

TO YOU OUR SELECTED WITNESSES

Below are **over 50 ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION, AND ORGANISED STALKING, CASES** from **SOUTH ASIA & THE MIDDLE EAST & AFRICA** FOR YOU TO WITNESS, RECORD AND OPPOSE

Some of our **ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION CASES** detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous psychological tortures, rapes, sexual abuse, physical assaults, surgical mutilations, 'mind control', and other mental and physical mutilations – see

and

COMPILACION DE TESTIMONIOS EN ESPAÑOL:- <http://rudy2.wordpress.com/>

There are **MANY, MANY** others, all over the world, who are being subjected to similar torture and abuse.

YOU HAVE BEEN CHOSEN TO BE “A SELECTED WITNESS” to these extreme and monstrous **CRIMES AGAINST HUMANITY** - indescribably terrible in themselves - coupled with the **ORWELLIAN** secrecy and denial of any support at all that we are experiencing, makes them even more horrendous and monstrous.

We have contacted most Governments, Security/Intelligence Agencies, Religious Organisations, International Organizations, Human Rights Organizations, Universities, Scientific and other Institutions, and the International Media all over the world - over and over and over again – and have had our appeals for assistance, protection and/or publicity almost completely ignored and/or suppressed.

Some **TARGETED INDIVIDUALS** have been attempting to gain assistance, protection and/or publicity about these crimes since the 1990s - and even earlier - this extends as far back into the history of illegal 'scientific and medical' testing and experimentation as **MKULTRA**, **COINTELPRO** and the **DUPLESSIS ORPHANS** - and further.

We are still collecting **CASE SUMMARIES** from **TARGETED INDIVIDUALS** all over the world, and we have also advised them to send them to you - **“THE SELECTED WITNESSES”** - TO WITNESS, RECORD AND OPPOSE so that :-

A. We can be sure that as many people as possible know about these horrendous crimes.

B. We can be sure that these **AUTHORITIES** and **ORGANISATIONS** are either trying to uphold the rule of National, International and Human Rights Law, and that we will, sooner or later, be protected by these laws.

C. Or that we can be sure these **AUTHORITIES** and **ORGANISATIONS** are complicit and/or acquiescent to these **CRIMES AGAINST HUMANITY** and that National, International and Human Rights Law no longer apply - in which case our task will be to get the rule of these laws restored.

Later these records should become an information source - such as the **INTERNATIONAL TRACING OFFICE** set up to record the fates and whereabouts of Jews (and others?) after WW11. The information collected can then be used by the appropriate people for **LEGAL, MEDICAL, WELFARE, HISTORICAL** etc. records.

As well as being illegal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - so we will also be demonstrating to all of these people and **AUTHORITIES AND ORGANISATIONS** the huge disconnect between their professed Principles and Values and the reality. We will be showing their monstrous **Doublespeak Doublethink Doubledo** ignorance, stupidity and/or hypocrisy.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and

organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, languages and intelligences.

It is no exaggeration to say our cases are as horrendous and urgent as people fleeing Nazi or Pol Pot concentration camps – specifically Dr Mengele-type torturers and butchers.

PLEASE ASSIST US URGENTLY!!!

Yours in the search for openness and respect for universal human rights

B. TORTURE AND ABUSE CASE SUMMARIES – over 50 ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION, AND ORGANISED STALKING, CASES from SOUTH ASIA & THE MIDDLE-EAST & AFRICA

1. NAME: F. A.

Citizenship: Iraq
Year Torture/Abuse Began: 1982
Email:

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of the CIA (possibly NASA and the military establishment) MIND CONTROL operation for over 25 years now.

I come from a country which is a victim of wars, sanctions and occupation for more than 28 years – Iraq.

I have contacted many people in power since the summer of 2004, Nothing is stopping my torture.

The first person who was after me to trap me and be engaged with me this way was Ted Koppel of ABC/US while I was a masters' student at MIT/US, in December 1982, after writing to him a letter of admiration and praised his program. I was so stupid to have thought of that.

Recently Pravda published an article on this issue under the title: Russians have Psychotronic Weapon to zombie people, which was published 14/8/2007. (<http://english.pravda.ru/science/tech/95965-0/>)

As you may know that this type of weapon has been developed in the US for a long time now and was published in 1974:<http://www.raven1.net/proventechs.htm>

Some of the general symptoms of these kinds of abuse are (published also on <http://www.fedame.org>):

- *Microwave hearing
- * Transmission of specific commands into the subconscious
- * Visual disturbances, visual hallucinations
- * Inject words, numbers into brain via electromagnetic radiation waves
- * Manipulation of emotions.
- * Reading thoughts remotely
- * Causing pain to any nerve of the body.
- * Remote manipulation of human behavior from space
- * Harassment, stress symptoms such as helicopters flying overhead
- * Seeing, as in a camera, through your eyes, i.e. to see what you see exactly
- * Control of sleep patterns, and deprivation of sleep. Put in sleep like in a coma.
- * Computer-brain interface, control and communication
- * Complex control of the brain such as retrieving memories, implanting personalities.

All these modes are transferred as continuous rape, deprivation of sleep, talking in the ear, planting degrading images in the mind, beaming any place of the body, stopping breathing for seconds or slowing it, affect the heart beat, prevention from attending any systematic way of life or interfering in the daily natural cycles of the body, continuous attack with microwaves heating the whole or part of the body.

So and as an example, even when they put me to sleep as in a coma the radio has to be on, if it is not, then they will keep on talking in my ear or project images on my eyes and prevent me from sleeping. I have not slept normally for 25 years now. Most of the time I write my e-mails to people in power in the mid of night..2 or 3 or 4 am because they in those times they will not even let sleep in their own way. This has been going on for at least the last three years.

Some times they just keep my eyes open and my mind standing still. As a result you see clearly a blue circles surrounding my eyes. After I am awake, a minute hardly passes without them talking in my ear or projecting an image on my eyes unless I am watching the TV or listening to the news.

In the past weeks they did not let me sleep for five days till I was collapsing.

I suffer from Rheumatoid arthritis as a direct result of this kind of continuous attack and torture. I have taken medicines and felt after some six months a bit better, but recently they have increased the attack on those same joints and the closer ones too. My left shoulder and elbow now is in pain, as I am writing to you, and they are hitting my neck and the right shoulder too. My left arm now is bent and I cannot open as the right arm that happened in the last two weeks after I was cured in about three months. They hide in their attacks and torture behind what seems normal symptoms of illness. But none in my family had Rheumatoid arthritis.

Please Help stopping this kind of torture for innocent people around the world. It has been going on for too long.

Would you accept this kind of life to your brothers or sisters or children, or yourself? if not please help us out of this miserable life.

The kind of abuses that I am recalling and will give you a short list:

- Continuous heating with microwaves on my face of my (Black spots) which I am not sure what are they called, that can turn them into Melanoma. And recently on all my body so I would not know if the room is called or hot. But I always suffer from cold like symptoms.
- Continuous attack on the muscle of the face to make me look older and increase the wrinkles of the face in addition to the effect of the deprivation of sleep to the extent that I fear looking at the mirror some times.
- Recently they have invented this: burn a spot on my back as in using the cigarette or someone itching my back all the time. And I do not need to tell you that they have done similar things on other parts of the body. I am totally exposed to them 24 hours. They have done that in Abu-Gureab prison in Iraq and all their prisons in Iraq for that matter but the world has learned only about Abu-Gureab. But the difference is that there they have an excuse to tell the world. The prisoners are insurgents. In my case they do not have any excuse and to go on like this for 25 years is the devil's miracle. I myself cannot believe that there are people who have the same form that I have as human and can do this.
- Keep on talking to me with some stupid logic, day and night.
- Preventing me from reading and I am a PhD student. I hardly can finish reading 7 pages a day. this letter is a copy a paste from the most recent version of my letters which i keep on revising and adding information depending on the type of torture that is used in concentration.
- Always pressing me to open the computer or watch the TV or listen to the radio through increasing my anxiety. In most of the times they do it when projecting a possibility that something bad has happened to my family who is still living in Baghdad. Six months ago I did not have a computer which is close to me or of my own, so imagine the degree of trouble they can get me into to find a computer. I use to walk for at least 30 min to get to a computer. But when I get there I read fast the news and they direct me to playing games for at least an hour at a time. This whole operation will consume at least 2-3 hours each time they do it. If you know that this was happening four or five times a day you can imagine how much time was consumed doing nothing but reading in the news and playing under extreme feeling of anxiety. they also were directing their energy on my joints. In the summer 2006 I got Rheumatoid Arthritis which comes from anxiety but some other symptoms also helps which started with extreme pressure on my fingers when writing, and a pain which they have inflicted on the nerves of my feet, arms, shoulders, and fingers.
- Continuous hair loss due to the continuous hit of Microwaves and other types of waves ... I use to have long thick hair. Now my hair is short and hardly a third of what I had before. The back of my head is almost exposed, and I am a woman.
- Of course with this torture I could not get married. They are always there to attack should I think seriously of the matter in the cheapest possible way that a criminal dirty mind can do. As part of their strategy to control the person is to isolate him or her. In addition to their watching my family continuously. But I am not sure whether they hurt any one of them or not. Because at the beginning and after returning home from US I tried to tell my family but they thought that I was tired psychologically and that I need to relax. And the perpetrators have warned me that if I try that I again they will attack the members of my family. So I completely shut up.
- The torture of 25 years deprived me of emotions too, or when ever they spot any kind of emotions towards my family or any human suffering of Iraqis or anywhere they attack me or erase the emotions to tell me so what or picture it for me as if it is not that bad or people who are suffering are not to be considered important or of any human value. Even child abuse they would like to present it as the child enjoying it, and the Killing of Iraqis as they are nothing, though I am an Iraqi but they plant these thoughts in my brain crudely and against my logic which they couldn't reach up till now, thanks God.
- Put me under continuous embarrassment in front of people in many ways that you will never imagine coming from normal and ordinary people. But recently they have stopped that or may be because they have managed to isolate me and I do not see people as much.
- This kind of abuse has shunned me from people and from socializing or feeling the need for social life. Even when I am with people I do not feel them around me. I am always alone.
- Interfere in my eating habits and press me to eat more and at different times than normal times or sometimes do not feel like eating at all.
- Interfere in my memory when things have to do with my family or with my studies or daily life. They can erase the names and dates. My near memory has been destroyed.
- Yesterday they were beaming one of my eyes. it felt like a needle penetrating. after which my sight through

that eyes was totally blurred.

What I have listed above are only a short list of most recent things that I remember.

Finally I do not think that I need to say that this detention was against any human rights' law and justice and against my will.

I sincerely hope that you will take not only my case but of thousands others and decide that the time has come where you should step in and stop these operations.

I do not think that you really believe that your security needs such dirty trade or war equipments besides what you already have .

For the last two months I have been writing to people in power and nothing is stopping him from preventing me of sleeping...can you imagine what does it mean not to sleep for two months for an ordinary person like me? After I have written to President Carter they let me sleep for two three nights (but just like the dead or in coma) and now they are back to preventing me from sleeping.

Hoping to hear from you what can restore and preserve human dignity and minimum standard of ethics that you know more than anybody else are necessary for the survival of any nation.

24/7/08

I am starting to think that may be you are attempting too much of a task...and that such an ice berg is a great challenge to people in power, if we will remember that they are under pressure too for many reasons.

I am suggesting here that may be it is better that you concentrate on the human suffering that is really urgent...

This is how I feel about my case...as my health is deteriorating by the day. They have started preventing from normal breathing and beaming my heart continuously and preventing from sleeping more than one as in a coma...even in this I can hear still the voices...

This intense torture is clearly an attempt to kill, but through hiding behind normal illness...beside Rheumatoid arthritis which is increasing due to their attacks on my joints and prevention from sleeping, now I am suffering from disturbance in Thyroid levels. In addition to their continuous attack on my face to the extent that when I look in the mirror I feel very much stranger to the way I look now... my cheeks are down...my eyes are closing and surrounded by blue circles...and so on..

I think it will be much easier case for people in power who would like to help that they concentrate on ethical issues that the Constitution of any country will object...never mind the equipments or the methods used....and examples like:

"....He made no comments on our allegations that England used mindcontrol technology in the Northern Ireland Conflict and in the island itself, [e.g.in](#) Greenham Commons in 1988. We talked about the development and the proliferation of Non-lethal Weapons and the international symposia in Ettlingen, Germany."

11/8/09

All those whom you have listed are in the game. I have written to them so many times, but nothing has changed. Try writing to US first Lady...she seems not to know..so I think it will help to inform her..I already did. Also I found it useful to write to Senator Kennedy and Senator Rockefeller. They are on the senate intelligence committee. Thanks

PLEASE SEND YOUR TORTURE AND ABUSE CASES TO THE INTERNATIONAL CRIMINAL COURT – use Reference: OTP-CR-70/07

I have sent my case to the international criminal court, and got the reply today that my case is not within their jurisdiction but that it is similar to other cases that they have received.

I shall answer them though, and argue that our type of cases need an international action...it cannot be left to individual countries.

But I will encourage you to send your case to president Obama, Vice president Biden and First lady...you can send your e-mail to the three of them in one e-mail...as the three of them use the same contact page of the white house.

I have quoted several paragraphs of your detailed diary (as my memory has been weakened drastically...I have

been tortured now for 26 years..and my health is deteriorating quickly) and sent several e-mails to members of the congress....but I think the most powerful of them all ..is Senator Rockefeller...try to send him and e-mail...and see for your self...the first e-mail I sent to him they turned my life to hell...practically and literally...but then after few months I noticed that may be because they were most sensitive to my e-mails to him...so I sent him after that some three e-mails to update my case to him...Try and we will see

Also try to search 'mind control' on the website of the congress and the senate...and see the results.

God be with you

I'm a victim for many years now and i can say I can attest to having been at the receiving end of almost each of the torture methods you described. For myself, to put it briefly, the main problem is the deliberate sleep deprivation I get through the various ways you described quite well. I also believe this is certainly an Israeli "art" and specialty.

I'm Lebanese, Muslim and live in California. I'm not politically active at all, but I speak my mind to people around me. Something you did not describe is the motivation behind the torture: how the "victim" is chosen and why torture is nightly, and endless. It seems a lot of resources and expenses are tied into this. What are the returns ??

I want you to know of me and thank you a gain for your writings.

I'm a chronic procrastinator and my ongoing torture does not help me get better. I'm too sick and too tired to carry on but intend to do my best.

In Davis, CA there's a group against electronic harrassment, the founders' surname is Welsh. I emailed them once years ago but it does not help at all if you Arabian here. It scares away even common goal people. They answered me reluctantly, briefly, coldly and dryly.

Your history makes me think you'll like Paul Craig Roberts' writings. I read today something very good, and quite brave, by him in Counterpunch.com

Also in buzzflash.com today I saw some interesting declaration about laser weapons advantage in that one can deny using them.

I am a torture subject and support all the claims both Nicholas and you make in your articles. I have dated notes from years of torture, up through now, that corroborate your claims and those of many others.

Thank you , Sincerely

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am ANNE, been hearing tap-tap sounds, click-click sounds, Morse code, telephone touch key tones etc for about +4 years. It seems the black and white visions are normal occurrence on this site. Lately especially when I talk to my children there is almost like a switch that get put on and off like a pop sound when I talk. Sometimes I just get so sleepy and then it feels like my mind is being zapped. In the past my body would start to shake just before I drift off to sleep – that however stopped. Sometimes it feels like electricity going through my body. That started when I was 15, and still happens from time to time. I see patterns, grids, models of buildings, friezes, lots of documentation and the list goes on, I usually see this while in a semi sleep state or just before I open my eyes after sleep. Seems like my subconscious is trying to tell me something. I have different kind of dreams, normal dreams, demonic dreams, what I call GODLY dreams and then these funny stuff that is just too odd to call dreams.

In these I have taken my children to a “university” in the sky/heaven to enroll them.

I have been given access cards to do research in building that looks burnt down and dilapidated from the outside but inside it is high tech. There are always big strong men to accompany me, I am never alone.

In one I have been give the title of “keeper of the gate.

I have seen funny handshakes, seen Princes DI in one “dream” with other people. And the whole time in these dreams my mind feels being manipulated, it is as if I battle to keep “me” going and something wants to empower my mind the whole time and I have to keep fighting in my mind to keep” me” going and not slipping out.

I have seen doctors, especially a man with a like a birth mark/spot to the left of his nose, I have seen someone who reminds me of Christopher Plumber the actor who played in the SOUND of MUSIC.

I have seen someone signing a document starting with what seemed to me like Gold....tt ... but I can not focus on the documents as it gets blurred and the more I try to see the more it gets blurred. I remembered the double TT very well as he crossed the TT’s.

I saw wheel with Hebrew letters on it, etc

At one stage I dutifully written everything down as soon as I woke up but I later stopped. Some of the dreams where so ghastly that I decided I did not wanted to know what happened to me, and then yet again the curiosity got the better of me.

What is the TI that I have been seeing on this site?

I have tried to read as much possible about MC/SRA as some of that features in the dreams as well, really scary stuff.

There are also lots of emblems and most of the time there was a girl with me in these dreams.

A funny thing as a child I had an exceptional memory in names places faces dates etc but now I battle to remember my own cell ph number. The odd thing is that I am quick to spot patterns. I used to write my poems backwards and as a child I had this yearning to go “home” (and I would cry), where ever that was, I felt that I was adopted and my “parents” was not my real parents. I still love everything old, old furniture, old homes, old castles etc. The one day It was raining and misty and we went for a drive and stopped at the beach and the first word that entered my mind was it looked like Cape Cod. That threw me a bit since I have never been out of South Africa except for Mozambique when I was little (0-4years) as my grand parents where farmers there.

When I started seeing patterns, A voice told me that it was fine trying to comfort me, as I realized as a child I saw patterns etc at night. The one time I remembered that while I was dreaming I could see 3 stars through my bedroom wall.

One night there was this voice calling me awake with hello, hello ...but I only realized it too late.

One time there was this voice in my head (while in a twilight world) who called me by my name very urgently.)

The kids and I hear a rapping on the bedroom windows at night.

There have been so many attempts on my life, in my “dreams” and I evangelize to these people who want to kill me. I have received, bible verses in dreams telephone numbers and names to call. I am always tired as if I just do not get enough sleep, even though I try to be in bed by 9:30pm, sometimes at 8pm I am already in bed, sleeping.

One night as I stepped out of the shower I saw a hooded figure at my window in the bedroom and I started praying. It happened 3 nights in a row until I finally had the courage to draw the curtain aside to see who/what was out there. Nothing, but the weirdest figures were drawn on the window. This was 2 years ago and 3 of it still is one the window. The strangest thing is it was not drawn from the outside but the inside. I have tried to wash it off with different kinds of detergents, spirits, and benzene, it just glides on the "drawing" but it does not take it off at all. I had my fare share of human spirits harassing me as well, but as soon as I sense these entities and pray and remove them.

My biggest struggle is to get communication going with my inside house which I know I have. One night I saw 3 babies and they talked to me the one is Davey, the other one can not talk and the third baby was totally dehydrated and on the brink of death like you see in Ethiopia, and there was wild dogs with them.

How do I get my alters to talk to me to share their pain so that healing can take place. I want them to tell me hoe they have saved my life when I could not cope and I want to thank them for taking the pain the abuse when I copped out.

If these people whom I have evangelized in my dreams are "alters" then they should know that I want to help them.

I know I have someone names assassin and a host of smaller child alters as they were to protect me and to made sure I do not run away while assassin was talking to then " chancellor of Deutschland asking permission to kill me.

So, in a nutshell you know what I battle with, what I have seen and let me tell you from time to time I still live in denial that I am crazy because all of this can not be real. Can it????

In Europe and USA there are forums for "MC/SRA abused" people but here in RSA the psychiatrist and psychologist call it false memory syndrome and PTSD and so forth. Who is living in denial, me or them?

I have talked to counselors who help people with DID who knows about DID/MC/SRA but unfortunately they want me to visit them which of course I cant as they are miles and miles away from me, so I am secluded. They also do not want to divulge numbers or names so that I can talk to them and hear how they have been healed etc for fear that I might try to get them to rejoin the underground world of MC/SRA etc.

So Any ideas how to talk or communicate with my "inner house"

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

I would appreciate help! Regards
ANNE

My name is Renee Arendse. I'm from Cape Town, SA. Carrin Behr says that I can mail my story to you as I am also harassed by spy satellite and that you would be able to help me. I stumbled across Carrin via the internet. I was surprised that I wasn't the only one on this side of the world that was going through this nightmare as all the stories I read was always about people from foreign countries. I read everything there was to know about Carrin on linkedon and other websites like peacepink, etc. I then called Carrin and we have been in contact since then. Please see my story below.

My nightmare started 2008. It started with the voices which seemed to always be coming from a distance and then I was tricked into thinking people around me were talking to me because the voices were so clear and loud. I started hearing these voices on a regular basis. They were horrible in the way they try and break me, verbally abusing me in the worst kind imaginable. Everything I felt, thought, smelled, heard, was known to these voices in my head and they used that to the best of their ability to hurt and degrade me as a human being. By then I knew I wasn't going mad because it wasn't my voice. I obviously didn't know at the time what was going on but as time progressed these

perps were stupid enough to reveal their identities by calling each other on their real names that's when I realized who they were. I know where they stay. Before I figured out what was happening to me they played cruel jokes on me. They know everything from my past,from my childhood,my family,etc EVERYTHING ABOUT ME. First I thought they had bugged the house. I checked everywhere but found nothing. As time went by,again they were stupid. enough to reveal how they could speak to me and see me. I confronted them yet they denied it. My family don't believe me and its ok because I understand how it must sound to them. If you not educated about this type of crime its not something that you would believe. These people were sick in the stuff that was coming out of their mouths. They were threatening to rape me and my daughter and explicitly described how they were going to do that. They sick because among that group were men who had children and women were also present and part of this gang stalkers. I took what they said and made cases against them advising the police officer of what they intended to do with me and my daughter. As u no they denied

everything and police could not always get any of them in at home. Its obvious they new exactly what I was doing and could easily make plans to not be home when the police went around to question them. Eventually nothing came from the cases I made against them. The only proof I have that makes them guilty of this crime Is that they never bothered to make a case against me for deformation of character. They didn't even come and confront my family to tell them what I'm doing. What sane and innocent person is going to allow someone to make his name bad like that and then still do nothing when cases are made against them. I knew I could not nail them on the sattellite harassment because no one would believe me so I used what they were putting me through and made the case about that. I

don't have much evidence except that and the websites of people who's also going through this. I hope that someone can put a stop to this. My harassment is 24/7. My dreams are invaded with their sick thoughts and made up dreams. I get woken up almost every hour. I don't want my life to continue like this. All I want is some peace and quiet.

