <p>In 10-2017, a neighbour or neighbours on the floor above my apartment moved out and perpetrators moved in.</p> <p>In 04-2018, a neighbour on the floor below my apartment moved out and perpetrators moved in.</p> <p>In 06-2019, a neighbour or neighbours on the floor above my apartment moved out and perpetrators moved in.</p>
