He often team up with my oldest daughter to mock, attck with anger and slander me. My husband involved the children in our argument to team up with them to attack me then he take them out side leaving me home alone or he threatens me not to talk to the kids. He never done that before my targeting. He told them to listen to mom because mom loves you guys dearly and was always supported and appricated me. But now is totally different story. Many times he would talk to the kids in important making descion in life such as wether to home school or public school. This is just one thing but he would totally leave me out. It's every day like this. And blames everyting to me. They have been home school pretty much all their life and he had no problem but with heavy Targeting that started 2016, he started to take the 2 older kids in making big descion that husband and wife should make. My husband kept on saying with anger that he can't conversate with me when he is the one who is throwing anger with threatening so when I tell him to stop 2 of my older kids come to side</p>	2016		X

71.10	I am a mother of 3 that has been married for over 21 years. In 2017 whenever I drove, they vibrated me like a rattle snake's tale where everything spin and I couldn't stand or stay still. I was being choked ,suffocated. I couldn't stay in the car for 1 second. This made my oldest daughter who was 17 at the time move to an apartment near UCR. And there I believe they have been sex trafficking her. She brought laundry with the white men's private hair all over her laundry and she often bleached her hair or cut them really short. Before this incident in 2016 all of sudden her eyes got crossed so she had to get a surgery. I believe that was because of the brain implant torture.	2017					1

71.15	<p>I have a sister who was close to me but they have changed her too. With my heavy Targeting , she told me that someone broke into her house while she was at work. She often told me that her private part hurts like crazy. She is a single mother. Her husband was solder from Colorado Spring . They met and got married there. They divorced in 2002 when my mother got murdered by them . He also died last year with heart attack. I think they murdered him too.</p>	2016					1

71.21	My mind control husband told me to unlock the door and remove the CCTV at night. He was their puppet to sex traffic us. He got very angry every time I said CCTV is keep being erase and word Targeted Individual (same with the children) My kids called me for schizophrenia, for saying that FBI are running the Targeted individual program and throw outrage anger toward me. When I try to put the lock for my daughter's apt she would throw outrage anger towards me and never put the lock in her apartment. They mind controlled for her to do this so it would be easy for them to break in to the apt.	2017	X

71.23	The text was erased by itself , as well as emails. They had hands on all my device. They blocked the phone calls and emails and not letting me upload pictures on tweet to document the abuse. The phone was hacked and they broke all my devices and soled evidence. My face was blown up like a baloon that looks like avatar in movie with rash all over my body. Skin was cut by itself like someone cut it with knief. And every day I wake up with blown up face with unusual huge eye bags with stining eyes , burning sensation. And every 30 mins, they force urinate, and due to electronic rape, my private part and anus is burnt and hurts to pee . They force bowl movement for 5 hours staight with the sounds of grumbling, gargling sound. They make it so bad I can't even seat or stand because the whole stomach is blown up so badly.	2016	X

They systematically work together with social worker and police and government agency to traffic my children and us and for psychological torture. It is trauma base mind control.	2018						X

Now my husband brother daughter just moved to an apt. and my old friend's daughter to apt near her Universities. So They are intentionally moving the children for sex trafficking reason. And I have a son who is graduating from HS and they are mind controlling him to go out of state University. What a pain to give to mom like me who know what they are doing . This is how they torture Targeted individual mother.