I sleep with the radio on so to fall asleep I concentrate on the voices and music on the radio to get some sleep. If I have energy to get up in morning, its thanks to God. These people are sick because they swear at God and blaspheme Gods name and the Holy Spirit. And that's a joke to them because they wake me up sometimes just to do that and will continuously say it and laugh about it because they know how I feel about that. its a joke to them. I pray for them I pray that God forgives them for what they doing.

To whom it may concern,

I am at the moment under tortured and attempt of assassination through the Remote Neural Monitoring System (RNM).

What I would like to request from you is information about RNM transmissions blocker, and where I can buy one before the psychopaths kill me.

They are torturing me remotely with a direct attack to my digestion system by locking my intestine and destroying my liver and kidneys.

The gang of psychopaths that are torturing me and trying to kill me identified themselves as members of the family Zugman: Ariel Zugman (Eichmann), Ana Zugman, Ilan Zugman, Tali Zugman, Salmo Zugman (medic-Mengele) (Curitiba-Brazil residents) and Fernando Potrik (Sao Paulo Resident).

This case should be at the United Nations top subjects for discussion, since it is the first gang of psychopaths revealed, and still haven't been caught by the Brazilian local authorities; And the world should understand the importance of fighting Remote Neural Stalking Gangs.

Please contact the UN Counter-Terrorism Committee at:

<http://www.un.org/en/sc/ctc/>

<http://www.un.org/en/terrorism/ctitf/contact.asp>

Some tips for the victims:

My Internet connections such as facebook, yahoo, gmail and Skype are safe; I don't know my passwords since I typed them with my eyes closed in the Microsoft word (Angsana New-size: 8), and whenever I access the Internet I just copy and past them with my eyes half open, so the psychopaths can't read the passwords; The passwords look like that: Sadfstujmhtjpkfjg7

Another important recommendation is to listen to music or radio as much is possible; The psychopaths that are torturing me are attacking me 24 hours a day, so I listen to radio 24 hours a day; I bought some really good ear-seats and wherever I go I'm listening to radio (don't forget to keep a ear-seat spare, since they don't last for too long); Keep a radio near the bed during resting time, since you can choose in which transmission your brain can focus, it helps to create interference to the RNM transmissions ; Remember it's a mind game, and you must to win.

I been reading a lot of theories related to psychopaths that are sitting behind RNM's, and I'm sure that this technology patent leaked from the official authorities, and some electronics engineer's psychopaths decided to make profit by selling RNM equipments illegally to other psychopaths.

Try to understand in which areas of knowledge the stalkers are strong and weak; That way the authorities may be able to track them, psychopaths are egocentric and have the tendency to talk about themselves; Remember it's a mind game and for sure your mind is way stronger than the mind of psychopath.

Please check my manifest against neural weapons in the facebook; And don't forget to approve it by pressing like.

<https://www.facebook.com/pages/Neural-Weapons-RNM-Remote-Neural-Monitoring/309180162561405>

Please help me to let my family and friends know how they can help me, before the psychopaths kill me.

Thanks a lot,

Gino Barcal

Thanks for all the hard work you do for targeted individuals world-wide.

Please add me onto your list of TI's in Africa (Johannesburg)

18/2/13

My attacks started, when I think back about it, in September 2010, I know the names of my perpetrators – they all work for Crime Intelligence (Roodepoort), and their names are as follows:

Michelle, Nthabiseng, Daniel, Bongani, Jackie, Mandy, Sandy, Rob, Hein Marais, Johan Badenhorst (surveillance 'expert'), Charlie Gordon (main perp), Nicky Gordon (his wife), Thandi (his girlfriend who gave birth to his son in 2012), Nicole (his sister), Leanne, Samantha, Kimberley, Chloe, Thabo (the technician), Candice.

They started by trying to introduce highly sexualised feelings onto me whilst at work, whilst at the same time introducing simulated dreams into my head at night, of lesbianism and bi-sexuality, this theme has continued throughout. They have violated completely my constitutional rights to privacy, dignity and freedom, in the most demonic of fashions, had dead birds delivered into my home on both Christmas morning and New Year's day, before 7.00am on both days, have spoken repeatedly about Alistair Crowley (the most perverted, bisexual Satanist that ever lived), run paedophilic mind movies through my mind whilst I am trying to speak to the same 9 year old repeatedly, as in trying to grope at her, whilst she is sitting opposite me, showed sexual interest in kids running around in their costumes on Christmas Day, run dreams through my head of dogs being sliced into four, or being buried alive (when I show a lot of interest in dogs), my cat keeps, on odd occasions, growling into the air, her nails come out, biting at me and the couch (for example), and hissing for no apparent reason, and I recently, after praying for her protection on one of these occasions, saw her shaking her head afterwards, as if she was trying to get something out of it, and then calming down, they have threatened that they will make me lose my job repeatedly, they seriously harass me night and day, even at work, about their sexual attraction to some of my colleagues or on socials (they belong to the gay/lesbian/bisexual/transgender community), about some of my friends, they follow me into my bath (anyone in the entire CI building is able to watch me take a bath, sit on the loo wherever I go, and when I'm changing in my bedroom, they have denied me any form of a love-life of my own, whilst claiming to have the best love and sex lives in the country for themselves, and worst of all, they have submitted me to 3 – 6 hours of sleep deprivation every night, which has escalated to some of the most extreme torture as well – the management of this division, listen to me being deprived of sleep and tortured, and do nothing to stop it (this includes massive amounts of mental and physical torture on a daily and nightly basis (they are paid obscene amounts of money for doing this to me, and YET, they ask for 'undefined/unnecessary overtime to be paid to them, as well as massive bonuses twice a year, and state, that they 'cannot wait to get back to doing it to me again', despite me telling them daily and nightly that it feels as if I am living a 'HELL ON EARTH' at their hands, hopping around in agony when I get cramp from their repeated torture of my feet etc, they are then found to be out buying jewellery on their slush funds, and are absolutely unconscionable about my suffering at their hands – IN MY OPINION, THESE PEOPLE NEED TO BE TRIED, FOUND GUILTY OF EXTREME CRIMES AGAINST HUMANITY (I must stress that I am NOT a criminal, and have never been), AND SENT TO THE ELECTRIC CHAIR OR IMPRISONED FOR LIFE, WITH NO PAROLE.

I have written countless letters of complaint to this department, detailing all of this, and the people involved, on an almost daily basis, from June 2012, and NOT A THING HAS BEEN DONE TO STOP IT, in fact it has escalated to horrific proportions – eating my breakfast on the patio for example, means they burn my lips, tongue, gums and throat, which means my throat feels raw when I swallow, they manipulate my genitals while I am at work, they have had some seriously demonic person force a sexual attack upon me in a simulated dream, where they shoved, with demonic force, something up my vagina (telling that there are people in Africa that they can get to do this sort of thing), attack any ear-ache I may have by sending directed energy weapons into the exact sore spot, to inflame it further, they bloat my stomach often, and I live in constant, uncomfortable constipation. The managers and staff are mostly having sexual relationships with one another, with one of the staff, having been impregnated by two of the married men, they are simply in it for the money, and they co-ordinate that they sleep in the afternoons themselves,

in order to feel energised enough to start their next night of sleep deprivation and torture upon me (I call this pre-meditated crime, specifically as they have ABSOLUTELY NO CONSENT from myself for any of this), and furthermore, they have introduced the teenage children of Charlie Gordon and Thandi into the benefits of violating the human rights of an innocent by bringing them into view my taking a bath, on the loo and in my bedroom.

MY CASE IS CURRENTLY WITH THE INSPECTOR GENERAL OF INTELLIGENCE AND THE PUBLIC PROTECTOR'S OFFICES, AS WELL AS THE NATIONAL COMMISSIONER OF POLICE.

It is a shocking indictment of a people gone wrong, and it is MORRALLY, ETHICALLY AND LEGALLY INDEFENSIBLE.

I will go to any International Criminal Court to tell my story of this unjustified attack on a member of civilised society by it's own police force and intelligence agency.

Regards

Many, many thanks for all the info you sent me yesterday and today – yes, it has been a very bad attack indeed – a whole gang of men and women watch and listen to me being sleep deprived and tortured, and think it's ok, as long as they get paid for it – they justify the indefensible to themselves.

This is the reason I have had to fight back VERY HARD AT THEM, AND I HAVE NOT LET UP AT ALL – I am absolutely determined to take them down – and I really believe the best defence against these bastards, is to expose, expose, expose – that's the ONLY thing that get's their attention EVER!! I have got the attention now apparently, of even the President of our country, because I have not stopped sending info to his deputy's PA, detailing the torture and abuse, and asking for her assistance – I will stop at nothing (within the legal frameworks of the law obviously), to get it out there – that they have no consent, and that this is being funded via tax payers money – they owe the citizens of our respective countries therefore, and explanation, and if none is forthcoming, then it needs to be taken to the International Criminal Court – and yes, I will send my details to them as well. Many thanks – I have been looking for other victims in South Africa, so this will be of great assistance to me.

God Bless John, I hope we can get these 'weapons' banned, for a start, and take good care!

LETTER TO THE INTERNATIONAL CRIMINAL COURT

OTP-CR-70/07/002 (for International Criminal Court of Justice), WE REQUIRE IMMEDIATE ATTENTION RE: CRIMES AGAINST HUMANITY !

The President of the International Criminal Court
The Hague

I write to you to urge you to use your privileged position to take action against those that are torturing (mentally and physically) many innocent people around the globe, in the most HORRENDOUS WAY.

I live in South Africa, and I'm one of the few that can name my exact perpetrators, and give you directions to the doors of their offices, and provide you with contact details – my thoughts being, that they could be used as an example for anyone, anywhere in the world, that may feel inclined to violate innocent people for money, a run FOR THAT MONEY, so that they think it over many times, before ever contemplating or taking that action, against a fellow-man – where the penalties simply wouldn't justify their involvement. Their names are as follows: **Hein Marais, Nthabiseng, Bongani, Jackie, Michelle van Zyl, Daniel Erasmus, Mandy, Sandy, Johan Badenhorst, Rob, Chloe, Samantha, Kimberly, Candice, Thabo, Charlie Gordon, Nicky Gordon, Nicole Gordon, Leanne Gordon, and they need to be brought to JUSTICE!!**

I have been a victim of NON-CONSENSUAL psychotronic weapons (of destruction) since September 2010, by people who told me that they work for Crime Intelligence, Roodepoort division in Johannesburg, South Africa, and

have spent a considerable amount of time and energy submitting me to the most inhumane and cruel treatment imaginable. Imagine being deliberately woken and sleep deprived, via burning of my feet or head or abdomen, for 3 – 6 – 22 hours at a time, and being verbally harassed during this entire period, on top of having my mind and every thought, every small action you take, including having a bath and going to the toilet anywhere on earth, being violated on a 24/7 basis, where people unmet by me, consider they're entitled to comment on everything you think, say and do, in your own private residence, and anywhere else you go ----- AND ALL OF THIS FOR MONEY (they're being paid handsomely to DESTROY the quality of your life 24/7, and appear to take perverse pleasure in doing so, in how 'powerful' that makes them feel (these people are generally of low intelligence and class, and this is like being a candy shop for the wicked – take your pick of what type of torture you'd like to submit your victim to for the day or night, and sit by smugly, while you watch the look of horror or trauma wash across their faces, listen to them praying to God day in and day out, and FEEL ABSOLUTELY NOTHING!!!! After all, you're getting MONEY FOR THIS, and all you can think of is what next bit of bling or flash you can buy with your next pay-check...it becomes a VERY SICK GAME of cat and mouse, except there are 11 – 13 times the amount of cats at any one time, using sophisticated technology, trying to outwit ONE mouse, and so you start to get a PACK MENTALITY coming through, where it almost becomes an incredibly sick thrill to be a part of this criminal game!!

I am an INNOCENT, LAW ABIDING CITIZEN OF MY COUNTY, A COUNTRY WHICH HAS CONSTITUTIONAL LAWS TO PROTECT OUR RIGHTS TO PRIVACY, DIGNITY AND FREEDOM.

These people have committed many, many days and nights of pre-meditated crime against me – and are paid OVERTIME MONEY, AND BONUSES FOR DOING SO WHILST I AM BATTLING TO SURVIVE!!

Make no mistake about it, these are crimes against humanity that they are committing, it's very barbaric, and for as long as they can get away with it, they become more mentally vicious, vindictive (if you try to take action against them) and sadistic as time goes on – it's like having a drug fix for them, and the taste of the thrill needs to increase all the time.

Imagine having holographic images of pedophilia flashed across your mind, or of having incestual images flashed across your mind, these people are all bisexuals, and play mind-movies across your dreams regularly of threesomes etc, constantly harassing you about your friend's daughters, your colleagues, people on TV etc, in a sexual manner, leaving you NO ROOM to enjoy your life as you would like or choose to - it takes away the enjoyment of every moment of your life, as you grasp for air and leverage on a 24/7 basis, in order to remain sane and level headed, to save your very soul.

It was described on a website in this way (John Finch's comment), the kinds of tortures we face:

Gang Vigilante Stalking is an occult form of terrorism/mind-control used against an individual, in a malicious attempt to reduce the quality of a person's life so they will have a nervous breakdown, become incarcerated/institutionalized, experience constant mental, emotional or physical pain, become homeless, &/or commit suicide. It is done using well-orchestrated accusations, lies, rumors, bogus investigations, setups, framings, intimidation, overt or covert threats, vandalism, thefts, sabotage, torture, humiliation, emotional terror, DEWs, & general harassment. It is a ganging up by members who follow an organizer & participate in a systematic, & ritualistic persecution of an individual. Organized Stalking is a destructive criminal program built on deception that exists to serve the intentions of a few who are aware of its true agenda.

The Universal Declaration of Human Rights (UN General Assembly passed and published Resolution 217A (III) on 10th December 1948) stipulates in the following relevant clauses that:

Article 3 Everyone has the right to life, liberty and security of person.

Article 5 No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Article 6 Everyone has the right to recognition everywhere as a person before the law.

Article 12 No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, or to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.

Article 19 Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers.

At present, thousands of victims around the globe, strongly demand an investigation into the sinful Hi-tech crimes which covertly violate human rights worldwide. Many of these victims have spent enormous amounts of time, money and energy in collecting quality information to present to any select committee's, with regards to electronic torture and mind-reading, and mind subverting technologies, which are holding civilized, respectable members of society to ransom – by those that violate them in the most inhumane, and sadistic of manners, that are meant to destroy the quality of the lives of QUALITY PEOPLE ON THIS EARTH.

Imagine a world dominated and filled mainly with psychopaths and sadistic sociopaths to decide on the fate and future of the remaining respectable citizens of this earth – well, this is what it will come to, if you do not move to save the civilized people of the world, from the madmen at the helm of this decade in the history of this world. These cases that are being presented to you, are of a very serious nature, and need to be assessed from a short and long term view – if no one does the right thing now, it will be a catastrophe, for mankind in the long term.

I have contacted various institutions within my country, such as 'The Inspector General of Intelligence's offices', The Commissioner of Police, and 'The Public Protector's offices' as well, but they are at a loss as to what to do so far, as these atrocities have been sanctioned by The President, so I'm led to believe, despite knowing, that THEY OBTAINED NO CONSENT FROM MYSELF. This is the reason I now come to yourselves.

Challenged by the unprecedented worldwide catastrophe of human rights and the severe crimes of damaging human beings, we urge IMMEDIATE AND URGENT INTERVENTION AND ACTIONS ON THOSE RESPONSIBLE FOR PROTECTING ALL HUMAN BEINGS FROM CRIMES OF THIS NATURE. We must disclose the horrible crimes which are covertly damaging human beings, and put them into the Judge Courtroom in International Criminal Court!!

You cannot ignore my plea for help, one human being to another, it's surely in your best interest as well, if you wish for this earth, and the people on it to flourish, as is their universal HUMAN RIGHT!

I would like to thank you for the work that you are doing for TIs.

A targated individual in India gave me your email adress so i am contacting you because i am a targeted Individual in Algeria (North Africa).

please note that the harrasement that is done on me is not covert but public, people around can read my mind and see what i see, hear what i hear and feel what i feel, if i call you by phone for exemple you can read my mind, same with internet if we are chatting by skype for exemple you can read my mind and even with TV, if i am watching TV and you are at the TV show that i am watching you can read my mind.

Please note also that ther's a consipancy which leading against me, people are involved in this and nobody wants to

recognize the truth.

I just wanna send my testimony to you to record it and collect it and i wanna know if ther's targetted Individual in Algeria or even in Africa and middle east to contact them.

i am an alive mind control witness and if someday want to proove that the harassment exist i am the proof and if someone needs my cell number i can give it to him so we can do something about it, even if all the politicians knows about my case and they are doing nothing.

I will be waiting for your answer.

3/3/14

Dear Mme/Sir,

I am a targeted individuals living Algeria (North Africa) and I am TI since 2008 when I was student in the UK and I was obliged to come back to my country because I was in depression and it's only after I came back in here that I've realized that people around are reading my mind and that there was an organized conspiracy that is leading against me and even the authorities and the embassies know about that.

I cannot tell all what happened to me all those 6 years, the only thing that I can tell is that the harassment is doing to me in public and it's not a covert harassment, because people around can read my mind and if I have a phone talk with somebody he will read in my mind too, so that's what we call a proof and even with this nobody wants to admit that they are reading my mind and there's a conspiracy which is leading against me in a way to make my life a hell, to scare people around, show the world what they can do even if all the world knows about this and unfortunately is that even the Targeted individuals and people who are organizing them to fight against those dark powers don't want to be witnesses and don't want to admit the truth.

So for those reason I do not think that people who are organizing TI's will succeed in their battle against that dark powers because they are encouraging those criminals to continue their harassment with their silence and their lack of concern and interest and believe if one day this conspiracy will stop against me you will have to do 10 times what you are doing now to make general public, politics, human rights organization and United Nations to make them admit that those dark powers exist and that they are doing harassment on people around the world, causing torture and make them going insane.

So I am asking to all whom reading this letter to take their responsibilities and not to lying to them self, because the battle begin by admitting the truth and you can contact me if you want to know the truth anytime you want I can give you even my phone number but I ask you to not lose this chance to rise our voice and to say you cannot deny that.

Faithfully yours,

sir,

its a short case summary kindly prefix it to my victim list i have recorded torture activities of past few days too

(for my security issues i may be forced to shift to other location)

Some people(few wallmates and neighbours) are doing remote neural monitoring and by means of some device they are sending voices to me using V2K Technology which is also known as microwave hearing.They are doing group stalking and repeatedly torturing.At first i too thought it was paranoid but after sometime i came to know that it was voices send by a group and the members stay in my neighbourhood.I cannot directly charge someone for sending blackmailing threats through a device because they will directly deny and claim me to be crazy.They read my thoughts and interrepts with them,send harsh words,threats,send me voices of what i am thinking,send electromagnetic impulses to my brain by means of some sophisticated device.There is proof of existence of such device and i suspect some illegal implantation too.i firmly believe that some people involve in administration and police might be involved in this case as such technologies are not easily accessible to common men only people involved in security agencies,police have access to such technologies.I request you to kindly probe an enquiry in this matter as it is a case of national security and protection of each and every indian citizen,today this unfortunate thing is happening with me tommorow other innocent victims may be targeted.

DEAR SIR/MADAM

17/9/09

Dear Sir,

This is to bring to your kind notice that I'm in the midst of a supreme black criminal conspiracy in Kolkata, India and a group of severely brutal criminal psychopaths are torturing me with remotely controlled Directed Energy Weapons and the likes as I've complained about it earlier.

You can be their target of brainwashing also as they are doing it in the evil guise of normal/important people just to vitiate, confuse and to somehow justify this unprecedented extreme cruelty that should have warranted them a death sentence/Life sentence long back. So please don't get fooled by the Cheap Satans.

The real fact is that they have got some remote terrorist facility/ infrastructure, with me in a supremely helpless situation to brutalize and exploit infinitely.

Their USP is about giving many excuses for why this is being done to me with their pretentious diabolically cunning hypocrisy. That's how they are somehow trying to justify this monstrous brutality by taking advantage of the ignorance and illiteracy of common people. The excuse of ridiculously satanic criminal scientific knowledge and intelligence can be more lethal for some.

Some purchased Police officers and very cunning criminal "showcase identities" are their biggest assets.

I would like to request you to kindly inform me about anyone who contacts you in this regard without taking them into confidence. Please don't trust any source that's not authorized by me.

Actually these criminal psychopaths are murdering me emotionally, psychologically, mentally and physically and are trying to ruin me from all directions to serve their purpose.

Their cunningness and motive is so evident from their ways and means of doing everything, their remotely secret hide-out place of stay and their absence from civilized law-abiding human society for long. I do really need your support and co-operation to come out of this living inferno. This extreme criminal elements needed to be punished heavily long back for such terribly heinous crime.

Sincerely yours,
Deb Chakraborty

NB : Most probably they are hiding in a remote location called "Defense Colony" near Salt Lake, Khanapole area
Attached please find my torture case summary in this regard.

2006/2009

It's very difficult for me to explain the situation that I'm in. Apparently, nothing can be detected and when I try to talk about my harassment, what people think is that, this schizophrenic moron is a big failure and he is trying to hide his worthlessness by telling all these stories. But just because I have no other option, I thought of letting people know something through this anyway.

I know that my complaint of torture is apparently unbelievable to the ignorant mind. But please believe that, I'm not saying all these over the years over and over again just to be treated as a ignorable laughing stock of some sort ...I'm really in dire distress and at my wit's end over the extreme perverted sick brutality and attempted murder efforts that has reached a very appalling stage..

Please visit

<http://www.peoplezapper.com/>

<http://www.mikrowellenterror.de/english/mw-weapon.htm>

and

<http://www.surveillanceissues.com/>

as a proof of existence of such kind of dangerous and damaging technology

and

http://www.geocities.com/i_am_deb_2006/Torture_Cases_India.doc

as a proof of me being a victim of this kind of crime (Victim No. 3)

Initially the harassments were like:-

Inescapable voices inside my head and I'm not mentally ill

So many people can see thru walls, and produce sounds that "follow" me

No matter where I am, repeated instances where it seems my mind is being read.

Forced awakening, can't go back to sleep, as if I'm on high doses of caffeine

It seems that some people are blocking my way or trying to harass me in anything that I'm trying to do.

Tortures with hypersonic sound and acoustic waves.

Gradually the tortures became like:-

Total sacrifice of physical & mental privacy for 24 hrs., associated with tremendous psychological torture.

To begin with, this is draconian violation of privacy. Even though it sounds weird to the common people, it's a fact that, I get tortured the most by faceless voices inside my head. My brain gets tortured every moment by numerous other faceless voices that continuously negate & manipulate my thought process by interfering with my brain wave and in the process tortures me psychologically and damages my brain and nerves. My mind is always a battlefield in here, and my brain just "gasps" every second to take a breath and it seems like that these are just suffocating my brain to "death". I remain helplessly mentally handicapped in this condition. The perpetrators do it intentionally and increases the severity when it counts the most. They don't even let me sleep at night. This pushes me towards acute depression, mental retardation and insanity. This is the most sophisticated form of psychological torture one can think of. This is so intolerable that someone who has not gone through it can't even imagine. This continuous torture on my brain & nerves may result in permanent insanity, brain embolism, cerebral hemorrhage etc.

Frequent attacks of chemical poisoning of my body, which invalidates and incapacitates me slowly. These chemicals are any dangerous, harmful chemicals to acids to poisons, which are damaging me to a great extent.

Tortures with continuous intolerable foul smell that won't let me breathe/drink/eat and these not only damages my

brain, but vitiates every cell and blood. They will sort of “inject” these into my system and make me inhale these poisonous smells involuntarily. One can’t imagine how severe this torture can be. This includes smells of gutter, faeces and anything and everything that only supreme perverted psychopaths can think of. This is inhuman torture, and an example of extreme brutal perversion by some demonic psychopaths.

Frequent attacks with heat/chemical radiations, which can result in local atrophy of body parts.

Invisible bullets through my brain to damage my brain/nerves completely.

Very dangerous and damaging brain & dream manipulation and forcible fictitious, gross image projection in my brain with Virtual Reality simulation kind of tortures that crumbles and exhausts me down me completely.

Frequent attempts to damage my property and electronic instruments, which has reached a very appalling stage.

Several attempts to choke my heart, lungs and brain that gives me giddy feelings of weird kind.

Several other kinds of bizarre & unbelievable tortures that would make any human being go crazy.

Attempts of criminal denigration & criminal instigation with a fabricated fictitious negative image. Negative subliminal messages also through songs, music or through any source of sound.

Sometimes, continuous shrill, shrieking sound especially at hours of rest and at night, that affects your nerves so much that you can’t go to sleep even with the help of sleeping pills.

The whole exercise is so nicely camouflaged with a huge hypocrisy and eyewash that you can never be suspicious about the real culprits and can never have any idea about the gravity of the situation. There is so much of mental pain, agony, anguish and trauma associated with the whole exercise every second, that normal people won’t be able to imagine. Also, this exercise is so damaging and deadly that ignorant people won’t be able to comprehend.

A few more important informations:

I became a victim of this weird kind of torture, 10 yrs. back in April 1999, when I was working in the USA. I had to come back from USA in a nervous breakdown condition. But it was haunting me, no matter where in the globe I’m in. The torture got worsened as the years progressed and from Mar 2003 it had made my life a living hell.

As far as I could get, two of the infrastructures in Kolkata (most probably Salt Lake) is primarily from where this heinous crime is getting carried out. This is a den and a place where you can find the worst possible psychopaths.

These are perpetrators with the most vicious mind and worst possible devilish brains. They have made my life a living hell for the last few years, and the more they are getting the “taste of my blood”, the worse they are becoming.

It's a supreme black conspiracy of a gang of Bengali NRI's and their diabolically cunning associates from West Bengal that's covering up for everything and pampering, patronizing and funding this extreme criminal & terrorist activity out of sickening jealousy, greed and perversion. But It's mainly due to lack of literacy, ignorance and intelligence failure, that I'm getting ignored badly.

This criminal gang is just fooling the fools and foxing the fox for the last 10 yrs especially cheap Kolkata scums and locals, through fictitious, hyped up forged and fabricated identity and excuse and purchasing them with foreign funded black money and prostitution racket (Most probably they are located near Khanapole area near Salt Lake in a pretentiously named “Defense Colony” with a false police station)..

There are so many abnormal scoundrels working as psycho-terrorists, and are torturing me through this, that you can’t even imagine. Their full time job is to destroy me and to keep me in pain somehow. No one can ever imagine about the quality and mentality of people who live in this place.

The combination of the meanest, brutal, vicious, devilish brains and fundamentalist psycho-terrorists is the

deadliest. They are brutally stabbing a mistaken identity and carrying out this mayhem with terrorist conviction.

Why Me?

I have sent many mails regarding my crisis situation, but I'm not getting much-needed responses and actions from people who counts...and the question that I'm facing so often is why would someone do this amount of brutality on me? ..I would try to give an absolute logical answer for that ...But we definitely need a paradigm shift in here especially when the brutes involved in here are not normal brutes and the crime in question in here is not a normal crime..

These are criminal & psychopathic beasts doing extreme terrorism by NLW/DEW (i.e.Electromagnetic Weapons) remotely and invisibly...Only criminals and terrorists can get hold of such dangerous weapons and these weapons are the most damaging ones, humanity can ever imagine;-with the advantage that these can be applied remotely and invisibly, hiding like moles in a very remote place...They need no reason and mainly it's because of their criminally dysfunctional brains that cherishes and relishes sadistic brutality in vested interest. This kind of tortures are possible only from some special kind of "criminal facility" or terrorist infrastructure, that are provided by the foreign psycho-nazi beasts , to the local Satans.... It's mainly like a "brutalize as you like facility" or infrastructure and it's like giving a "license to kill" the targeted individual by any and every brute who are in the gang.

I guess any criminal and any terrorist can give any amount of "excuses" (not really reasons) for their criminality and terrorism. But those don't get counted by any means. **Just like the way the terrorists spread terrorism in the name of religion, these Psycho-Nazis are spreading terror in the name of Pseudo-Science, just to satisfy their whims and frills...**

Please go through the link in this regard...:

<http://wiseti.blogspot.com/search?q=why+me>

Also to mention something in here about the filthiest vested interest of all those who have got no connection with any kind of Science and neither with me, but pretends innocence and even righteousness and are in the same group.. This is entirely because of a sickening-most prostitution racket and their "pet dogs" who are getting everything at my expense and because of this terrorism... Otherwise it could have been so easier for me to get the information about the Pseudo-Nazi criminals and their hide-outs from any one of them...But forget about that, it has increased exponentially because of them only and in their vested interest... I would not have had any problems with anyone from there. **But it's so obvious that all of them got together and stuck together in there, to dignify and glorify this terrorism in exchange of filthiest of privileges. . Otherwise no one would be hiding like a mole and still having any issues with me for the last 10 yrs. It's a pure case of criminal conspiracy and extreme terrorism getting proliferated so easily because of cheap black money and a sick "slut-racket" (and I deliberately use the term)..**

Please try to understand that I don't have any other motives other than getting out of this living inferno and a pathetic most bleak future... All I'm trying to convey in here is:

- 1. It's so easy to do this kind of crime remotely on any human being with NLW/DEW...and it's a fact that just because of this non-visibility factor many around the world is getting tortured helplessly by dangerous criminals & terrorists through this.. But a criminal precedence doesn't justify another more brutal criminality and can't serve as an excuse to get away with it.**
- 2. I'm already a registered victim with those authorities who understands and knows about the deadly weapons and the dangerous, damaging effects..**
- 3. Acceptability is a very important factor in here to help and to empathize even, not negation of the apparently inscrutable complaint.**

But I want to emphatically stress in here that in my case it has worsened exponentially over the years because of all those who are getting filthiest of privileges through it...

I'm in the midst of a supreme black conspiracy of these corrupted beasts Sir, as this criminal syndicate is

severely taking advantage of the fact that India, especially Kolkata, is absolutely ignorant of such crimes and they are capitalizing on my supreme helplessness and intellectual property and stolen away private information. These brutal animals are not only making me paralyzed and crippled in this way, they are looking for opportunities to steal away my everything also...

So, PLEASE HELP ME TO GET OUT of this extreme living inferno !!!!

Some chronological events:

May 1999 - Became the first time victim when I was in US. Immediately came back to India within a month losing my job and in a nervous breakdown condition...

Apr 2000 - Could somehow recover and felt like these devils released me...and I tried to get a job in Pune...

Sep 2000 - Again I got attacked and I came back to Pune sacrificing my job and in a terrified condition ...

Sep 2001 - They stopped doing it on me and I tried to get a job in Kolkata..

Sep 2002 - Again the same thing happened and I had to sacrifice my job ...

Mar 2003 - The intensity of the torture suddenly got triple folded and I lost all my nerves and it created havoc in my life and I had to go for a gruesome divorce suit just because of the misunderstanding arising out of this torture .

The torture was increasing but I tried my best and got a job in Pune , but there also I had to lose the job because of devilish torture that was damaging my brain, nerves severely. The inhuman torture is increasing exponentially since thenand it has reached the stage of extreme brutal perversion and criminal deprivation of almost everything that would shock even the animal rights activists.

I'm in great danger Sir, as some of these brutal animals are not only making me paralyzed and crippled in this way, they are looking for opportunities to loot away my everything also...

So, PLEASE HELP ME OUT!!!!

For years I'm languishing helplessly as an innocent victim of severe mind control and psychotronic torture that is invalidating and incapacitating me slowly...

This is actually the worst possible form of remote scientific torture that remotely monitors and tortures human beings with total sacrifice of privacy that destroys the human dignity and integrity in one fell swoop and destroys the brain and nervous system severely.

This is associated with severe psychological and physiological torture and brutal perverted sadistic deprivation. This has reached the stage of extreme psycho-terrorism. The details of these tortures are in my web-site at http://www.geocities.com/i_am_deb_2006

I would like to charge the devilish brutes with the following charges. Would you please guide me regarding this.. (I'm aware of the Article 21 of the Indian Constitution (Protection Of Life And Personal Liberty) and fundamental rights/individual rights/civil rights of an individual) but nothing more on criminal laws....)Would you mind giving me your valuable inputs in this regard.?

The charges I would like to bring against these brutal criminals are:

1. Draconian violation of Human rights.
2. Criminal violation of fundamental rights.
3. Severe intrusion of privacy through absolutely illegal, immoral and unethical means.
4. Criminal conspiracy and criminal public instigation of the worst kind.
5. Criminal character assassination, defamation and criminal denigration of the worst kind.
6. Illegal possession & indiscriminate use of the of the most dangerous electro-magnetic weapons of the world.
7. Extreme senseless psycho-terrorism that results in severest of psychological torture (aiming at making insane) and very damaging physiological torture aiming at local atrophy of body parts/death. This is associated with

extreme brutal perversion..

This encompasses these charges like :

- a. Voluntarily causing injury/hurt.(323)
- b. Wrongful Confinement (342)
- c. Criminal Intimidation (506)
- d. POCA, POTA and TADA

8.Gross misuse and abuse of power by influential and devils.

9.Brutal merciless mental cruelty and oppression.

10.Gross Violation of Intellectual Property rights.

11.Absolutely black marketing and international money laundering .

12.Smuggling of dangerous weapons and machineries for the use of dangerous terrorists.

13.Running of prostitution racket.

14. Running of mind control racket and human trafficking.

15.Ilegal international business of these dangerous weapons and machineries.

16.Ilegal procurement of huge land.

17.Illegal construction of underworld township for the mafias.

18.Providing a facility to the worst possible perverted psychopaths to enjoy a ‘Reality Fuck Show’ and ‘The Gladiator Show’ all over the world.

19.This is a heaven and a safe haven for the mafias, criminals terrorists, anti-social and a breeding ground for the worst possible perpetrators.

20. These filthy monstrous devilish mafia gang “agents” are basically selling our country’s privacy and security to the foreigner that severely violates the country’s sovereignty and integrity to such an extent that amounts to severe criminal offense. This is practically like selling our country to the foreigners and destroying it silently (They are making it a “guinea-pig land” in fact). But this is cleverly camouflaged with a huge amount of outrageous lies, hypocrisy and eyewash.

1.Why One shouldn’t buy the devils?

Please try to understand the obvious and see the “content” in my points mentioned beforehand.....

A few more points on how I see it....

1.This is the not only worst possible heinous crime of the world, this is the worst possible filthy devilish sadism.

Actually many a scoundrels were coaxed into this big hoax...

Not only that, if this is even acknowledged as a “caliber” then fundamentalists, nazis, terrorists and criminals should be getting some Noble Prize. Even the somewhat “scientific brains” involved in this exercise are at most the brains of some eccentric crooked “brain -hackers” and idiot devils, so please don’t get “bedazzled” by their “show”. Please don’t buy anything from these supreme scoundrels...

2.These worst possible scoundrels are all about “absolute black corruption”, “absolute black lies”, “absolute black money”, “absolute black power” and “absolute black crimes”...So please don’t buy anything from them.

3.These worst possible monstrous scum bugs of the earth don’t have any existence without this. They hide their “absolute blacks” by maintaining a supreme secrecy about everything and by creating a huge hullabaloo with insignificant, irrelevant mountains out of molehills...

4.Please keep in mind that, they are too corrupted and devilish to be taken as “ridiculously ignorant hypocritical brutes” only. They have turned into monstrous megalomaniac psychopaths long back.

5.Basically the “formulae” for this supreme underworld can be basically H4BP (The Big 4H’ s are Hollow, Hype, Hypocrisy and Hoax and BP for Brutal Perversion).

Desperately Looking for someone’s help in this regard...

NB: Please don’t take it as blabber from a schizophrenic moron....

This is to report you of an unprecedented organized crime & a case of absolute corruption and criminal conspiracy against me by a terrorist group who are badly damaging me severely through remote electro-magnetic wave & microwave rays and radiations.. Not only me, my house is also under attack as I could feel the presence of the “Shock-waves” through my Home giving rise to the effect of the Earthquake almost...

I’m very much frightened and appalled at the ferociousness & vengeance of the criminals who are very dangerous with the remote directed energy weapons (comparable with WMD’s,i.e. weapons of mass destruction) and are trying to destroy me brutally in the fear of getting exposed...they have also started dangerous Cyber Crimes against me and have stolen all my private information for cheat, fraud & identity theft..

I'm in dire distress Sir as I'm pathetically crying out in despair and the terrorism is going on unabated.. The frightening details which will send a shiver down one's spine are in my web-site at http://www.geocities.com/i_am_deb_2006 . The criminal threatening & intimidation about brutalizing is so appalling that it will send cold shiver down one's spine..

I've made complaints against them in all possible corners looking for help ..But no one has been able to help me out so far as it has become difficult to find out their hide-out place. The terrorists have most probably made a secret hide-out place near Salt Lake, Kolkata near some Corporation Bank Branch, and are operating from there ...They are involved in Extreme terrorism, Filthiest prostitution racket, Money laundering, Human trafficking, and all kinds of illegal businesses etc. They are like beastly slaves who are brainwashed to believe into all kinds of crimes & terrorism and act as sex-slaves...

It's all getting done mostly for the sake of a filthy Prostitution racket full of mentally subnormal destitute gangsters as hired criminals & goons. A few of the dangerous most gang-members are nick-named as "Buddha" alias "Saikat" ,"Arindam" ,"Pradeep" alias "Gov't Official" ,"Jaya" ,"Suranjana","Shantanu","Ashok Roy" etc. and their hired gangsters & associates...

To introduce myself, I'm a Gold Medalist Engineer and an accomplished Software Professional who was working in US when I fall pray to the cheap jealousy and greed of this perverted sick criminal group and because of them I'm going through a pathetically abnormal life full of pain, agony, anguish and suffering and pathetically bleak future. They are destroying and ruining my life from all directions and are selling the country's Privacy and security to the foreign terrorists..

In this condition I'm badly looking for protection and safety from any corner ...I would much appreciate any help in any manner and capacity possible ..

I pray to you to earnestly to save me from this extreme silent brutalization ...

31/8/08

My health condition is very poor that has confined me to my house for more than a month ... The perpetrators are manipulating people in and around my house and it's because of their concocted,fabricated,manufactured lies and instigation and provocations I had lost my job also ...and even in this helpless state doctors & my relatives are also getting manipulated by them and enticing everyone with their prostitute network to keep it going to the brutalest extent possible...I'm in a very pathetic shape ...and I would be grateful to someone doing something on my behalf in any manner and capacity possible ..

A few of the dangerous perps are nicknamed as "Shantanu","Arindam","Budha","Sutapa","Pradeep","Jaya" and all of their diabolically cunning associates hiding in a den near Salt Lake ,KolkataPlease see my attached document in this regard..

Sincerely, -Dev

Sub: Serious life threatening assault and Cyber Crime with Important Data Loss

Dear Sir,

This is to inform you again that I, Mr. Deb Chakraborty, a resident of Baranagar, Kolkata am facing serious life threatening destructive assaults on my life, property and electronic instruments with extreme vengeance from the mafia criminal gang I've reported earlier...They are damaging me like ferocious beasts as the authorities are not stopping them from this mayhem.

This is to report you again that along with tremendous life threatening assaults with poisonous chemical & heat radiations on me, they have once again deleted important documents from my e-mail account pathikdeb@gmail.com at 8:00 Am on 20 Apr, when I was working on the computer..

I'm facing criminal intimidation, threatening for blackmailing, and harassment from this criminal gang for long and they have hacked into my computer and e-mail accounts also to delete important mails and changed passwords before also (Compl on 7.4.2008 at Bowbazar Police Station) . I've lodged several complaints about them in Baranagar Police Station(G.D. No- 2168 dt. 24.3.2008) and also to Lalbazar Police Station, the Detective Department and Cyber Crime cell regarding this before.

In this hopelessly helpless situation may I request again to kindly pay attention to the pathetically helpless situation that I'm in to please provide me the safety, security and dignity that every citizen is supposed to get as a bona fide citizen of any country, as otherwise this is driving me towards a pathetically bleak future and complete ruination.

Thanking you,
Yours faithfully,
(DEB CHAKRABORTY)

Enclosed herewith is the copy of the required knowledge of the key aspects once more to stop this heinous crime/terrorism and to believe in the authenticity of my report about my loss & the essence of the technology making it possible.

DEAR SIR,**

I would like to draw your kind attention to some extreme and horrendous criminality being conducted with the involvement of several groups or international rackets who claims their association with the Non-Resident Indians and United States of America agencies(from New York) and the complicity, if not participation, of many other agencies.

I am a victim of extreme torture and abuse using DIRECTED ENERGY and NEUROLOGICAL/PSYCHO-PHYSICAL WEAPONS technology for the last 9 years which has destroyed my life almost and I'm going through a pathetically abnormal and painful life, full of pain, agony, anguish and suffering.. To hear my story would be

terrifying and bewildering to an audience unaware of the specifics of these crimes but these are all true facts. The criminal use of these on me are causing the following effects :

- Complex control of the brain & nerves
- Draconian violation of Privacy
- Severe torture and damage of brain, nerves and body parts through extremely harmful electro-magnetic waves(including microwaves, infra-sound, hypersonic and acoustic waves etc.) and chemical and heat radiation
- Severest psychological torture through remote manipulation of brain and nerves..
- Attempts to send shock-waves through my House to damage it completely.

and many others the effects of which are very dangerous and damaging ...I'm crying out in despair and desperately looking for help..

There is massive ignorance and secrecy regarding this, and victims such as me are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice.

Please treat this as an emergency Sir, as I'm in great danger, waiting for a dangerous and bleak future, getting invalidated and incapacitated slowly.., I pray to you to earnestly to save me from this extreme silent brutalization ...I'm frantically asking for help from all nook & corners but without any avail so far ...The people concerned are not applying their intelligence & authority to stop this extreme form of terrorism, which is great threat to country's safety, security, dignity and sovereignty also..

Sincerely,
-Deb Chakraborty

13/5/09

Thank you so much for your kind attention & activism in my case. Here in my country, I'm not getting any help from anyone mainly due to absolute lack of knowledge of such kind of crime & terrorism and due to the intentional propaganda & propaganda & criminal cover-ups from some jealous evil Indian "crabs" who have hired "psycho-nazi" foreign nationals for spreading this terror in this region too. This has become a safe haven for all kinds of criminals, terrorists and prostitutes with black money and money-laundering racket, and they are acting as devil's advocate to practice, preach & covering up of this huge amount of corruption and criminality. I sincerely hope that the authorities take some immediately action to stop this terror and heavily punish those involved in this criminal conspiracy & extreme criminality/ brutality. Would you please take a look at the attached protest letter to support for my cause and would you please spread the cry for help as far as possible..

15/7/09

I would like to thank MCMail team for their kind activism for Mind Control victims of India. But I would like to caution in here of a very cunning satanaic eyewash & propaganda in my name Intrenet/ Orkut by some Indian criminal gang who are trying to fool the fools and fox the fox and it's only those people, who are involved in the horrendous crime against me in filthy vested interest .. If you have come in contact with any such person please give me his name kindly as Police & Detective department is looking for them for this crime.Please believe that no one would be hiding like a criminal mole and do this amount of brutality on someone even if he/she has got any issues regarding me.. These are nothing but criminals and terrorists who are doing everything in filthy vested interest only ..

NB:(Very sorry though that I was having some difficulty in hearing and comprehending somehow)

Actually here in India we have got no facilities for any kind of protection and I'm actually facing the wrath of a filthiest group of Indian Bengali NRI's who targetted me long back in US, because mentally retarded jealousy and greed. They have smuggled in all the weapons and the criminals from differnt parts of foreign underworld

(especially US and UK) to make it den of supreme criminal underworld in here in Kolkata ... It's a completely different story altogether for my case .. No I didn't have any implants of any kind and I didn't face any racial hatred of any kind in US too..

It's mainly because of the interest of some Bengali Criminally Sick Masterminds this is going on .. Their names are Pradip, Shantanu(from New York), Arindam (the cunningmost local Satan from Behala, Kolkata), Jaya (from Saudi Arabia), Ashok Roy (from New York), Buddha (the deadliest local gangster), Crompton (as sick Pseudo-Nazi Scientist from US) and a whole lot of mentally ill sick scums from UK.. It's because I came to know about them they are brutalizing, exploiting, and criminally defaming and denigrating me for long near the Khanapole area of Salt Lake, Kolkata, in a prententiously named "Defense Colony".. But the detective departement is not active enough to find them out still now ..

18/11/09

The criminals have deleted your mail even right now as I was trying to reply to it, as the mail you sent last time in support of my complaint is causing them some troubles.

Yes Mr. Mondal has contacted me long back but he is also in a bad shape...and I tried to help him as much as possible .. but not able to do much for myself even because of the ignorance, illiteracy and vested interest of Political Parties at the time of this political unrest in here in here..

It will be of great help if Vijay sends some mails to Calcutta authroties in support of our Case..

I just would appreciate if you can send some mails from activism from point of view to the Calcutta/India authorities clearly stating the following points clearly.

1. Although completely unknown to the third world countries, this kind of Crimes are on the rise in India also , and are known as DIRECTED ENERGY WEAPONS CRIMES ..and we, the victims are suffering very badly because of lack of literacy, ignorance and apathy of the authorities. These are heinous crimes which needs to be taken very seriously and the victims should not be rejected based on normal sense and experience. Educating yourself through published literature is the only way to go. (Also in here, there is no excuse of "experimentation on a human being" from Govt. like the First World Countries exists..)

2. The main proof lies in the "modus operandi" (i.e. mode of operation) of this kind of Crimes and uncanny similarities in the symptoms that the victims experience and the unaccounted for terrible health diseases that is afflicted through these crimes .. All kinds of harmful EMF radiations cause a great damage to human health and the Voice to Skull Torture is so intolerable and damaging.

3. SO ACCEPTANCE OF THIS KIND CRIME IS SO VERY IMPORTANT IN HERE.

So harping on these two points are very important :

1. ACCEPT THE CRIME AND IT'S WAYS AND MEANS FIRST ..

AND

2. ACCEPT THE VICTIMS AS VICTIMS IN DIRE DISTRESS AND PLEASE DON'T IGNORE/REJECT them as psychiatric patients or something.
4. The dangerous and damaging effects of this crime ..
5. The world wide press release on this kind of crime is given in the attached flier..
6. The measures/ resolutions taken by authorities to outlaw and remove it .. like

THE ACTION

The European Parliament passed a resolution calling for a worldwide convention to effectively ban all weapons for human manipulation (resolution on the environment, security and foreign policy A4-0005/99 January 28th 1999).

The UN Institute for Disarmament Research recognised non lethal/mind control weapons and listed them as weapons of mass destruction, recommending they be banned. This information was circulated to the worldwide media, politicians etc but was ignored.

The Michigan Govt. has outlawed it with 15 yrs of Life Imprisonment etc.

Other Worldwide protests, bans and activism to remove this evil satans.

I hope you got what I'm saying ..
Thanks & Regards, Deb Chakraborty

Would you please update my info in the torture Case Summary of Indians....Yahoo geocities site has been closed

It has reached an absolute dead end of torture for me in here ..Please send some activism mails to the "morons" to make them believe in the points I've mentioned earlier .. The Political parties and their purchased Police "gang" in here are taking absolute advantage and playing a "political-game" of sort , to justify it even more cunningly , for all evil casues, to the people who could have made a little difference in here...

Thank you very much for your kind activism for this cause, that has ruined lives of people like me completely and the psychotic criminals who are behind me in here in Kolkata, India, are cherishing and relishing the fact that they are just fooling the fools and foxing the fox very easily as there are very few in here who even talks about us and understands the dangerous & damaging torture.. I'm still alive due to God's Good Grace only, but that is only as of now..I don't know what's going to happen to me next.

I will appreciate any informations about lawsuit against these criminal, who has got absolutely nothing to do with any kind of research and are getting enough black money from illegal US & UK agencies in here to do this kind of psychotic crime & terrorism only in vested interest and out of jealousy & greed. I'm enclosing my torture case summary herewith. I've got

a reply from International Criminal Court also in this regard which is very generic in nature.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am in Singapore. It all began in 2006, towards the middle, so it's 1 1/2 year now, judging by the number of media outfits involved, it will continue for 3 years since that is the requirement under tort law in common law countries for dismissed cases. I am being indirectly compensated since a lot of my studies have been indirectly funded (not that we need it, I think my 'scholarship' is compensation), but I think our family was duped, they got off far too cheaply after what they did due to their suspicions. Unlike so many TIs, my case was purely speculative and was completely wrong and they know it. Since they got my folks involved, there was no turning back on the compensation issue, I wouldn't even be surprised if I landed a comfy well-paying job easily after this with a paid-for PhD degree.

Let me also tell you about the system. Neuro charges are one-off data-packets, so whatever you feel in your head or areas of the body, it's one data packet per charge. When your muscle twitches, there may be two or three neuro charges. One in your head, the others in your body, hence you feel interactive with this thing, but it's still a charge nothing tangible and if you get spoken to, it simply releases a number of charges (one each) can be ignored. And you need to be sleepy and fatigued for it to work well, or very angry, I think. Just stay calm.

Instead of asking for help, there is a need for an international forum to inform TIs how to manage their lives with this 'intrusion'. You would be surprised how much of it all is simply 'clever' guesses of your decision-making after a while of study of you.

If you are one of those who have had the old tv interaction or feel followed, initially, these are genuine neuro impulses, but the BCI 'records' these neuro activities and all they have to do is re-play these charges to get almost instant results (2 metre effective range) - to make you feel followed, sad or even other more intimate forms of feelings. So, if you think logically, there isn't anything there - as if playing a recorded VHS on your neurons. And since you are so convinced of the gravity of this intrusion, you do not recognize how small these things are as influences. So you keep going on and on how it's the NWO or whatever, when all it may be is some divorced loser upstairs or next doors playing to your fears. i just don't know where it's implanted, I think it's on the shoulder though hence direct access to your brain and spine. With a couple on your legs for those twitches. If you find out, let me know.

Trust me, it can be ignored. I have been doing so, in fact, it's very very primitive and *needs* your participation in the successful implementation of the ANN (artificial neuro network - google it). Your bugged appliances are only to tire your brain and make you sleepy.

So, if you can spread this message, about the correct terms - WBAN, ANN etc, it will do us all very good and the case, don't align this case with the 9/11 inside job conspiracies or UFOs, it will not help. We need to correct our own people before we make a fuss about it all, so TIs must learn to manage this before we co-ordinate our activities, imagine if you have PhDs making their cases to their respective governments after credible research?

One fax will finish their little job.

It will do it all, but for now, we either find the evidence within, tangible evidence or simply help others manage this rather primitive technology. I am doing the latter, I suggest you learn how to manage yourself and then help others with information until someone knows where exactly this thing is implanted.

(p/s please take note that this little technology does induce fake schizophrenic me vs. the world syndromes. AND with a couple of idiots making sure that you see them act purposefully, combined with what this thing does (replays your anxiety), you will get sucked in. Even a kid pointing at you will look like a convincing conspirator, ignore always. If they are serious, they will show themselves and then it's glory for all, I assume you'd whack their teeth in - because that's what I will do...)

Just ignore that damn thing.

I have more or less been in the position, it didn't stop me from completing my Masters degree and perhaps a PhD, next year or something. That's what is wanted from you, to pursue aimlessly like a headless chicken and make such scientifically unverified claims.

You are **not** hit by stupid government agencies, and there isn't any conspiracy theory. Read the paper, it's called a WBAN wireless body are network and these are mere neuron charges... that means they do **NOT** have prolonged effects. If you ignore it once, data packets will be needed to be sent again, and that takes a while. You are too conditioned and you do not realise these lags. It's not continues...

Live your life and stop wasting time running around aimlessly, they've won the battle having you embark on this mindless pursuit of 'governments'. It will never work, this help will never come. Because none of us a of the Ivy League.

You need money, that no one has at the moment, so explore and maintain your own defenses. That's all the help I can give you.

10/4/09 - Re: PLEASE SEND YOUR TORTURE AND ABUSE CASES TO THE INTERNATIONAL CRIMINAL COURT – use Reference: OTP-CR-70/07

I did send a email for your case to the officer, supporting it in terms of the common availability of this technology and emphasizing the need for a legal framework for this. I haven't received a reply, so most likely it isn't their priority.

Anyways your legal priority at this time should be not just your own predicament but firstly, you should prove the existence of this 'technology' and how it's available at **every** major university or engineering faculty. Then I advise you should then prove your case of how common and easy it is to apply this. Your argument should be that it's **common** not uncommon or rare.

You should then present your case with evidence as attached to you. There is usually a combination of available technology behind such cases - usually a combination of neurophone for sound perception and visual perception, and the bone conduction method for sound perception with a BCI and basic networks (nodes) in a wireless environment. It's very common.

Then there is the question of motive - where I advise that you reflect on your own case. The motive and intent, in law allows prosecution. In your case, if you state that the government or UFOs or whatever are behind your case, it's a loser. So, you should ideally state in your case that you have no idea, however, the legal intent has been to purposefully delay evidence for more than 3 years, as permitted by Aussie Law (Singapore Law is similar) in an attempt to obscure available evidence to evade criminal prosecution.

In a good majority, if not all of such cases, the reason is to distract individuals for 3 or more years until legally acceptable evidence becomes obscure and the court wouldn't accept them at all. Of course, along the way, since the idea is to induce artificial schizophrenia, the idea of a medical record will help their cause, in all cases is legal.

Good luck to you and hope you get something from this. The least you should do is get the court to help you contact a certified expert in this area (and engineering, I would suggest wireless WBAN, this is very easy to point to, you may be considered) and probably a medical examiner aware of this.. Your implants, as in all implants are on

your legs (thigh and lower legs, two sets l/r), your upper arms and above your shoulder.
All the best,Raj

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Regards
Raj

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

24/2/15

Dear Sir/ Madam,

This is a letter I wrote to the prime minister of India for his urgent attention to the brutal torture that we are facing for years through satellite technology. Please circulate it among al other victim so that we can make a concerted effort to eliminate this crime from the world. Please find the attachemnt herewith. Donot hesitate to contact me if you have any query or questions. Personally I feel the criminals are to flashed out from the world so that not only they but their generation after generation cannot dare to think of committing this kind of crime against any living entity.

LETTER TO THE INDIAN PRIME MINISTER

To,
Honorable Prime Minister of India
Mr. Narendra Modi

Dear Sir,

I would like to draw your kind attention to a specific case for which I and my family are being victimized since December, 2008. From visual spying of every details of my life, it was developed into an acute and continuous audiovisual spying with very specific shock response specific to my action and speech and it has been happening all over the world irrespective of my location in land or in air. I think this is happening with all my family members including my 7 year old daughter who is an U.S. citizen now staying in India with her mother. I have been working as an Assistant Professor in the department of Ceramic Engineering at NIT- Rourkela since 2011 and experiencing this torture continuously all through my working career at NIT- Rourkela. A brief detail of the features of the technology that is being used against us is given below.

- (1) Acute audio visual spying
- (2) Even a little bit of whisper from mind can be detected
- (3) Impulse can be directed towards the specific part of the body
- (4) Different kind of sensation like pinching, itching, hard impact etc can be given to my body that have gradually become very much specific to my talk, whisper and activity.
- (5) Can give pain even in internal organ of the body
- (6) Can suddenly give tremendous pain to my neck by bending, twisting and stiffening it so that I cannot erect it.
- (7) Can accumulate smell from one part and spray it to other specific part
- (8) Can control the performances of my brain. Can make me sleepless night after night.
- (9) Can attack me with different hallucinations and dreams during sleep because they might have a control over your visual cortex.

I believe virtually all symptoms are caused by a satellite connection with our brains.

In brief, they have virtually crossed all limits even almighty God cannot dare to cross. A 24 x7 hours of continuous control over anything that I talk, do and even think.

I do believe that if Government wishes to end this crime, there is no power in the world that can stop it from happening. After all, these are only evil sources with very weak mentality, those have no real power. So, common people even with ordinary brain cannot defend it. Above all, there is no motive behind this kind of hideous, horrendous crime. I also believe that Government should have a control over this kind of satellite technology, so ISRO might be helpful in this regard to detect and find the criminals. Also, if this technology is under the control of Government, the same can be used to detect the criminals. I can give you a suspected list of criminals in this regard and if this technology is tested against them even for an hour or so judiciously, one can easily go to the roots of the crime. Basically, ultimately it depends on government what way they would like to think on it. Whether we want to go to stone age, where men have no security from any attack from nature or surroundings or else we want to live in a healthy and secured world. Again resistance may come from different sources to mislead government into treating this as psychological disorder, but if anybody thinks wisely that so many people not only in India, but all over the world are being affected with same kind of symptoms and which has been classified and proved to be because of attack using psychotronic weapons, then one can easily understand the fragility of such evil resistance from evil powers. And also to treat this kind of odd and awkward symptoms to be of any psychological root is also a crime in itself. Hence, I would like to request you to consider the gravity of the situation which is no less than people losing his/her right to live, think and act with any kind of freedom and being tortured mercilessly and take appropriate steps to eradicate these evil sources from the earth.

Citizenship – Indian

Year I was tortured,mind controlled and harassed is 2011 -may 2013

I have been drugged , mind controlled,tortured and harassed by the national security agency NSA until I flee the UK to come come back to india. I was discredited as a psychosis patient by the NHS. The police facilitated my plight at times forcing me into house arrest and putting me into mental hospital. I know from colleagues and friends who told me that medimmune is responsible for employing the NSA . Colleagues tried to warn be about what was to come but in vain. I was so drugged and did not understand . I remember men coming into my room at night, they had headphones. On the last day my torturer came and told me the whole story and told me that "you will be awake from tomorrow". He told me about the involvement of NSA, about med immune hiring him, how my housemates were NSA agents undercover, and how I was hypnotised to keep my eyes shut in the night And this helped the NSA agents. When I woke up the next few months I felt mind raped, felt eyes watching me, believed people could read my thoughts and all my memories of what people warned me had come true. I went for help to the police but they only drove me to mental hospital where I was sectioned and imprisoned.

I was later framed by adding daterape drug and taking me to hospital. My story is very long.

Because the government agency is involved no one will help me. But as far as I know its a violation of my human rights. My story is very long. Men took advantage of my situation and now there are many sexual videos of me circulating.

Dear Sir:

I was working in Bahrain untill last July, I spent about 6 years there working as a genetic lab technologist at Bahrain defense force hospital, in Bahrain there is a lot of troubles happenning over the revolution there.

I have press activities and I wrote many articles about equality and justice, one day I talk to one of my colleagues about corruption and injustice in Bahrain (all people working in head positions and other positions that do not need experience are relatives and there are only 3 or 4 familes there controlling everything and get advantages over all other people) somehow the hospital management know about that and they give an order to my Colleagues to chase me and to talk about me when I become near them (mobbing), they isolate me (nobody talks to me except if necessary) later they give an order to my neighbors too to start chasing me and spying on me.

After that I went to the dentist clinic in the hospital, it took me a while but I discovered they planted a small chip in a place of a removed tooth. Later on I found them knowing everything I am talking about with my kids.

I resigned and came back to Egypt soon after the school year finished, but surprisingly I found the same treatment happening to me here, they hired somebody here again to chase me and spy on me and make strangers roam around me.

They never leave me alone they spy on me 24/7 and I have no idea what I had to do or who I can trust < I wish I can get your help

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of United States Government-related Agencies and the complicity, if not participation, of many other governments and security agencies.

I am a victim of torture and abuse using DIRECTED ENERGY and NEUROLOGICAL WEAPONS technology.

The criminal use of these on me are causing the following effects -

1. Heating my head when I am sleeping with the use of Electromagnetic Radiation and Microwave in order to destroy my memories and gain their what so called re programing again
2. Directing sharp concentrated microwave at my eyes to prevent me from sleeping whenever they don't want me to sleep.(which has left a permanent marks on my eyes)
3. Torturing all over my body again to clean up my memories and gain their mind control purpose.
4. Directing microwave at my hearth

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

19/02/08 -

In 1994 I went to Canada and 1997 they accepted me as a refugee. Not knowing what was awaiting me I thought that all my problems were over and I was going to live a happy life. Somehow for six to seven years the life went on as I was expecting, studying working and so on. In March 2001 the preps which I believed they are CIA and the CISS of Canada agents targeted me for the first time when I was living in Toronto, Ontario and that was the beginning of most horrible era of my life. First I wasn't sure what was going on but it started with horrendous nightmares every night, then I realized some people that were following me around, residing beside my apartment and coming to my work place before that happens were CISS and CIA agents.

After that I moved around and every 5 to 6 months I changed my apartment but they always targeted me and I only was able to run form them whenever I wasn't sleeping in my car or in my apartment. But from 2005 they never lost me for one minute and that was when the horrible tortures started, they were directing sharp microwave at my head that I had to remain still and can do nothing. I wrote a letter to Paul Martin Prime Minister of Canada at the time and sent copies to my doctor and UNHCR but it reached nowhere. Later they increased the torture by directing sharp microwave at my eyes and ears. It was absolutely unbearable my eyes were turning red full of blood and I lost almost 1.5 of my sight. At that time I was working for a pizza store as a pizza maker and I found it impossible for me to continue my work there or live in Canada. So in April 2005 I left and went to India, unfortunately they reached me there as bad and the harassment continued, after that I moved to Iran to Turkey and U.A.E. but they are still torturing me. Sometimes they don't let to sleep for two consequent nights by directing microwaves at my eyes, abdomen and other parts of my body.

When I look back to see what went wrong and what was my mistake, I can't exactly figure out, maybe I shouldn't had gone to Canada and just had stayed on the stove instead of jumping into the fire.

I am not sure if they are tracing us by our DNA or there is an implant. There is a possibility of implant because when I am praying, running, playing soccer and some other times they are able to increase my heartbeat and even

one time when I was x-raying my right foot there was and small object showing in the sole of the foot but when the clinic did another CT scan there was no trace of it, in which I guess they are able to move the implant around.

Why the torture us? Well, please read the enclosed document about a project called MKULTRA. You will realize that they used Electrical Shocks and LSD at that time to brain wash the victims, now they are using torture and electromagnetic radiation instead.

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice.

This is an emergency.

Hello Dears;

You may heard my stories before but now they have started a new torture on me. Every night at middle of my sleep from 4 to 6 am they start burning different place in my body. It feels like a hot needle has been put on that spot of my body. Whenever I cover the spot that they are burning it with my hand or aluminium foil they immediately shift to another place in my body and they make me to suffer for 2 hours of that burning pain. What they doing is not illegal according to the U.S. law, because there is a Congress approved law which allows use of Electronic torture and chemical substances on human subject by the Intelligent Service for research purpose.

God damn them!

I was in Turkey (Istanbul) last year, I still had all the problems, but I heard that the CSIS and CIA has taken Mostafa Hosny and some other victims off the list and left them alone. Other victims that I have heard so far and are free: Liza Parker, Victorious Heart, Nicola Andrew..

Good Luck and Freedom to everyone!

Dear All;

I am working in Dubai, few days ago I realized that one of the perps is watching me for few days. On Monday November the 17th when I was getting in the bus the same person came and lined up behind me, when I got into the bus I realized that my wallet which was containing my ID card was stolen, and that person has disappeared. The next day someone had broken into one of my Iranian client and had stolen his passport from inside his briefcase. Today again they had broken in the same car and stolen some copies of my passport. Anyhow I don't know what they are planing but I wanted to warn all of you to be careful and keep your IDs in safe place specially if you are carrying foreign IDs and passport.

CIA SECRET EXPERIMENTS.

It's the height of the Cold War and the United States government is desperate to combat the spread of Communism. The CIA launches a highly classified, top secret research program into the covert use of biological and chemical agents. In simulated attacks on enemy populations, entire cities in America are contaminated with bacteria, exposing millions of Americans to germ warfare. But the real focus of the research is on mastering the art of mind control. Psychiatrists at top academic institutions work under secret contract with the agency. Psychiatric patients, prisoners, even unwitting members of the public are exposed to a startling array of experiments designed to facilitate interrogations, induce amnesia and program in new behavior. Every psychological technique is explored, including hypnosis, electroshock therapy and lethal cocktails of drugs. What was the extent of these brainwashing experiments? How did the CIA become involved in such far-reaching and disturbing research? Join us as National Geographic presents: CIA Secret Experiments.

DEAR SIR/MADAM

20/1/11

My Name is VincentGeorge, an engineering graduate from Bangalore, aged 45 years, I am married and have a 14 year old son. I have something to share with you which i am experiencing, I was in the united states during 1997-98, during this time some group of people used to follow me where ever I go infact the same group of people used to stay in the same hotel which i used to stay. my work involved too much of travelling depending about the project. i was working as a consultant for a software firm called Sahana Enterprise INC, which is a indian firm Located at Dallas(Texas), they have a company in Bangalore the name is Novell Team and the owners name is MalliSubbiah, who is now operating from bangalore.

During this time at one instant when i was in the hotel i had slept for nearly 24 hours during this time i dont know what happened, from the next day onwards I started listening to voices in my ears, some group of people conversing with me, they could sense my thoughts and converse with me, it was really surprising to me. infact i told so many of my friends about this but no one believed me. but i was mentally and physically alright. I was scared and returned back to india for a 15 day vacation. while i was travelling in the flight the same group followed me uptil bangalore and after i reached bangalore i went to my house and i dont know where they went, i was infact scared to ask them why they were following. but sensing my thoughts and conversing with me was still there. during my stay in bangalore there was a continous phone call to my residence as to come to virginia MCI metro as there is some urgent work. i was not prepared to go back but then the middle agent was forcing me to come urgently. after i went there the same group of people was there in that new project, i was not dare enough to ask them who they were.

Later I realised that they have implanted a bio chip into my body and sensing my thoughts and conversing with me, I was not given any work at the work spot but they were conversing with me remotely and also they started controlling every part of my organ both voluntary and involuntary organs, i became too scared and i wanted to return back to bangalore(India), with in one month i returned back to india even while coming the same group followed me in the flight i came to india on july17th july 1998 after which i did not go to any country.

but till today that same conversing and torturing my body did not stop i have been suffering from 13 years from this problem, they are controlling every part of my body right from head till the toe, giving me severe pains and they threaten me of dire consequences if i tell this to anybody. I am basically a courageous guy just because of that i am still surviving, if any body were to be in my place they would have either become mentally retarded or committed suicide. they are not letting to do my normal work and interfering in all my activities and torturing, they can torture any part of my body by giving severe pains in any part of my body, they can blind eyes, make the ear deaf, severe pain in the head, they can pierce, poke and give pain to any part of the body, including sexual organs, they can control sleep and read dreams, they can brain wash and make lose memory, they can control metabolic activities in a body, they can paralyse hands and limbs, they say they can even see what I see through my eyes, I myself cant believe it, but I am experiencing this torture since 13 long years, they threaten me,they say they have invested lot

of money in this research , and they expect me not to tell this out to anybody, all which I mentioned is a fact which is happening to me they have spoilt my whole life by torturing me and used me as a tool for their research and test. I am very sure these group is in bangalore and operating from here remotely, they talk to me in my ears clearly from a remote source, they threaten me that they will kidnap me and my family members if i dont heed to their request, they say they have very big network all over india and world so that they can perform any illegal activity, they also tap my telephone both my mobile and landline, they are able to interrupt and disconnect the calls, at one instant they interrupted and disconnected my outgoing and incoming calls 12 times continously after speaking in my ears, they say their network is so strong in india that they can do anything here in india,they say they can tap any telephone network with the device they have, all that they need is the telephone Number of the person. They say they can interrupt any electronic network remotely which is connected via satellite. They say they have placed a bio chip in my body and they are able to read my mind remotely and control my whole body remotely. I have lots of supporting documents which I have downloaded from the Net, where such things are existing in the U.S .which i can produce when required where such illegal activities are still happening in the U.S. they target the Asian community for their research purpose, this is a serious matter which has to be investigated, otherwise there will be lot of such cases will happen in india by the Americans. they take indians for granted. the group of people who converse from a remote source are americans and two of them are indians one lady and one guy. they say mallisubiah is the person who act as a agent to supply candidates to them in the pretext of giving employment to them in the united states. and also i was given to understand that mallisubiah who is the owner of NovellTeam located on BTMlayout Bangalore has provided the infrastructure and all the requirements in Bangalore.

Dear Sir, this has to be really taken seriously if left unnoticed there will be lot of such cases and illegal activities which will happen in our country by americans and foriegners, please do not take it lightly, I would like to need your assistance, how to go about fighting these evil perps..I will be grateful if you can provide me your valuable time to avoid such crime in the future.

Yemeni Blogger Nashwan Ghanem Committed Suicide Due to Organized Stalking Activities and Electromagnetic Harassment

In mid October, 2010, Yemeni blogger and human rights activist Nashwan Ghanem committed suicide due to organized stalking activities and electromagnetic harassment. Having examined his blogs posthumously, I realized that he had suffered intensive organized stalking and electromagnetic harassment that forced him to death as a choice. The victim had described the organized stalking in his blogs. Some translated examples are the following:

1- "I have come back today from Sana'a through a very, very difficult journey full of intensive security stalking from one bus to another," 2- "The authority has used all methods of pressure it has and all ways of forgery and falsehood. It set up a military checkpoint in my area whose main duty is to chase me. Also, today, they chased me with Saudi-numberplated cars, with the handicapped and with military patrols," 3- "Any internet café I enter, its owners start to 1) turn up the loudspeakers to the maximum, and 2) open the windows of the café....Whenever I walk along the street or sit down in a cafeteria, all windows of homes get opened. What is this that happens to a

blogger?"

Among his blogs, I found some which were, I think, translated for him into English. The following are some examples written here as they are:

"The authority had not exercised such a nefarious, such as pursuant to never do with my rights activist and writer blog!!

More cases every day, whether the task is not to eliminate this power only on the life of this human rights activist, It is playing a very dirty and the worst methods used to achieve the object

..And use all the pressure to have the papers, as well as exercise and a large-scale distortion to strike an alliance or solidarity with me! Crew did not stop the military patrols and not following me and all I have to say that it bears responsibility for what is happening to me" He had sent appeals to human rights organizations including Amnesty International. Please see this page:

<http://community-en.menassat.com/profile/3n41zgebk3zmw>

Nashwan was aware of these activities but he was wondering because they seem to be very strange and victims do not get support. He could describe them but could not name them. I believe that all this was done in coordination with the mind control/electromagnetic harassment which drove Nashwan to commit suicide with a rifle at his rural area after he was forced to leave the capital city of Sana'a due to covert harassment. He did not know about this technology and therefore could only describe the apparent harassment that he saw.

Nashwan was a communications engineer and a Yemeni blogger, well-known in the blogging community. I knew about him some time after his death through a friend of mine and started to read his blogs. I tried to outline some instances of his torture whereas he mentioned many forms of harassment.

The increasing number of suicide cases in Yemen is very alarming and many of them are believed to be caused by covert harassment and torture.

Name: El Matili Hassan

Location: Morocco

I am writing this statement to report my experiences which began in France, in Paris.

My experiences force me to believe that I'm a victim of mind control experimentations. I believe I was implanted in the mental institution "Maison Blanche" during a consultation in Paris as I was homeless, depressed and hopeless.

In 1986, a few months after going to "Maison Blanche" for just a consultation I heard on the radio a voice repeating my thoughts at the same time! First shock! (First experience with synthetic telepathy).

In 1988, I was gangstalked in Paris by red cars, too much red cars and white cars also, and people dressing in red and blue, too much people dressing in red and blue. It was crazy, everywhere I went I saw red cars but too much red cars, I could walk a lot and see those red cars, back and forth, honking and people walking dressed in red and others in blue, too much people dressing like that. People dressed in blue appeared always the first then those in red. One day I decided to follow them but as they came randomly and could come from anywhere to anywhere, I stopped walking and I took a look around me and I saw few people in blue, so I followed them and suddenly the numbers of these people dressed in blue increased and were coming from anywhere. I was surrounded by people in blue in few minutes. It was really weird! Then people dressed in red appeared so I followed the first ones in red and then few seconds later I was surrounded by people in red like with the blue ones, at the same time people in blue lessened. I saw also red cars honking. I was so confused, I was never surrounded like that by so much people dressed in red and blue. I wished I had a cam at this time to record that.

Before my targeting it was not a problem to see red cars or people dressed in red and blue. I even liked to see red cars especially beautiful red cars deluxe. Seeing people dressed in red or blue was not a problem either. The problem was that during the gang stalking there were too much cars and too much people in red and blue. Something was wrong, weird, it was not normal, it was not like before when I saw only times to times red cars and people all dressed in blue and others all dressed in red. There were also some gestures, always the same gestures repeated, too much times too. It could not be a coincidence. Weird gestures like sticking out one's tongue or looking at their watch or staring at me and also looking back at me, people who before me were looking back at me. The frequency of all this was too much for me!

This confused me so much, it was really weird and it really freaked me out! I was so confused, like I was in another planet where everybody was watching me constantly. This was very bad and hard to live with this especially as I didn't know about organized stalking and surveillance and mind control.

This organized stalking/street theater and surveillance lasted few months in Paris, France.

In 1989 in Morocco, I was gangstalked the same way that I was in Paris, with red cars and people walking in the street dressing in red and others in blue and it lasted few months too.

That street theatre with red cars and people in red and blue was created to make me feel a sensory disorientation and also increase paranoia, anxiety, despair, distress.

I think also they were observing my reactions, in order to make a profile, a pattern of my behavior....

Here are some of the symptoms of mind control I have to bear (it's based on a survey I did, so I took the technical words like synthetic telepathy and I describe them by giving some example of my own experiment the best I can) :

A) Synthetic telepathy:

I have voices in my head but voices also around me, both done by v2k (synthetic telepathy), I guess. About the voices in the head, I have different voices of different intensity from the lowest level (for example when they can even mimic my inner voice) to shouting (when they shout in my head with their voices). The first years of my targeting (I consider the first years of my targeting from the first year to the fifth year or even more), it was really bad (in fact it still too bad but I get used to, I adapted), they were talking non-stop without stopping one minute (crazy!), like they wanted to not let me think, feel and be, to take over my mind, like a non-stop invasion/rape of my mind to make me go crazy, break me down and on and on... Now it's the 25th year of my targeting and they talk time to time in my head not like before non-stop without stopping one minute but still constantly everyday and night. They prefer when I'm tired, before sleeping and after waking up, when I'm weak after physical assaults also. But also I became used to the v2k, I've learned how to ignore it and I've a lot of practice in ignoring though it's not easy to ignore really. I cannot ignore totally, it's impossible, it is rather like not paying attention much as much as I can. But also maybe my perps reduce the v2k in my head because as mind control is a process, I'm in a different stage, different than the first years. So in comparison to the first years they reduce the

v2k in the head but they didn't reduce the voices around me (also done by v2k).

About the voices around me, they use many tricks with their v2k to make me feel like everybody around me know things about me and even could read my mind. They use people's voices for their tricks, people I know (family, neighbors, friends..) and people I don't know (strangers in the streets or everywhere I go). My perps make me hear people talking about private things that only I know, things I've done alone, for example and even thoughts. It's a trick to make me feel like people is talking about me, know some stuff about me and even can read my thoughts. For this I think perps use people's voices around me and put their words on it with their technology.

There are several kind of tricks they use. About the thoughts, it's like my perps broadcast my thoughts around me at the same time so I hear people's voices around me repeating my thoughts at the same time(I think it's a kind of broadcasting because it's sooo fast!). About things I've done, my perps use people's voices around me to make me hear people saying words about things that I've just done for example. And there is no coincidence because the same words about things I've done is repeated too much times and in different places the same day. They do the same with TV(also the radio but I don't listen much radio anymore), most of time on films, using the voice of actors to make me hear voices from the TV repeating my thoughts at the same time or words that perps want me to hear. My perps make me hear voices during my sleep also. In that case, when I'm asleep, I feel like it's kind of hypnose.They can also make me hear any sound, the ring of the door for example, they did it to me several times while sleeping.

In brief my perps can manipulate any voices around me but also any sounds (from for example TV, radio, the running water, music, a dog barking), awake and also asleep. And they can talk also directly into my head.

That is basically my v2k(synthetic telepathy) in its many and various forms.

B) Sleep deprivation: Though I need to, it disrupt my rhythm of life. It's sounjust, I suffer so much and I can't rest, even sleep, they are so inhuman,evils, with their brain interface machine which never sleep.

C)Seeing dots of light white, red, blue that don't let you find sleep accompaniedsometimes with sleep deprivation, sensory deprivation and hearing voices. Letme tell you something about sensory deprivation, it makes me unable tofeel, understand also, for example, listening to the news on TV, when itsuddenly happens, I feel nothing, I just can understand the news, even thethings around me at home I cant feel it, so strange, horrible feeling, like Iam not human anymore.

D)Seeing holograms: it often start with those dots of light, the white one, thenas I am focus just a little bit ,against my will, on these dots of light ittakes shape, threatening shapes, frightening shapes; that s makes me shoutinside. It moves, it's like a cartoon, a nightmare-cartoon. Actually they don'tsend me dots of light, they send directly frightening pictures as I want tosleep with these techniques, no more shape, but faces, frightening faces and itcomes suddenly and rapidly, the picture doesn't last, it appears suddenly anddisappears rapidly, I guess the mentally ill perps are watching my reactions atthis moment, I think also that perps don't need no more of those dots oflight to create their holograms, now dots of light, blue or red, I see themjust only on day.

E)Sleep induction: Though I don't feel the need, often accompanied with itchinginside eyelids, disrupt my rhythm of life and prevent me to make activitieswhen I feel the need to, perps just want to break my life.

F)Controlled dreams: It s a dream but not a real one for me, it s like thequality of the picture is not the same, hard to explain, unpleasant dreamssometimes nightmares. For example when they makes me dream hands in whitemedical gloves touching me, (just white hands, I've seen on the net that handsis a symbol in mind control and free masonry) this controlled dream of hands in white gloves makes me moan first and then shout, then I wake upand it hurts on the back of the head and on the back of the neck and I feel soexhausted that my day have even not begin yet that I'm already tired. Also as Iwake up I feel like a zombie and it can last until the rest of the day.Sometimes when I wake up like that, the perps control my body by motor control,they make me walk (at home), move my arms, my head, my eyes, my tongue, so asI'm so weak they play with me like they play with a toy, a robot, azombie-robot, I call myself sometimes ironically a robot in Rabat (Rabat is theplace I live now, the capital of Morocco).Controlled dreams and electronicdissolution of memory caused me osteoarthritis of the neck, one morning I feltlike I couldn't raise from bed; it was like my neck was concreted. When I sawthe doctor he told me after x-ray that I get osteoarthritis of the neck, it wasin 1996.Actually they make a lot of controlled dreams with electronicdissolution of memory, by controlled dreams they can see my reactions onsituations they create, but also and this worry me a lot, I suspect they lookfor a way to program some shit during these controlled dreams, but with theelectronic dissolution of memory I can't think and remember well. Also each time I wake up after controlled dreams I get severely bloated.

Since several years the perps do the controlled dreams and electronicdissolution of memory during my sleeping,

then I as wake up it hurts on the back of the head and on the back of the neck and I feel so exhausted that my day have even not begin yet that I'm already tired.

One morning I couldn't raise from bed; it was like my neck was concreted. When I saw the doctor he told me after x-ray that I get osteoarthritis of the neck, it was in 1996.

Controlled dreams and electronic dissolution of memory caused me osteoarthritis of the neck.

G) Forced memory blanking: That makes me unable to remind what I want to say or do in a short lap of time, even simple things like "good morning", for example. I remember, when I was salesman, after ringing at the door and as the person opened it, my mind had a blank, I was unable to say a simple word like "good morning" and "I'm a salesman of the society ..." I just stayed in front of the person without saying a word, finally I said trembling "Hi ...". It happened suddenly, when she shut the door, I cried in the stairs. Other example, when I'm typing on pc, suddenly I'm unable to remind what I want to type, it's like time has stopped, everything's gone, just nothing left; very shocking, it's feel like I don't exist, helpless.

Actually perps attack me a lot with electronic dissolution of memory especially when I wake up after controlled dreams so I can't remember what I was dreaming and it causes me loss of memory, pains on vertebrae of the neck, headaches and I feel always like a zombie, I think they want more control by losing memories and also they don't want me to be much active on forum for example but also and it's an important point by controlled dreams they can see my reactions on situations they create, and also and this worry me a lot, I suspect they look for a way to program some shit during these controlled dreams, but with the electronic dissolution of memory I can't think and remember well.

H) Rape: While sleeping, perps controlling my hand by motor control masturbate me then I wake up founding myself in this humiliating situation with sexual arousals controlled by the evil perps, I remove my hand but they replace it very fast and masturbate me again, this repeat several times; if I dress up the trousers, they take it off, this is repeated several times, if I go to take refuge in prayer, they continue to masturbate me by motor control in the prayers so I stop praying, if I take refuge in reciting the Koran, they rape me again as I have the Koran in my hands, so humiliating! I'm not that mad to the point I do this by myself with the Koran, believe me perps rape me literally, it's horrible, and you what? Because prayer and reciting verses are so helpful, it gives faith, peace, light, strength, patience, wisdom and the perps know that and they don't want it. So after the perps rape me, if I go out I heard people's voices taunting me but I try to keep calm and think, it's "synthetic telepathy" that makes me heard their voices by morphing.

Forced body motion or motor control also in sport for example, great acceleration while cycling, also while warm-up exercises (arms and legs), it injured my chest during arms exercises in 1992. Forced nudging also. Severe sweating while practicing sport, believe it's not a normal sweating as I was used to, it's very abundant sweating, very unpleasant and very disturbing.

Electric shock sensations: it happens while I'm sleeping or about to, it occurs on the leg, that's make my leg blench.

They can also make me defecate with motor control at anytime they want, I assure you they love to play with shit, they make me feel the need to go to the toilet and when I go they prevent me to do what I need, now as they play this game with me, I think "to shit or not to shit?", for example as I put the hand on the door handle of the toilet they make me feel as I don't need, so I think "not shit", so I don't open the door and I go for something else but again they make me feel the pressing need and I come back to the toilet and as I'm in front of the door, they remove the need (the shit which was about to go out) so I'm about to go for something else but again they make me feel the need, all this in front of the door during few seconds, that's why I invent this expression: "to shit or not to shit?", I invent this expression also in order to keep calm and with the sense of humour it helps. So to play with shit I think they control some organs of my body in relation with the shit and farting... intestines, sphincter?

I) Forced speech: Perps makes me speak out loud. Words, sentences come out suddenly from my mouth. One day I decided to prevent this, it feels like words are about to come out from the inside, words which are not mine, so I didn't want to let them out, to say them; I was feeling like the words were in the brain then in my mouth and I made big effort to prevent them come out, it was like I clenched them between my teeth, it works but for few seconds only, the moment I let up, the words suddenly come out and I couldn't do nothing to stop it. This day I made several attempts with the same results, at the last attempt even squeezing myself words, sentences come out, there were nothing I could do against this, they proved me they can beat me, that's turned me crazy, hopeless and helpless.

Since that day I let them say their shit and I respond them "go to hell" or "f... u" or sometimes I just say nearly nothing, I just let it pass. At a period, I discovered a very simple thing that helped me a lot, I simply name the phenomenon when it occurs so when I heard voices, I said to myself "synthetic telepathy», when they forced me to speak I said to myself "forced speech». That helped me keep calm, so they stop or they continue a little bit to play with me before they stop for a while. Calm and patience. Thanks God. Now as I said on A) I don't need to name these phenomenon, I just ignore or say "go to hell".

The contrary of forced speech: Removing the voice, breaking it, for example, sometimes when I recite the Koran, they stop my recitation by removing my voice; it's terrible to get one's voice removed abruptly; how many people relieve themselves of their suffering by singing, especially singing the words of God, of His prophets, imagine black people seeing their one's voices removed while singing the blues on slavery days, what could be the results?

Also the contrary of removing the voice: Raising the volume of the voice, also change the modulation of the voice, so disrupting.

J) Distortion of facial: I remember they did it each time I had one's photo, it makes me suffer and I have to fight against these distortions in order to look good on the photo, almost make me cry after the photo.

K) Forced movement of jaw and clacking teeth: It happens to me a lot after swimming, you may say it's normal but it was too much, really too much! Too much intensity, it lasted too much, it is very unpleasant, I couldn't have a normal conversation even long time after swimming.

L) Itching inside eyelid: it occurs often before induced sleep also on pc, TV and also in any activities at anytime.

M) Ringing in the ears: It hurts very much, many times I felt pains in right with or without tinnitus.

N) Wildly racing heart without cause: it happens sometimes before I start speaking serious things at work or with subjects I disagree or when a problem occurs, it increases abnormally and considerably and make me feel very nervous and irritable. Also in jogging, football, when I was practicing a lot of sports (now I just swim), also while sleeping, it hurts so much, I hate so much when they attack the heart.

O) Overheating, it weakens me, makes feel tired, feel big fatigue, don't let me do intellectual works.

P) Sudden headaches, "hot needles", pain, itching on genital area and on the body. Perps induce also emotions like anger, fear and irritability

Q) Attacks on organs like heart, bowel, genitals, crotch

Here's a reply to a site where I sent my statement

About eating, no I don't eat very well, how can I as my life is a chaos so feeding is in disorder also. What they do to me sometimes is to make me feel insatiable, by this they want me to eat a lot so I'll feel heavy and lazy, they do the same with smoking, I smoke one and I feel the need to smoke another one, if I smoke it I feel the need to smoke again, three in a row, they create the need, the sensation to push me to eat a lot and smoke a lot but as I know it's them who are doing this to me, I stop eating when I feel this sensation of insatiable desire, they do this to push me to damage my health, as all the aggressions they do with their machines are not enough. For them everything is good to destroy me and destroy myself.

"You may ask how are you sure it's them who do this to you?"

Because of the repetition, as they repeat their attacks so much times, and you know how much attacks are repeated in an harassment, an innumerable number of times, to make pressure on the victim, they repeat and repeat constantly their aggressions, so I've learnt to recognize it, the sensations they induced even those which are well hidden like induced thoughts in synthetic telepathy for instance.

They also make me fart a lot thus I get always bloated a lot because of this.

They also make me defecate at anytime they want, I assure you they love to play with shit, they make me feel the need to go to the toilet and when I go they prevent me to do what I need, now as they play this game with me, I think "to shit or not to shit?", for example as I put the hand on the door handle of the toilet they make me feel as I don't need, so I think "not shit", so I don't open the door and I go for something else but again they make me feel the pressing need and I come back to the toilet and as I'm in front of the door, they remove the need (the shit which was about to go out) so I'm about to go for something else but again they make me feel the need, all this in front of the door during few seconds, that's why I invent this expression: "to shit or not to shit?", I invent this expression also in order to keep calm and with the sense of humour it helps. So to play with shit I think they control some organs of

my body in relation with the shit and farting... intestines, sphincter?

These games they play (with the shit and farting) make me get bloated very much, always.

As I speak about "getting bloated", there is another thing that makes me getting bloated very much too, it's controlled dreams, each time I wake up after controlled dreams I get severely bloated even more than their shit games.

Those things above I didn't talk about it in my statement because it's so ridiculous but I'll add it next time and you can add it on my statement on controlled dreams as an effect, and on motor control because to play with shit I think they control some organs of my body in relation with the shit and farting... intestines, sphincter?

Sorry for all this scatological stuff.

Here I add something about me in Paris and how that shit began:

In 1986 as I was homeless and out of work, I was living in the streets in Paris (FRANCE).

One day as I was depressed and searching for help, a social worker takes me to a mental institution for just a consultation, at Maison Blanche, I remember that after the consultation, I woke up alone in an empty room, ... I was just coming with this social worker in a hospital for a consultation, and I don't know why I woke up in an empty room!!?? So I was asleep and I felt like I was under general anaesthetic before or after surgery.

What I've noticed is that the ride was a little bit long, as there is a famous psychiatric hospital "hopital de Charenton" just in our district and also "un hopital de jour" literally "a day hospital" of this famous hospital in the district I was living..

Doesn't a social worker know persons in many institutions? Why "Maison Blanche" which was quite far? Just only for a consultation?

Anyway, I trusted him ... if only I could remember his name.

At Maison Blanche, I remember that after the consultation, I woke up ... strange thing isn't it? I was just coming with this social worker in a hospital for a consultation, and I don't know why I woke up!!?? So I was asleep, no? That's the strange point.

How I woke up was stranger so far also to me. My eyes were literally flashing, like I had a light of high-intensity inside my eyes. It was the first time in my life and the last until now I felt something like this with such intensity. I've never felt something like this before, never, except one thing, the only one sensation that I can compare to this, it's just the moment before I fall unconscious under general anaesthetic before surgery.

I didn't know how many times I was unconscious, I was like "groggy" and I didn't wear watch and there were not cell phones at this time.

So after I woke up, the doctors said to me that I have to stay in the hospital but I refused and I said to the social worker that I didn't want to stay there, so he helped me to leave, he said to the doctors something like "you don't have the right to keep him in the hospital against his will. ». The doctors were insisting so much for me to stay that I was grateful to the social worker who didn't abandon me in the hospital, so we left "Maison Blanche" the same day.

Now I don't think the same and I would pay the price to remember the social worker's name. Chris, you may think I've wasted a lot of energy to talk about Maison Blanche and the social worker but I don't think so because the first thing I wanted to show, even if it is well known, it's that some social workers are involved, and it's terrible, especially for a homeless person, we trust them but they betray our confidence. The second thing is that anyone can be implanted very fast, just few minutes, and it was in 1986, how about now!

So one day, few months after the consultation at Maison Blanche, I didn't remember exactly when but it was in 1986, as I was listening to the radio in a squat I was living in, I heard a voice coming out from the radio saying what I have in my mind at the same time. It was a big shock!

I will always remember the name of the radio station, it was Skyrock.

At this time, I was on probation for minor offences like stealing in shops (I never attacked someone or betrayed the confidence of someone because I really hate that, really! You can check, my police record, I was not a so bad guy, I made mistakes of youth that's all and as homeless, without work I was just surviving).

But the big mistake I made (which was not an offence) was to tell to my probation agent about the hearing voices, I wanted him to help me and see if he was aware of some stuff like that, at this time I was saying that I have a machine in my mind.

As each time I met him I told him about the machine, He decided to intern me in a mental institution, so police came into the squat and take me to the hospital, this time it was not at "Maison Blanche" but at the hospital of the district where I was living "Hopital de Charenton", that's why I told you about it (It's the famous one from long time ago but it changed its name now and its name is "Esquirol").

I was interned eight months from October 1986 until May 1987, the diagnosis of the doctors was delusional disorder, they let me leave the hospital in around May 1987 at the condition I had to leave France and go to Morocco, I accepted against my will, I didn't have the choice, I wanted to leave the hospital where I was in a deep distress and hopeless, it was like I fall in a deep hole where there is no time, severely drugged.

So when my father presented the airplane ticket to the doctors, they let me go.

I came back to France in Paris around September 1987 where I lived in the street again, seeking for a job and a decent room without success, I stole again in shops to survive or went to charitable organisations where I lived also few months or even just few weeks because it's the rule, you cannot stay more than three months or even for most of them only two weeks.

I took drugs not only hashish or marijuana as I used to but also heroin, it was new for me but at this time a law was voted which considers the consumer as a criminal (I wasn't aware about this law).

One day policemen found on me just only one dose of heroin and I was imprisoned three months for consumption of heroin! The judges condemn me to three months of jail (proof that I was imprisoned for consumption) and the obligation for me to leave the territory and the interdiction to return to France two years, they also suppressed my residence permit (my nationality was Moroccan not French). Without my residence permit I couldn't go to the other country of Europe, like Belgium where I have family, I could only go to Morocco but I didn't want to go there.

What I said about this law is true, at this time (1988) this law considered consumers as criminals and it was the minister of the interior Charles Pasqua who proposed this law to be voted. But just one year later, parliament voted to suppress it because it was a very unjust law, but for me it was too late though I made a petition for reprieve to get back my residence permit.

So as I made this petition to get back my residence permit, I stayed in Paris as I couldn't go to other European countries and I didn't want to go to Morocco, living in the street.

It was at this time that I was gangstalked. Red cars, too much red cars and white cars also, and people dressing in red and blue, too much people dressing in red and blue. It was crazy, everywhere I go I see red cars, too much red cars, I could walk a lot and see those red cars, back and forth, honking, making street theatre, and those people walking in red and blue. One day I decide to follow them, nearly all the people around me was wearing only blue and after I saw more people but dressing in red, I assure that people dressing in those two colors were more than people dressing commonly.

Later policemen take me again to jeopardy for not having papers (they found my Moroccan passport this time), judges condemn me for staying illegally in France and for not leaving it, so they condemn me to go to jail three months again with renewal at the border and the interdiction to return into France seven years. Seven years plus the two years, nine years without returning into France, the country of my childhood and teenage, I lived in France from the age of two years old until the age of 23 years old.

As I arrived into Morocco, I was gangstalked the same way that I was in Paris, with red cars and people walking in the street dressing in red and blue.

That street theatre with red cars and people in red and blue was created to make me feel a sensory disorientation and increase paranoia, anxiety, despair, distress.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

2/6/13

Starting in the middle of 2004, I was tortured by American security intelligence agents. This process of torture and harassment has taken a toll on me physically, psychologically, and emotionally. A method of electronic interrogation and surveillance (of which I never knew existed) was used against me.

Sometime in 2004, someone moved into the apartment above the one in which I lived with my two daughters and started a 24-hour electronic surveillance on us. We began to notice that whenever we went to use the bathroom, we heard soft steps walk to the same direction above us. This person stood right above our heads watching us do things that are meant to be done privately. The situation caused my children and I great humiliation. I started turning off the lights when I went to the bathroom and asked my daughters to do the same.

Gradually, we also began to hear strange noises coming from the door. The lights would go on and off (without anyone touching them). Electronic systems—television, computer screens—would display strange messages i.e. “try that game one more time” or “do you think I’m in love with you.” This unnatural phenomenon made us nervous and built tension amongst us.

Later, at nights as I slept, I would hear a humming or windy noise in my ears. A male voice would then begin interrogating me. I was put into a sort of hypnosis state. The voice would ask questions such as: “Who are you, Birgitta? Why did you change your name? We received information about you from numerous sources saying you are not who you claim to be.” I found myself responding automatically without opening my mouth to say a word. It was all done mentally. This was a new interrogation method that I found very scary. The electronic interrogator called it “Truth Serum.” He told me he could read my thoughts and there was nothing I could hide from him. At the beginning of the process of this strange interrogation method, he said: “Central intelligence information gathering. Bridget, you got yourself into a rot. You like to be of help to people, don't you?” I thought this was justified because of the 911 incident and yes, I would like to help these people any way I can if this was the method required to clear me of the rot I got myself into.

This, however, was not a process to clear me but rather to torture me as night after night for months on end, I was interrogated and deprived of sleep. He would show me images of people I knew from Nigeria and ask questions such as: “Who is this person? How did you know him/her?” It was relentless and I thought I might as well kill myself when I couldn't take it any more.

I was woken up several times during the night (while crying and desperately trying to sleep) through different methods. Sometimes, I woke up with a racing heart because something or someone was chasing me in my dream. Other times, I woke up screaming “STOP!” as I felt electrical currents running through my body. I was being shocked while I slept and woke up jerking like someone having an epileptic attack. Still, other times, noises like the droning of insects or the wind whistling would disallow me from sleeping. Other nights, I was kept awake all night long by the voice pounding me with questions: “We know who we are. Who are you? Do you hate Americans? You are not better than us. We can kill you with our bare hands. Nagasaki, Hiroshima, see what we can do.” I felt like I was being crushed by a caterpillar.

I was sexually raped. At night while sleeping, the muscles around my private area would begin to expand and contract (pulsate). This pulsation would start slowly then rapidly. It would stop for a few minutes only to resume. It was as if a depraved individual was playing sexual game with me. Sometimes, this process would be done to me anally while the voice said degrading things like: “dirty dog, loose,” (showing me an image of a dirty, skinny, brown dog on a street). Other times, while electronically raping me, he'd make not only sexist remarks but also racist ones (I am half Swedish and half Nigerian). “How do you like your meat, white or black?” “How do you like your hamburger, big or small?”

I was told that my thoughts were anti-American and they needed to change my thoughts. “We monitor your thoughts. We do not like the way you think. You are living on the edge of insanity.” The same process that was applied to my private area to cause pulsation of the muscles was applied to my mouth to cause excruciating dental pain. The nerves in my gums would expand and contract causing excruciating pain that I thought I would die. Then, the voice would say something to the effect that if I harbored good thoughts, I'd feel pleasure. But if I harbored bad thoughts about America, then I would feel the pain in my teeth. I have lost two teeth in similar locations on the bottom set as a result of this process.

My dreams were controlled and I was psychologically tortured by them. I woke up at nights with a racing heart (thinking I was about to have a heart attack) after being chased by a half man/half monster. My dreams were meant to cause me psychological fear. In one instance, I saw an image of a woman wearing a loose-fitting, tattered dress. She had on a big hat and as she walked down the street, dragged one foot after another. She looked disoriented (a message of madness). In another, I was in a mental institution and was told that I would not be let out for 5 years. Yet, in another dream, the experimenter showed me an image of a coffin and told me I'd be returned to my country in one of these.

Day after day, I endured verbal torture: “Cockroach, what are you looking at?” I'd hear out of the blue. “Monkey.” “Foreigners are leeches.” “Kunta Kinte,” followed by an image of this newly-captured slave in handcuffs walking down a grassy hill towards the ocean. I walked around with a brain that burned and felt like a balloon overfilled with helium. He said my brain was my asset and they would destroy that asset. Sometimes, I felt electrical currents run through my brain in a zig zag fashion. “We are burning your brain. We are feeding you drugs,” I'd hear the mad scientist say. He'd proceed to show me the image of a vacuum cleaner and say something to the effect that I had too much junk in my brain and needed to keep it simple. He used words like compress, decompress, reprogramming.

My torturer communicated with me as if we were sitting down to a cup of coffee and having a conversation. He gave me various reasons as to why I had been selected for the “Program” as he calls this process. “You made old men look like fools. Blame your parents. Your father was a political enemy. Blame your mother. She played with big boys. You crossed the line of no return. You stepped on someone's toes. This is an experiment. I am white. You needed to be taught a lesson.” On and on, it would go till I thought I would go crazy. My children were used to cause me fear. He'd say if you don't do this ..., then would show me an image of my older daughter with tears in her eyes.

This torture went unabated from 2004 to 2009. In 2009, the pressure decreased. The white experimenter (as he called himself) said “change of guards.” He showed me an image of a tap gushing with water and a hand slowly turning off the tap (the volume of water, decreasing).

This process has destroyed my life, consequently, affecting my children. The torture has not completely stopped (eased somewhat). I sleep a little better now than before. However, my thoughts are still constantly monitored. Images are run through my mind. Sometimes, it's of me homeless, sleeping outside on a street. My head hurts constantly. My privacy and dignity as a human being have been stripped. I feel violated beyond understanding. Every day, I feel pressure in my head like a kettle over boiled. I can't make decisions because my thoughts are hindered. It's as if there are blocks placed in my brain. I feel that my brain is under a 24-hour attack. My independence and freedom have been taken away from me by people who profess to believe in God and freedom.

I ask simply for help; that my case be looked into and that this torture be brought to an end and my life restored. I ask for justice.

Birgitta Abimbola Heikka.

Thank you for replying to my email so soon and also for the valuable information you provided. This has been a hazardous (I really mean that) journey for me. I have been living blindfolded not since 2004 but since the day I was born. I'm emailing you a short bio in a student's newspaper "The Quaker Quips" done on my father when he arrived in the United States in 1949.

I was targeted, I now believe, for their mind-control program since I took my first breath on earth for two main reasons: The first being that my father's writings in the student's paper (he worked as a columnist whilst studying at Wilmington College, Ohio) were deemed political and anti-American. It was during the Cold War and he was critical about a lot of things going on. The second was my mother--a Black woman (from Nigeria). Well, what a match. Their reasons for attacking me were both political and racial.

I have memories from childhood. I remember getting my hands on a book (I was perhaps 8 or 9) titled: "Sex is a Nigger." Someone put this sort of trash in my way for a reason--to demean my other half in my mind as nothing but a sexual beast. They used my dual race to confuse me, thus manipulating my mind through the years. I also recollect two incidences at about age 6. The first was seeing a lion at the door of my grandmother's room (where we both were sleeping) and I remember whispering in my sleep for granny not to open the door. It's meaning is now clear: "You are a hunted animal." The second incidence happened my first year in the boarding school (same age). I always had a Bible under my pillow, opened to a particular Psalm page. (My grandmother was religious). One night whilst trying to sleep, I saw the image of the devil (the common picture of the four-legged hairy creature with tail on his knees wobbling). Well, he wobbled his way to my bed, reached through the pillow and tore off the page where the Bible was opened. I remember being frozen in bed with fear (can you imagine that happening to a child!). The surprising thing was when I woke up in the morning, the Bible was actually torn on that page!

I was an MKULTRA subject (perhaps still am). 911, a cruel tragedy, was a ruse to torture me. They knew I was harmless and had been under their radar because of my father. These vile people have done such horrible things to me.

I wrote a book. You can read a 15-page preview at the following site http://www.bookstandpublishing.com/book_details/Birgitta_A_Life_Wired. I'm sorry I wrote it while being tortured so my tenses were not quite correct. But, I guess some people know what I am trying to say.

Thank you so much, John. I will start to contact the people you listed.

Sincerely,
Birgitta Abimbola Heikka

Kuala Lumpur, 24.02.09

Subject: A REQUEST FOR MEDICAL, LEGAL & INFORMATION ASSISTANCE TO SECURE RELEASE AND HUGE COMPENSATION: A COMPLAINT ABOUT ORGANIZED RELIGIOUS, POLITICAL, SADISTIC & RACIAL PERSECUTION AGAINST ME BY DANISH-LED INTEREST GROUPS APPLYING FOLLOW-

TECHNOLOGIES (MIND WRITING/READING) AND OTHER MEANS:

DOUBLE NATIONALITIES: SOMALI ON DANISH PASSPORT

I have now been living in Kuala Lumpur, Malaysia, since January this year coming from Somalia via Yemen, where I started a Master Degree Course at the International College of Open University of Malaysia, a joint programme with University of Science and technology, Sana'a. I am here to complete my postgraduate studies and to seek a solution for the above stated medical and legal cases from all assisting parties Allah Willing.

I left Denmark about twenty years ago to Somalia where I lived during the long period of no central government, something which made the above stated persecution possible. The reason I left Denmark was that, being a refugee there from 1980, I tried to remain Muslim and in contact with Somalia and its interests. This did not please my hosts and as I tried to study the history and any possible solutions to the Horn of Africa killer conflict, local (with probably external) interest groups who were interested in the Horn of African Affairs got interested in my affairs and my study up to the extent of my elimination.

If I left to Somalia in 1989 up to this day they followed me with bugging and/or listening (Mind Writing/Reading) technologies IN AND AROUND ME with live broadcasting of infamy against me to all and specially people around me to incite conflict between them and me, the objective of which is my elimination by designed and remote-guided violence. As a cover for their multi-motivated elimination, they lie-fully stamp on me acts none of which is mine while they in reality messed with me, my life, my religion, my race, entire humanity and the peace & human rights project I was doing for the miserable masses on the Horn of Africa Region. (Please see 1982 Annual Report of the Human Rights Internet, Chapter on Africa: A. H. Mohamed in Copenhagen; and type : "amiirdaljire" in google search to see the "peace & H. Rights activism" they are opposing). The International media (Radio & TV) call me the CODE NAMES: THE BOY, THE SOMALI LEADER or QA'DU SOMAL though I lead none!

My case has a lot in common with the following cases being described by other victims of the same technologies:

30/03/09

Dear Sir,

It is too late someone is beginning to act but is better than never. After the same criminals you discuss started their public, multimotivated elimination campaign against me the world welcomed with cheers and applause. but That should have been the end of denials of the existence of this lunatic, barbaric and classic criminology. I wonder why you still talk about "disbelieving the victim?" Have they not openly used every secret weapon? Mind Writing/Reading, Implantation, LSD, Hormone misuse, Electromagnetic Waves, Telemetry tow-way communication via satellite both at the individual level and at the global level (talking to all in the world at one go, and more.

I got a bigger share and have been made a source of massive "white laughs/applauses" amid instructed and obeyed denials the international public covering for the criminals, and I never noticed any activists like you denouncing it! Better late than never. Now, I need many things. One of my first needs is that I get a sponsorship for reaching the below given source for Testing and defence system, since I can't afford financially. It might cost about 15-20,000 US dollars followed by necessary actions arising from the results of the test confirming the crimes. MD-Spec,119 Whittier Dr.,Kings Park, NY 11754, (631) 360 1557

Another urgent need is identifying the criminals who make their crime public, their work station and the satellite/network they are using, and more data and support. If you invited me to contact for help and membership for common cause, here I am.

I look forward to your useful reply by telephone, not the email they mess with only but also call at: 601493 10157

A compact data/problem summary is attached and pasted below. It should have started from my childhood by Germans who were training the Somali Police from early sixties and later developed by probably Danes and their guests from the West. There is a strong bases for a research into this as some victims who passed away reported they were implanted and linked/connected to monitoring systems by the Germans in Somalia with the knowledge of the Somali Police. But I detected before about 25 years.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

hello,

I am Mind-reading technology and torture victim. My name is Rahul Shrikrishna Joshi. I am from Pune, Maharashtra, India. I am 25 years old.

here is my case summary related to mind-reading:-

You may have got email from all places over the world with different cases. But my case is EXCEPTIONAL. All my thoughts, what I see through my eyes, what I hear from my ears are all transferred at "real-time" (without any time delay) to ALL people living in India and that also 24x7. I don't about the world, but I fear that may be all people of world may be listing to my thoughts.

It is now routine to me and all people in India. I don't hear any voices in my head, nor any signals. ALL people in India can recognize my presence near me therefore they tease me like HELL. They know whether I am near to them.

i have read all cases from many forums about voices which depicts the voices of people surrounding the victim, but MY CASE IS EXCEPTIONAL, I DON'T HEAR ANY VOICES IN MY SKULL OR BRAIN. PEOPLE IN FRONT OF ME TEASE ME. IT IS A SECRET THAT IS KNOWN ONLY IN India. THEY (People) NOW KNOW THAT I HAVE UNDERSTOOD THIS SECRET. MY CASE IS NOT CASE OF VOICE DECEPTION AS YOU ARE THINKING OF.

Following is list of WHAT ALL people in India (Indian PRIME MINISTER, Indian FILM STARS, 3 year OLD CHILD etc etc) PEOPLE OF India HEAR,

1) PEOPLE HEAR ALL MY THOUGHTS (conscious, unconscious, seeing what I see, hear what I hear etc etc) IN THEIR SKULL 24x7 in realtime (without any delay).

2) People also many times (not 24x7) hear another voice of Veerendra Dev Dixit (Veerendra Dev Dixit), leader of AIVV. Who tells people he is "GOD-Father" (note that people cannot hear what Veerendra Dev Dixit is thinking). Veerendra Dev Dixit gives explanation of my thoughts (you can say BAD COMMENTS on my thoughts. As I told you he gives them slow poison about my good thoughts).

3) Veerendra Dev Dixit himself hears my thoughts 24x7 to pass funny comments.

4) People know whether I am near to them. So that they cannot accidentally speak secret things amoun themselves that are kept secret to me. I was thus kept isolated from other people from my childhood. People immediately recognise whether I am near to them or far away, whether I am looking at particular person's facial expressions. People tease me for their time pass and false GOD-Father Veerendra Dev Dixit encourages them in their mind for doing this at the time of teasing.

As I am understanding more secrets the Veerendra Dev Dixit makes fun of my thoughts. so that people believe only what he says.

ABOUT VIRENDRA DEV DIXIT:-

Roots of Virendra dev dixit goes to brahma kumari. he is leader of Adhytmik Ishwariya Vishwa Vidyalaya (AIVV) a splinter group of Brahma kumari. He told the half-truth to people that film star amitabh baachan's don, sholay where made on him. He may be BLACK MAILING US government. Shahrukh khan had many films having name 'Raj'. These people along with the corrupted Indian Bollywood film industry has links to underworld mafia gangs who smuggles these technologies to India. The head of all this EVIL is Veerendra Dev Dixit.

There are numerous films made in Bollywood over me from childhood as they used to secretly track me. E.g. when we went to Mount-Abu film 'Qayamat Se Qayamat Tak' film was released. Film 'Mr. India', 'Dilwale Dulhaniya Le Jayenge', and the latest 'Rang De Basanti' film was made on my Five friends and me who recognised Veerendra Dev Dixit is person who is behind all this evil. Film 'Nayak' starring Anil Kapoor etc, etc, etc. You would be knowing Indian Film Actor Shahrukh khan he had many films with his name as 'Rahul' or 'Raj'.

my case summary continued.....

These mind control agents have made all my relatives, parents corrupt by telling them miss-behaving and teasing with me is only work they have. They think GOD-Father is telling them instructions not to speak out to me and keep this secret as secret. My parents also hear my thoughts. I doubt that my Father is also a mind-control agent. It has now become organized; almost all people are united against me including my parents, Sister, relatives etc.. So that I couldn't know why they hear my thoughts.

ALL people in India also hear voice from a person whose name is Veerendra Dev Dixit sometimes in between (note that people cannot hear what Veerendra Dev Dixit is thinking). He makes people laugh on my thoughts. I some how was able to get out of this united conspiracy against me and contact one of my relative and from his help few other relatives and friends, convinced him and made him somehow speak out, what mind-control agents HEAD (Veerendra Dev Dixit) tell them in mind. As I told you earlier I can't hear any voices in my skull so I don't know what Veerendra Dev Dixit tell them. But after talking to my relative I knew that Veerendra Dev Dixit gives them slow poison about me, Gulzar Dadi, etc. He makes people believe that he is GOD-Father talking to them. ALL Indians film stars etc are now made TOTALLY corrupt.

I was and I am in touch with The Knowledge given by Brahma Kumaris, Mount Abu, Rajasthan, India. I believe in their thoughts and churned knowledge given by them. I knew about Veerendra Dev Dixit's party (a splinter group

from Brahma Kumaris) in 2001. From that time 9/11 happened, and all things changed drastically. I now knew this that ALL people in India at that time (2001) heard my thoughts but people were not sure what was happening/who's thoughts these are. After churning knowledge I knew the secrets of world. I started understanding my previous births as 'Chhatrapati Shivaji', 'Prithviraj Chauhan' etc. As these births were being realized to me, they were also heard by ALL people in India due to the mind-reading technology. I till now haven't told what i feel about my parts to anybody except when started to write it on forums. I understood more and more previous births. I also recognized other people who were there with me in previous births are also there with me in this birth also. Due my such thoughts some people hearing these started to tease, some people got confused etc, some people recognised my thoughts.

I, till July 2005 didn't knew that ALL people in India where listening to my thoughts. My parents also listening to my thoughts started teasing and misbehaving with me. I previous had adopted several non-violent acts to tell them that they should not tease me. On that time i.e. on December 26 2004, Tsunami earthquake happened (I now know that earthquake was also caused due to a technology and was not natural). People teasing me understood that even nature quaked due there excessive teasing to me. In July 2005, i.e next year people drew crazy, people stared running out of there houses and everywhere there was chaos.

People started to shout at me when I was near to an extent, till my attention was drawn to them, so that i know that people are watching my thoughts. everywhere on television channels etc. pleaded for forgiving what all had done to me. On July 26 2005 other people who were against my thoughts, came down actually for killing me. The scene was like a 100% hell in Pune city. But I wasn't afraid a bit. At the time they where about to kill me, huge rain and floods broke out in Gujarat, and Bombay (Mumbai) and Pune, the rainfall broke all records of the world in a single day. Hundreds and thousands of people lost their lives.. The rain continued to lashed for 15 days.

I was not hurt a bit. But i still want to know who these people were, I doubts that Godfather of underworld (Veerendra Dev Dixit) had told them. At that time a film on him called 'sarkar' was released. with its logo as 'when democracy fails power arises' or something like that. That 'sarkar' stands for 'new world order'. george bush mentioned. People started understanding that teasing him in such a way will cause further destructions. Till that time I was thinking that all people teased me as some camera was fitted in my room or wherever I go and people India see it in entire day, whenever they had time.

I thought Brahma Kumaris where convincing them that they should not harass me. I thought that my good friends and teachers had recognized my good thoughts and joined Brahma Kumaris. It was only until 2006 I recognized that people actually hear my thoughts. Confused with all this happening I decided to meet Veerendra Dev Dixit. We finally meet on day when US president George BUSH (politician for Veerendra Dev Dixit) meet man Mohan Singh (politician for Myself) for nuclear deal. (This gives me hint that may be all people of world may be listening to my thoughts) from this day. I think he took control and mixed with the agents to give voice to skull to all people in India, telling himself as highest authority in India's tumbling democracy and population due to previous year's subsequent natural disasters.

I started knowing from people that ALL people in India listened to my thoughts from childhood secretly. People also told me that I was highest of highest of these mind-control agents before Veerendra Dev Dixit corrupted them now. Now Entire population of India right from 3 year old child to illiterate rural person hears my thoughts and knows whose thoughts they are.

My attitude/personality is not at all to get teased, but here what mind-reading technology worked for evil activities to succeed in their intensions. I just like shivaji fought with my mind. despite all these mind-reading games, i tried to know all these things. nothing was private for me. even if i decided to to play a trick with other evil person or person who is ragging with me, they already knew what was i going to do, as they hear my thoughts 24x7.

I am facing most darkest and brutal life. I too DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS.

My questions:-

- 1) Aren't you surprised reading this?
- 2) Do you hear my thoughts too? or hear but not sure whose thoughts these are/not aware of it consciously?
- 3) Do you already knew some things which I have told you now (After-effects in your country due to events that occurred in Pune during 2004, 2005)?

- 4) Where should i file my case? in which court? Where should i file my petition?
- 5) will you help me?
- 6) when these evils will be severely punished?

I not only hope, but i am sure that you will provide me information and help related to it.

awaiting your reply,

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of Indian Government-related Agencies and the complicity, if not participation, of many other governments, security agencies and/or shadowy organisations - involving the use of DIRECTED ENERGY AND NEUROLOGICAL WEAPONS on defenceless people.

The torture is in highly unconventional way so that one cannot report the individual torture legally. I am being attacked on all the part of my body by directed energy weapons (millimeter wave DEW) round the clock of the day 24/7. I feel three or four energy beams causing pain in my body simultaneously and also they choose my body organ for attack in random. Irrespective of where I am and what I do, I am being attacked. I am able to stop the Energy beams attacking me by electromagnetic shieling materials to certant extent and if I block the energy

which is attacking in a organ they move the energy to other part of the body with increased intensity. Or they increase the power which makes the energy penetrate the shielding and attack me.

I am getting harassed in all the aspect of my life. I go in two wheeler to office every day. On the way the agents of a law and enforcement agency cross my vehicle so that it obstruct my path in almost all the road I travel. Many times I have fallen down from my two wheeler injuring myself because of agents suddenly run crossing my vehicle. While driving often the agents disturb greatly me by crossing and obstructing the way.

I was also attacked by the agents as a group. I took photos of the gang attacked me. I have given compliant to the police with photos of the gang but there was no action taken.

Above are some examples of my stalking experience and there are numerous methods the stalkers use to stalk me and all the methods are psychological (cause more mental pain than physical) in nature. All the stalking involves Directed Energy weapons attack on my head to anchor the stalking and pain.

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse – some of us are being subjected to the most extreme and totalitarian violations of human rights in human history

As well as being inhumane and criminal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - and yet our appeals for justice, protection, assistance and/or publicity to Government Representatives, Government Officials, Government Agencies, International Organisations, Human Rights Organisations, Universities, Scientific and other Institutions, and the International Media have been almost completely ignored and/or suppressed.

For anyone at all concerned about human rights, liberty, democracy, privacy, the rule of law and ALL aspects and degrees of human freedom, individuality and mental and physical integrity and health this uncontrolled and unacknowledged technology and torture and abuse is intolerable!

Your attention and assistance is urgently needed to halt these atrocities, control and regulate the use of these technologies, and to bring these extremist elements to justice.

Please assist urgently.

I am living in Bangalore. A year before I was attacked by the perps in Bangalore and I complained it to the police in Bangalore with the photos of the perps, but there was no response form the police about my complaint. Instead they questioned me. I am helpless and I was gang-stalked in my home by my own sister and cousins. With some-much pressure I was not able to do anything dramatic.

I am not discouraging you not to register or compliant, but if you compliant or register a case then following are the important factors:

1. Compliant should be against a person name or organization with a valid address, whom the police can investigate
2. Your compliant type should be listed in any of the sections in the Indian Penal Court law
3. You should produce a valid evidence which can be verifiable by the independent professionals

You have to note that sometimes the police help them.

Perps design the attack such that they think of the loop-holes in the law and do attack or assault you according to their plan. It is hard to sue them but our TI friends in America are trying to do it. If they are successful then there will be substantial change in the life of all TIs in the world.

Do reply me whom and what should I send the complaint to.

Do note that I am TI too, I am being attacked severely by DEW 24/7. GS and other assaults.

All the best. Vijay Karthic

Dear Other Activists and Victims,

First of all I would like to thank you for the great job that you are doing for the victims.

Secondly I have some suggestion.

1. As I reviewed some of the cases, I found that 99.% of cases that are claiming to be in China and Chinese are CIA made up. The CIA is trying to turn attention away from themselves and make the real cases look funny. They also don't want to let the people who want to help us know whom to target. I suggest that you do not include those cases in your email campaigning.

2. As you know we are trying to get help from the people by our email campaign, to make it more effective I suggest that we write something that sounds real to the ordinary people and the others that are not aware of such technologies. For example we shouldn't write they are reading our minds or seeing through our eyes 24s a day, instead write they are torturing and passing electromagnetic waves through our brains in order erase our memories and brain wash us. It is the continuation of the project called MKULTRA.

Conclusion: the CIA is trying to discredit us we should shoot back and eliminate their effort by being cautious and work more effectively.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Hi, I am TI for more than 30 years old. I think my case is the WORST in the world! I want you to tell me what do you think of this complain? I want to send it to some human rights organisations. If you have some suggestions you are welcom. Many thanks in advance.

I am a the Moroccan woman who the King M6 wanted to marry her before his actual spouse. I had two masters, one of Mathematics, and the other one is in computer science. I am being harassed since more than 20 years (since my childhood) by a gang of dangerous criminals employed by the Moroccan authorities and by the actual spouse of the King M6, to destrcut my carrier and to push me to suicide. I am being EVERY DAY remotely tortured by Directed Energy Weapons that these criminals used against me.

I am being suffering every day because these sadistic perpetrators always attack my lungs remotely, so they manipulate my breath remotely, and are all the time strangling me by using DEW weapons; so that for many times I WAS really approaching my death!

Some of these perpetrators were a former agents of CIA. They are all the time lying to the President Obama and other influential persons in the world about me. They are telling them that they are making their best to protect me against the Moroccan Police, but in fact they are the ones who are torturing me and are reducing me to slavery. In fact they are selling me as prostitute to the rich men of the world (especially men of the Golf) by using satellite technologies which is used to track terrorist, and they are earning a lot of money (a lot of of millions of dollars) by destructing my reputation and pushing me to suicide and they are sharing money and prestigious interests with members of the Moroccan Police(DST).

In fact two of these perpetrators, whose names are Jacque and Michael film me 24h - 24h by remote monitoring technologies, and sell my photos and videos as a prostitute to the rich men of the world. They even made a porn video, that my brother have seen it, in which they introduced my face with photo-shop and my name Nadia to confirm to people who know me that I am the person that they saw in the video. In this video they were three blacks who were sodomizing a woman and treating her (Nadia : the dog). Worse than that they had sent this video to persons who had known me when I was in Geneva, to destruct my reputation, to humiliat me, and to push me to suicide...

One of these perpetrators is more than 84 years old, and he is disabled, he admits that he is the one who rapes me since I was 12 years old by using these military DEW weapons, and that he was THE ONE WHO destructs my carrier. He admits that he has been all the time, since my childhood, obsessed with the idea of destroying me and reducing me to his sexual slave, because he was JEALOUS of me and my success since this time! But he is telling influential persons as Obama, others versions of this fact. He ALWAYS lies to them by telling them that he considers me as his daughter, and that he is the ONE WHO protect me against the Moroccan Police. I think I have problem with Moroccan Police but I have no problem with the King M6, and this old perpetrator is the ONE who manipulate the Moroccan Police against me. I am sure of this fact! This old perpetrator harasses me every day and insinuate that I am his wife, or HIS SEXUAL SLAVE, whether I like it or not! He is doing the most atrocious crimes against me and my family especially when the Moroccan police is not spying me, especially in the religious holidays.

These perpatarors are using the neighbours and many other persons in the street, and every where I go, to humiliate me and harass me sexually, claiming to these persons that I would be terrorist and that is the Moroccan government who is spying me and torturing me 24h- 24h. !

Worse than that, these criminals ask rich people from Golf, especially princes of Arabie Saoudite, and other influential persons, to give them donations, on my name, without my knowledge, to supposedly protect me from the Moroccan intelligent agencies, WHILE IT WAS USUALLY THEM WHO TORTURE ME AND NOT the Moroccan police. In addition they take these gifts for themselves only, and they ask strangers people to me to steal money or other objects from my home during my absence, and to cause great damage to my clothes or other objects, to humiliate me, and to destroy me financially!

They are all the time lying to influential people such Obama and others ,who give them a large power TO HELP ME but they use this power TO DESTRUCT ME and to torture me. The king of Morocco does not know that I'am being tortured by these criminals because they lie to him. In fact these perpetrators insinuate that some elements of the Moroccan authorities , especially the spouse of the King, don't want me to approach the King, and are employing them for these reason : for to kill me softly ; but the perpetrators are doing much more than their

prerogatives because they are very sadistic men and enjoy torturing and humiliating women. The King of Morocco wanted in the past to marry me before he married his actual spouse, but these perpetrators prevented him, and prevented other Arab princes and other influential personalities from the West to approach me for the same reason, so that their lies remain unmasked, and to continue to earn a lot of money on my back. In fact they have been for many years exploiting my statue as a prisoner of the Moroccan Authorities(I have been for many years spied remotely by satellite technologies) to collect large donations and money on my back. They are also taking advantage of the fact that I cannot approach the people of power, such Obama, The King M6, and others, because they are the only middlemen between me and them.

Finally I give you the names that use my perpetrators, who are considering me as their slave, and are lying to influential persons telling them that they are making their best to protect me: “ Michael or Michel, Philip, Tony/Antonio, Jacques, Stephen, Patrick, Eric, Farid (from algeria), Claude, Alain...” +the Indian man that I think his name is Michael.

So I would be grateful if you could make an investigation about the atrocious crimes that have been committed for more than 20 years by the Moroccan Authorities, the spouse of the King M6, and their gang of serial killer perpetrators against me and my family. These cowards have been using Directed Energy Weapons, which are classified as weapons of mass destruction, to induce cancers and other dangerous illness to many members of my family. One of these perpetrators whose name is Michael or Philippe-Antonio insinuates many times that he was the one who induces diabetes to my mother and that is the one who induces cancers to many members of my family. My first cousin whose first name is Abdel Krim was attacked successively by three cancers, between 2012 and 2016, he has spent more than 30 000 dollars for his remedies and unfortunately he had died in 8 February 2016. Also this perpetrator uses this military weapons to torture me 24h /24h by manipulating my breath, and strangling me some times, for many hours, until filling my death, inducing to me an atrocious and an unimaginable torture ! A lot of members of my family were discretely and savagely killed by this Directed Energy Weapons. The Moroccan authorities, with his old perpetrator, as cited before, was torturing me and reducing me to slavery since my childhood ! They were spying me 24h /24h by satellite technologies and considering me as a prisoner since I had 12 years old !!! They were buying me as prostitute to the rich men of Arabie Saoudite and to other rich men of the world ; and this old perpetrator who is paedophile and serial killer rapes me savagely by using these DEW since I had 12 years old, and insinuate that he played a major rule in destructing my carrier. He sabotaged all my attempts to marry intellectual persons, and with the other perpetrators he sabotaged all my attempts to have a job. My perpetrators are all the time humiliating me and pushing me to suicide every where I go. They are making intrusions at my home in my absence, and attacking my clothes and valorous objects, and destructing them or making holes in them, or introducing dirt to them, to make me understand that they are the Owner of all things belonging to me. The old perpetrator insinuate that me and my objects belong to him and I am as his slave and that I would never be detached to this prison and slavery.

These are extreme and monstrous CRIMES AGAINST HUMANITY - indescribably terrible in themselves - coupled with the Orwellian secrecy and denial of any support at all that we are experiencing, makes them even more horrendous and monstrous. So please do your best to investigate in my case. I am being prisoner and reduced to slavery for more than 30 years, and since my childhood, by the Moroccan authorities and by this old perpetrator who is Jewish and Zionist, for NO REASON, and WITHOUT ANY VERDICT ! And even there was a reason for my prison nothing could justify practices such as torture for so many years, and nothing could justify torturing me and strangling me many times until felling my death by using DEW weapons. These crimes against me and my family are more horrible and more atrocious than the Nazi crimes !

Can you also help me to have some ULF electromagnetic waves detector ; because in general the good ones are very expensive. With such detector I can give you proofs of attacks by these DEW weapons against me.

12/4/16

The abuse begin in 1984. The paedophile who has been employed by the Moroccan authorities to spy me, raped me in 1984, when I have just 12 years old, and since this year he has been selling me to the rich men of the Golf and others in the world!

I wanted by my complain to ask you if you think that it is OK, and if I can send it to some organisations of humans rights . I want to ask these organisations to help me to buy some detector, or to investigate in my case. As you see it is more than 30 years old of torture and abuse.

Thanks and regards.

Seeking solutions against "mind control"

I got your email address from the website "<https://sites.google.com/site/remotemanipulationstechnology/landingpage/organizations> "

I am the object along several years of reprehensible acts committed against me till today via a sophisticated type system "mind control".

It began in France around 1999, and it continues to this day in Tunisia,
I am a telecommunications engineer Tunisian national who completed his engineering studies in a high school French (grande école d'ingénieurs).

Those who use the system "mind control" are more or less known by their orientations and interests, I suspect that this system "mind control" design is made in the United States of America, it is also used for manipulation and political objectives, security, terrorism, ...

My story is very rich, I can not summarize it in a few words.

I am looking for an effective way to protect myself the "mind control" system.

Do you have items to help me in this regard?

In addition, I understand that Dr. Nick Begich in his book "Controlling the Human Mind" gives advice or solutions to protect against the type system "mind control", unfortunately I can not be get this book from Tunisia.

For all practical purposes, I inform that during the writing of this paper I am monitored ("mind control") and all my emails are at least monitored and controlled.

Thank you in advance for your help.

Cher John Finch,

J'ai eu votre adresse email du site Internet "<https://sites.google.com/site/remotemanipulationstechnology/landingpage/organizations> ".

Je suis l'objet le long de plusieurs années d'actes condamnables commis à ce jour contre ma personne via un sophistiqué système de type "mind control".

Cela a commencé en France vers 1999, et cela continue en Tunisie jusqu'à ce jour,

je suis un ingénieur en télécommunications de nationalité tunisienne ayant effectué ses études d'ingénierie au sein

d'une grande école française.

Les personnes faisant usage du système "mind control" sont plus ou moins connues par leurs orientations et intérêts, je suspecte le fait que ce système "mind control" soit de conception faite aux Etats-Unis d'Amérique, il est utilisé aussi pour des manipulations et des finalités politiques, sécuritaires, terroristes, ...

Mon histoire est très riche, je ne peux la résumer en quelques mots.

Je suis à la recherche d'un moyen efficace pour se protéger de ce système "mind control".

Avez-vous des éléments pour m'aider dans ce sens ?

Par ailleurs, j'ai cru comprendre que le Dr. Nick Begich dans son livre "Controlling the Human Mind" donne des conseils ou des solutions pour se protéger contre les systèmes de type "mind control", malheureusement je n'arrive pas à se procurer ce livre à partir de la Tunisie.

Pour toute fin utile, j'informe que lors de la rédaction de ce texte je suis l'objet d'une surveillance ("mind control") et que tous mes courriers électroniques sont au minimum surveillés et contrôlés.

Je vous remercie d'avance pour votre aide.

ELECTRO MAGNETIC ASSUALT

The project mind reading

This last 4 years I am facing torturing from Satellite Surveillance Technology [Satellite Surveillance] and facing enmity from Indians also, who always listening and interacts with them. And the roomer is I have a world record in operating tiles press and that's what the reason of reading my mind may be just apologies to mislead some stupid.

I am wondering still I am alive, especially like this situation, facing secret enmity from my own natives, and also facing the super threats like surveillance. And my life in early period of my life is mostly related with the film planet of apes. In full means a lonely life here.

There is more projects [MKULTRA, HAARP] most offers multi targeting and more victims like me domestic and war related experiment. But some changes in my case, here have more witness [including foreigners] and numberless are accomplice with this crime. And also no Brain ID scanning or bio chip implants in my case. And it's a daring attempt from surveillance, proceeding with the knowledge of world. May be they are checking the

advantages of their future high tech weapon. And very clearly they aren't aims just a mind reading, but memory [cells] i.e. our past or remembrance and may be just a study or a huge research. For decoding memory [keep remembered on] I guess they call help from our people to inter face us and to interact. And very clearly they are the hidden elements behind my destiny. Surveillance can easily track me without my knowledge or with out informing me and our people. And here I have some doubts; just like me a creep can't do more without help.

I am targeted by surveillance it's not my problem, but the people who inter acts with. And I think they have better choices than me, but the stupidity they may have only from here and without doubts why they choose me. Might be freaking decision from surveillance, but the attitudes of Indians its really freaking and ridiculous. Definitely that's my problem, torturing from Indians, and first 2 years of this period I was severely punished by them, nuisance while sleeping, menacing, threatening, and made problems while working. But I am too weak [with out surveillance heading] to file a case against them, denial of fundamental rights or any torturing incidents. It's not just easy to overcome, especially facing torturing from my own society. But I must have justice from here.

The Real Rival

I think early period of this [May only months] experiment they got mistaked and so why they co-operates. But now I am facing enmity from them. The reasons may be they weren't ready to approve their mistakes, or may it's an absurd act. I ought to believe I am blessed one, or I haven't here. Surveillance is a high definition torturing but Indians is the death with me. No money, no jobs [permanent, but haven't temporary also, that's my present situation here or that's they need to be. A little bit depressed by the 4 years of fighting for justice, that I haven't yet, and a little disappointed, lost family friends and even a smile also.

Dear Friend

I G.Ravi Kumar Indian citizen who are attacked the gang stalking and mind control by my relatives since 2000 (I have started to hearing their voices in my skull). Originally first they are started my mind control without any voices from 1982. because my habits and living style was changed from 1982.

They are tortured me since that time 24 x 7. Several times I went for meet them, but nobody I could not met. They are gape publicity against me in relatives and friends circle as HE IS MAD. Many of them suggested me to meet Psychiatrist

They isolated me from. I stoped to meet people and explaining what is going on me. I sent complaints to Andhra Pradesh (one of the state in India) Government and police officials through letters and mails. No communication is reached their destinations. Personally met the police but no use. They are ignored me and my complaints. I got warning also from them regarding my communications. I have not stopped my communications to authorities and calmly doing my jobs. I don't tell this to my wife also. They are closed to my wife and she don't agreed when I was told to her at first.

I have most confident that one day I shold stop the nonsense and send the culprits to behind the bars.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a Victim of Organized Stalking and Directed Energy Weapons Torture

I am victim from INDIA for very long . All this started happening to me suddenly from 1988 (My college days).Initially it started with Gangstalking and subsequently the electronic attack began. The period was very eventful. I could not understand anything. It is only after 1999 and later I discovered a lot of info on net. There after I gradually understood the game. I made myself strong to face the consequences.It is going on till date...

I am in touch with 4 other Indians thru net. Two persons are also in contact by telephone. We have discussed things happening with us..... In my contact is one person a Scientist from a nuclear fuel complex, another is a professor from Medical College, one person is Phd Indian student from New York and one person from business community. I have forwarded the petition to all these persons.

I demand for an international investigation of those crimes and huge violations of human rights.

I would like to report severe Human Rights abuse using Hi-tech Non Lethal Weapons on Human.

The silent invasion through Psycotronic Microwaves in India has become very evident. There are several victims all over the world and now reported victims from India too. Also one can check this link which specifically mentioned attack on India, <<http://www.i-sis.org.uk/BW.php>> for Latest Press Release News by an International Science Journal describing as "Bio-electromagnetic Weapons as the The ultimate weapon. A weapon system that operates at the speed of light, that can kill, torture, enslave and escape detection" Their Modus Operand is like this, They have made corrupt employees as Agents who identify the human targets and hook them up to Satellite which continuously keeps track of the target and mentally torture them.They are also spying using this technology.

A targeted person is tracked, either via some signature characterized by the resonant characteristics of his skull or DNA, or by tracking signals emitted by implants put into him during abductions, or perhaps by more sophisticated methods.Computers perform the calculations necessary to alter the signal of each of three cell phone towers so as to triangulate a hotspot of signal at the target's location.These signals consist of microwave carriers with ELF modulation and audio encoded messages.the microwaves resonate with DNA, can penetrate flesh and bone, pass through some walls and windows,and are already in use by cell phones.A scientific analysis published by the Dept of Psycho-Correction at Moscow Medical Academy stated: "It has become possible to probe and alter psychic contents of human beings DESPITE THEIR WILL AND CONSCIOUSNESS, by instrumental means,can be used manipulating psyche.

This is possible because every human brain has different brainwave fingerprint.This technology treats human mind as an electrical circuit.It is able to understand and manipulate using electromagnetic raditions of any electrical or electronic circuit in the vicinity of the target.

The Agents themselves are the carriers of the technology through their body. This looks like Science Fiction But now its real life application. When a person is hooked he becomes subsequent carrier of the technology this way it penetrates in society. Also to hook subsequent person is at the discretion of the people at control room. **This is more dangerous than tapping of a telephone because the target's mind can be read without his notice. Also It can harm the target without leaving any evidence.**

I have been experiencing the use of this technology ORGANISED STALKING, DIRECTED ENERGY WEAPONS, NEUROLOGICAL WEAPONS, TORTURE and/or ABUSE on me for very long.

My Experiences and Symptoms :

(1) It makes me feel paranoid by synchronizing palpitations and external electrical disturbances like flickering of electrical bulb or tube light and "click" sound of a stabilizer caused by electrical fluctuations (it causes fluctuations of voltage at particular targeted point close to the target and not the entire electrical phase which is abnormal).

(2) Also mild nerve pains which keep shifting.It makes me feel as if my mind is being read.

(3) I have got electric shock on few occasions when I touched another person (both the persons felt the shock), this has happened both within our family members and outside.

(4) I also get electric shock while in sleep and also had frightening nigtmares.

(5) Once my brother had illusions of all objects appearing magnified, we had to rush to Doctor but it subsided on its own the next day. I have been experiencing this for quite long time and I know nobody will believe me.

I have come in contact with a scientist in Department of Atomic Energy, at Kalpakkam, Tamil Nadu who is also having same problem. He has detailed his experiences to me thru email. I got his contact from Ms.Cheryl Welsh. Ms.Cheryl Welsh is director of CAHARA (now Mind Justice) is raising voice against use of these technologies and fighting for human rights. She has enough proofs documented on her website about the existence and use of this technology. She is also representing this technology abuse at United Nations.<<http://www.mindjustice.org/>>

Recently I was in Delhi on family tour .I noticed a wall pasted poster on wall of Palika Bazaar . It was "HELP" poster by another victim . Since I was on tour I had a camera I took photograph of that poster. Unfortunately the victims email ID did not come clearly in photo. It said about inhuman mind reading and dream implantation in subject's mind remotely. I have traveled from north to south but the effect on me goes on 24hrs 7 days.

Latest is I have come in contact with one more person who is victim of this technology, he is from Punjab.He is getting his medical examinations like MRI done to prove the technology abuse on him. He is trying to establish proof. He is also trying to contact some radiation experts to identify the frequencies being applied on him for working of this technology.

[Dr M S Rao chief forensic scientist and director of Forensic Science from the Ministry of Home Affairs.Making a keynote address at the Forensic Science Forum as part of the 93rd Indian Science Congress held at the National Police Academy said " there are also challenges for forensic experts with respect to target oriented low frequency portable electromagnetic radiation tools, which could remotely be used by criminal on a person's body parts and create havoc in respect of brain damage, heartache, kidney failure,liver damage."](#)

[I want to focus the attention of the Media and Public that this technology could be a questionmark for Human Right violation.](#) If it is technologically possible to target mind of a person and alter his actions and harm his body that means it can be a double-edged sword.Human Right Activists should watch this emerging technology so that it is not misused.I am trying to bring social awareness of this technology, just type"electromagnetic radiation tool mind control" in any Search Engine on Internet and one can get the idea of threats to Human Rights with these technologies. This technology also known as Influence Technology targeted to manipulate the nervous system is highly classified technology by the Developed Countries particularly USA. [The present state development of this technology has been kept under deception form the Media and Public. It has potential of major Human Rights Violation because it can be used remotely on any Human. Stronger International Laws are needed to keep it under control.](#)

[If these techonologies fall in the hands of anti-social elements and terrorists, it can be a major threat to the Society. Scientists should develop means to detect and stop this attack. The Media should bring full social awareness and close monitoring of this technology and also involve in investigative journalism of the present state and](#)

development of this technology both at National Level and Global level.

This News Article "TOOLS TO TRICK BOMBER'S MINDS HYDERABAD, INDIA ,DECCAN CHRONICLE NEWS DATED 7TH JAN, 2006" which refers to the development of portable electromagnetic radiation tools. Making a keynote address at the Forensic Science Forum as part of the 93rd Indian Science Congress held at the National Police Academy on Friday Mr Rao said, "This technique of using electromagnetic radiation can control the mind of the suicide bomber and make him to leave his target place silently without making any effort to explode the bomb at the given area." Dr Rao said there are also challenges for forensic experts with respect to target oriented low frequency portable electromagnetic radiation tools, which could remotely be used by criminal on a person's body parts and create havoc in respect of brain damage, heartache, kidney failure, liver damage.

Electromagnetic weapons are classified as Non-Lethal Weapons Experts in the world in UNIDIR, United Nations Institute for Disarmament Research 2002 Media Guide to Disarmament in Geneva.

(A) Tools to trick bomber's minds DC News Dated 7th Jan, 2006 Scientists are planning to use Low Frequency portable electromagnetic radiation tools to immobilise the suicide bombers, said Dr M.S. Rao, chief forensic scientist and director of Forensic Science from the Ministry of Home Affairs. Making a keynote address at the Forensic Science Forum as part of the 93rd Indian Science Congress held at the National Police Academy on Friday Mr Rao said, "This technique of using electromagnetic radiation can control the mind of the suicide bomber and make him to leave his target place silently without making any effort to explode the bomb at the given area." Mr Rao added, "We don't have this technique available right now. We have to adopt the technology. It will show effect on the brain. Nowadays suicide attacks by terrorist outfits demand innovative planning and rethinking on forensic research. A suicide bomber has to be tackled properly by detecting explosives from safe stand off distances.." "Forensic psychology also plays a vital role in dealing terrorist cases. Narco analysis and brainwave fingerprinting can reveal future plans of terrorists and can be deciphered to prevent terror activities," Mr Rao said. "Preventive forensics will play a key role in countering terror acts. Cyber terrorists are targeting e-commerce and e-governance," he added. "In jail, criminals talk with co-conspirators on mobile phones which is not permitted. Cellphone jammers in the jails make the mobile phone non-functional. This arrangement puts the jail officers and visitors to inconvenience. To overcome this problem, now cost-effective Frequency Selection Wall Paper Screens (FSS) with metal grids have been designed to filter all radio signals and silence the cell phone in jail. This arrangement will also help detect cell phones in jails when not switched off," said Rao. "Small radio isotope sources used for diagnostic purposes, therapy in hospitals and for Research in universities and organisations are pilfered and used in making in dirty bombs which after explosion can have severe radiation effect on water resources, animals and plants," Mr Rao said.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

1/8/08

I am Maheshkumar from India. I am 28 years old. Gang stalking for me started 3 years back in 2005. I was working in Medical Transcription Company as an Editor. This is a Home-Based Medical Transcription Company situated in Pittsburgh, US. I will call this Company A. (Name of company not disclosed.)

The reason for my Gang Stalking is the answer that I gave in an interview with Company A. The interview was with a female Production Manager. She asked me "What would you become in 5 and 10 years?" and I said "I will become a Production Manager in 5 years and CEO of a company in 10 years." Can anyone in this world feel bad just for giving such an answer? She assumed that I am a very, very, very, very arrogant person and that I needed to be corrected which she would suggest indirectly. I worked in Company A for 5 months which was total and complete ill-treatment. Pissed off by their bad treatment, I resigned the job and in the exit interview, I commented to Department Head "I had never worked in such a bad management." They never reacted anything. I thought the problems were over and I could join a new good company which would treat their employees with respect.

Unfortunately, Company A had started a Company S (Dummy Company) just for the sake getting me employed in Company S and extract all the information about like sexual preferences etc. so that they could manipulate me in the future. I got a call from Company S. In medical transcription, a salary of Rs. 15,000 for an Editor would be expected to edit at least 1500 lines daily but in this company I got only 600 lines to edit. That it self arouse suspicion within me, because Medical Transcription companies do not even pay the promised amount of salary sometimes and this company was paying so much for nothing.

In Company S, brother of Company A's female production manager joined without exposing me the truth. He would come out with a topic about Company A and ask my opinion about the female production manager in Company A. I would just pour my negative feelings about her. The whole company was bogus. They did workplace mobbing, emotional abuse, gaslighting and all the negative things that could make me feel bad. At first, I thought it was just that they do not like me. But when it came to an unbearable level, I resigned the job from Company S.

Then the actual revenge started. These guys slandered me that I am a Pedophile and want to have sex with married women to all my relatives, neighbors, friends, 3 brothers and anyone whom I had ever come across. (At 28 years, I am still a virgin.) My dad and mom are the only people left for me. They have blackmailed my brothers and got into this. Even though, they have not admitted it explicitly and I know about them and I was able to make it from their expressions like "I know it is bad, but I cannot do anything." They have torn my clothes, did street theater, loud noise campaign and all those. All my old friends and relatives who I am not even in touch would suddenly come to my house and be very caring and loving kind. But when you take a closer look, they will always lead me into some kind of trouble. My relatives, friends and neighbors started to act differently. They indirectly would suggest as if I am a sex maniac.

After learning that Company A is stalking me, I really felt overwhelmed. I was out of control with the things they did to me. My elder brother secretly convinced my mother that I am an insane person and with the help of psychiatrist, they gave me some medicine. My mom two weeks later told me truth. I somehow convinced my mom that I am normal and stopped taking those medications. It was awful, traumatic that how people you trusted and believed start to betray you. Yet the truth is, they are being forced to do these things which I was able to discern only later.

Knowing that going to police station was not of much use, I called the Chief Minister's Secretary of Tamilnadu, India and he recommended me to go to the police station which was no use even after the fact that my father is a Sub-Inspector of Police. They have so much influence. In fact, my father is being mobbed in the police station where he works by his superiors, but he cannot understand what is going on and he does not believe me that it is all them who is doing it.

When I went with my dad in a two wheeler, Company A hit our two wheeler with a car and my dad's ankle fractured. There was no compensation and in fact, they told it was my dad's mistake.

Just by May 2008, I did really came to know about Gang Stalking. Websites were really helpful, it gave me useful information. I was able to at least convince my mom what is happening to me. Last two weeks, they are not allowing me to sleep with electromagnetic harassment.

I would recommend all TIIs to visit EFT site, emotional freedom techniques. EFT really helps to come out of negative emotions and a lot more.

I had seen the name of some TIs from India. So if any TI from India could contact me, I would feel great.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

i filed a complaint (as i doubt that US people do it on terrorist by their unofficial CIAs 4 th branch) & my body also starts controlling . * frustrated /puzzled / lost faith in the law enforcement officials) .

i donot know - what is being done to me

1. there was no medical operation (no chip implant has been done by surgery)

2. voices were there: which make you crazy , violent some time , sometime calm , difficult to explain in words , lot od people say to me that you are ok . but i am not sleeping well in night (lot of dreams) . i am sure you must have knowledge of it .

i got (european council) your numbers from one of the victims letter poster at peacepink website .

i have written my concerns to Rajasthan (india) police . about their role if indian people do it or CIA supported (illegal people) people do it all over world . may be via satellite (artificial neural network of mind , magnetic wave , sensor (could be bio metric) or nano technology .

we are sure that CIA (some of the staff) knows that it can be done . but whom should it be reported to stop . check - mukultra based victim (on internet)

what victim should do ? their life is in unknown person hand , who treat him like slave (by capturing mind & torturing him from intercontinental distance)

check website : peacepink.ning.com .

will you ask CIA to answer (not all people know about it)?

why it is still in circulation ? may be for laid off people job in america for americans & torture worldwide people . as they have long & short disability insurance ..

Does you country have that capability to torture BARAK obama / or your own prime minister ?

why they do it for common innocent employee to make job for others ..

See my letter for Piolice staff & news paper clipping

let us share what we have ?

Dear Police ,

I informed earlier (as my below mail) .

Should i consider that Police Know How tantrik/ CIA from USA (CIA patented machine fallen in wrong hands) do this work ?

Do they have earlier data how they do it ?

DO they have victim list (suspected) & their reason of happening this torture ?

what Can be done by this torture ?

How does it happen ?

Cannot be done on MP/MLA ? if it is done on them what will be their role ?

have u spoken to NIMHANS senior people (to know psychiatrist view)

does police can do this satellite based torture (the torture , if cannot stop , just like tantrik claim)

Any committee , who has given report for such crimes to Govt (technical , social & consequences wise)

or should i consider that Indian police is (Danada chaap non technical)

they cannot save their citizen or atleast can ask help from CIA / US president or inform ministers That yes we have heard that Some people are victimised (killed or get killed) by Tantrik / distant REIKI/ Conversational Hypnosis(non registered way of practitioner) .

visit website : peacepink.ning.com & mukultra based victim in USA . (they are little bit scientific approach) .. what are rumours ? what is the fact (some available some are to be find out) if indian (few people) people can do, from what distance it can do , how many people can do , let them do It on AMbassdor of US embassy new delhi or their people . why common indian are victimised ? if you think it does not happen , ask following question from CIA people :

1. They do MIND reading at AIRPORT - how (contact mode or non contact mode)

2. What is sleep depriviatiobn method , which was applied on SAddam hussain .. (why it was applied on him when he didnot do any criminal work , he was president of IRAQ)

3.MUkultra project

4. brain washing technique

at least people who have registered complaint in POLICE ?

what is the help if USA(CIA or illegal person of CIA) is doing on a person in INDIA by satellite ..what A victim should do ? if he is not allowed to work he has been sent to jail by US official by labelling him terrorist . in india it is covered by family problem to sjow that indian police is helpless & care for their salalry monthly & promotion for not taking proper action or advice to the victim .

Regards

21/5/13

i am really sorry to heard about you . but we are the victim of one people for you & one people for me . it is not US country who do it but some (CIA 4 th branch , non educated people , officially closed , have this torture HMI(human machine interface) .

i am also been targetted sinch dec2001 or Jan 2002 when i was in USA (on h-1 B visa) & even after returning to india i have been targetted . my relations with family has ben ruined , health has been ruined , career has been ruined (i am BE+MBA+12 yr experience person) .

now i am jobless from 12 years , no social security , writting to different officials about this torture . i tried to do job but my unknown operator set me off . he donot want that i should sit on proper job & post ..

is it possible to get some financial support ? (monthly ?) i know you will be already in problem .

in your below mail .

help : let me know how can i help you ? i may refer for a job if you let me know your strengths . what i feel that unknown operator can make us (SICK /torture) so i donot know what i can do . i am sure i cannot arrange money for you . for me 800 Dollar is enough for living in india .. i used to earn 5000- 6000 US Dollars earlier . now i am bagging ..

23/9/15

My Name is Ali MEZGANI I'm From Morocco, I am controlled by a group of chinese person 5 bad guy.

I'm infected from 2006.

Subject: Investigations against a control of mind via satellite signal against Chinese individuals

Let me contact you to ask you for help, my case is a case unlike any other, and to open an investigation in this direction.

I lived in France during the period 2000-2006, at first I was a student at Valenciennes and employee in Paris. I worked as engineer networks to AFNIC to Saint Quentin en Yvelines in 2005-2006.

I was probably infected by nano-robots (nano chips) with an intervention of a dentist in April 2006 which was also controlled at my Dental treatment.

I heard voices that spoke to me and listened to what I said and what I thought, I do not know to this day why attack a body of a young man and inject robots for malicious.

These people were really an obstacle with respect to the progress of my personal, professional too. I was married and I was living in Paris 5. Having a normal life, they created horror in my life. They injected the ideas in my head and pushed me to leave my wife.

They pushed me also to leave my job in June 2006, and eventually they made me return to Morocco.

All this for a reason unknown to me, I was young 27 years, with robots in my veins, a signal pointed in my brain and my body 24/7.

On returning to Morocco in 2006, I went to see the military hospital in Rabat to time explaining what has happened and what is in my body, they have not really believed me and they conducted no investigation in this direction.

What I realized during this experience is that the signal comes from china and the individuals behind the massacre are Chinese bad person, and I think we need to investigate in this direction. Why this move France-China, I do not know, but a guy speaks to me through thought and assumes that they are Chinese.

I feel bad headaches due to sending the signals in my head, this signal really is hell for me.

These nano chips are everywhere in my veins they started small cut my veins, those of my brain, I do not know what they have caused such damage.

What was scary is sleep at night and leave his people with this weapon between the hands with which they enjoyed to make cuts in my body, brain, arms, heart, feet, legs,

Currently I have serious cuts in arms, my legs, my feet, my stomach, and continuous work on my brain, nerds also cuts, destruction of my neural brain network, other serious accidents.

Please Madam and Sir, consider my words and go back to the responsible services to people who can decide and

conduct investigations in this direction, I repeat again, I am a young executive who works as UNIX Administrator at HP Technopollis Rabat, Morocco former resident of France. Thank you kindly answer me so that I give you more information.

I am currently in charge of a family and my life has a lot to them, please help me please, to find the source of these attacks, to stop this signal, and to submit to justice, people who were behind the massacre.

However, if you need me to introduce myself to you let me know, I live in Rabat.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

3/3/09

I am a 37 year old woman living in South Africa. I sketch caricatures for a living.

I am being gang stalked. I am under constant surveillance and harassment from the community, through to the media(national and international).

I believe I am being branded a paedophile and the masses have swallowed it. Now they're ready to chew me up and spit me out. They're massing up in the name of righteousness and having a real good time in the process.

Politicians, cops, large corporations, radio, T.V. newspapers, the community is involved. Community stalking intales being blocked at every turn, having repeated snippets of conversations regurgitated and directed back at me and hand signals amongst other things.

T.V uses double talk (injecting key words, colour and hand signals to indicate to me and the audience that they know about and support this open secret).

The perpetrators are using info on my computer - T.V. adverts have used imagery very, very similar to stuff I've done on my computer.

"They" are watching me in my cottage(Satellite).

"They" can read my mind in real time.

I have included just a few of the many samples I have.

I am looking for any kind of help or advice.

Samples

Repeated snippets of conversation and mirroring.

It was raining this morning, so I wrapped a customers caricature in a black plastic bag and made the delivery. After I had done my time on the treadmill at the gym, and was busy with some other exercise, one of the instructors wraps the machine next to the one I was on in a black plastic bag.

I had bought a hair piece with the label "Pretty Woman". When I got home, a message appeared on my cell phone

sporting Pretty Woman with a big smile. She then morphed into Pretty Woman with no teeth. It was sent by a private number.

I watched the movie "The Human Stain". Anthony Hopkins says a couple of times "Dance for me". I'm sketching a couple at work and while I'm sketching the guy, he say's to his girlfriend "Dance for me".

My printer says "printing started". I'm at work and one of the security guards say "printings started" as I walk past him.

A father and son were also doing caricatures at a conference. They both had very similar bags to mine. The son say's to me "I like your bag". I get to my drama class that evening and as I get out of my car, I overhear "I like your bag".

I fill up with petrol and I overhear an attendant say "bluebird". Earlier on I had come across the term "operation bluebird" on the internet.

A couple of day's ago I was reading about the occult and the Nazis. The next day I go shopping and a clothing attendant says "Hitler".

I was looking up vegan recipes. Saw some taco ones. At work a guy slowly walks past me eating his taco. He stops in front of my stall and keeps eating, he then moves over to the book store so I can get a better look at him and he's taco.

I pace my stall at one point. Guy with a pram comes out and starts pacing alongside me.

A teenager sits alone having coffee next to my stall. She then comes up to me, compliments me on my drawings and asks if I want coffee. I thank her but say no thanks. Her mother and father arrive shortly after that. My next shift at work the same girl comes to the coffee shop at the same time by herself and sits alongside my stall - just before my closing time. Then I see she'd disappeared and her father is sitting there.

At my Metaphysical class, one of the women spoke about her daughters flat burning down and the tenant saying it was an electrical fault. This was at the exact same time I had asked the landlady about getting an earth leakage unit installed in the cottage because the guy who looked at the geyser had said it was very unsafe, the place could just burn down. Another woman spoke about astro travelling into her ceiling where the geyser was.

I had been looking at the Twin Towers and Bush on the Internet. The following day the woman I was living with (my landlady) and her friend were laughing and talking about some business card with "Twin Towers" written on it.

Media

An acquaintance mentioned Zeus, soon after that a Steers advert on T.V. appeared featuring a "Zeus burger".

I told a friend of mine that the whole world was against me. One woman on a local T.V. show say's "..... the whole world is against you..." They use colour, props and people to mimic what's happening. . I noticed a couple who looked VERY much like my ma and her husband from the side and behind. They also spoke about Champaign from France in the same scene.. Eddie had bought French Champaign for their anniversary.

Larry King on CNN is interviewing 3 women at the same time, and get this, they're all wearing braces, they're in their late 20's, 30's and 40's. I could have sworn a shot of Sarah Palin had her **sporting** a pair of braces. At the time I was part of an amateur drama group. A teenager wearing braces was also in the group.

Oprah's theme last night was the "rude awakening". I had written and left in the DRAFT part of my blog that the radio, specifically the 94.7 "rude awakening" show was targeting me.

My car had been ripped up outside Checkers. I couldn't open it with my key. When I got home, I put a brick on it incase it rained. Later there was a "Pasella" snippet (Lifestyle show on T.V) which included the silver Olympic medallist holding a brick. When I watched the whole show the brick snippet didn't appear.

I was asked to sketch bosses on bosses day in Johannesburg central. On my way there, I saw somebody stop their car on the highway and the passenger go towards the open boot. As I turn down one of the city streets, a woman

gets out of her car to get something out of the boot. As I arrive at the underground parking I notice that the whole row of cars against the first wall and leading up to the second wall where I found a space to park in, were facing outwards with their boots against the walls.

“You loose everything brick by brick” - snippet from another talk show.

Guy at pub says people came and took away bricks from his house.

Metaphysics lecturer mentions “bricks”.

Skye, CNN, Oprah, the SABC including Pasella, Top Billing, Noeleen’s 3 Talk and many other local and international shows are involved.

Radio and Satellite

Listening to radio 94.7 - the rude awakening. While I’m logging on to my computer just before I type my keyword . DJ on radio says “I forgot to give you that keyword - faith”

There’s a major cycling race on. Many roads have been blocked off. I have a function on and I’m looking at the cycle route map on the internet. Just then, the DJ who I’d been listening to for the past 2 hours say’s,” let me explain what the map looks like, it’s similar to the map of Africa.”

I woke up this morning at about 4. 45pm to a noisy toilet (just flushed). I go and check it out and I see the toilet lid is DOWN. I never put the seat down and the last time I had used it was last night. I had also stayed in last night. Just after I turn on the radio a bit later on that morning, DJ says “Mariah Carry gets some of her inspiration from the toilet”.

I get an e-mail from magicians secretary saying that he’ll be on a certain radio station at such and such a time, 2 weeks in a row. One can phone in and the magician is able to move objects around in your home. I tune in both times and there’s no magician.

My thoughts are being read in real time.

Advertisement on T.V. features an blond and a brunette. I casually think to myself, are blonds or brunettes more attractive generally? Back to the presenter who’s suddenly sporting a brunette wig. She was blond a couple of minutes before.

I’m watching a talk show and as usual I’m hearing “double talk” (phrases or words which are aimed at me within the context of the relevant conversation) . So I think to myself, do they have big boards being held up by the crew on the side telling them which words or phrases to inject? Just then the camera moves over to the guy with the glasses and I see a white rectangle reflected in each of his lenses. When the camera zooms out again, I see that all 3 hosts are holding large white boards.

While I was looking for parking at work, I thought to myself, I might get a few customers, I might make a few pennies (this is at a time when I wasn’t getting many customers). I had setup next to the coffee shop and a while later I hear a woman behind me say something about “pennies”. I then hear somebody counting a lot of small change on a table behind me.

Police

One morning I’m on my way to collect my renewed drivers licence. I’m stopped by the police, there were about 5 cars. They are wearing bullet proof vests and some of them have guns. They want to see my drivers licence. That night about 13 cop cars pulled in behind me as I left work. One of them flashes their lights behind me, he wants me to pull over. I ask him what did I do wrong, he can’t answer, I ask him again, and he says he wants to see my drivers licence.

I go to the police station looking for a prop I’ll be needing for my “cop character” in the amateur drama production. As I get out of my car I notice about 6 guys standing about 3 cars down from me, eating lunch on a car boot. 3 are in uniform and the other 3 are in civilian clothes. I hear them laughing and saying “poes, poes,poes”. Poes is also used in the show. When I come out, the 3 guys in civilian clothes have moved over to my car and their lunch is on my boot.

Dreams - my dreams are being read and I believe they are also being implanted.

The cake dream

I had just switched to Sky news at the gym and a guy says ".....a piece of the cake....." and I suddenly remembered the dream I had last night. I had met some women, there was lots of cake in their apartment, I left but I forgot to take a slice with me, I wanted to go back for it but didn't want to make a nuisance of myself. Then I remembered another section of the dream, they had given me drugs, they had also taken the same drugs which chewed a **big hole** in the blond woman's earlobe. I started to panic and thought it would also chew a big whole in my stomach. The women said not to worry, that won't happen, the effects of the drug only last a few minutes and the ordeal is almost over. I then notice one of the Sky presenters has what looks like a red apple with a big whole in the middle attached to her pocket. 2 other presenters are wearing the same thing. (4 November 2008)

I get an email from the Salsa group saying "Hi Angel Cakes".

The doctor also asks me on the phone whether I eat a lot of cake.

The guerrilla dream.

I had a vivid gorilla dream. The next day a child line advert is aired incorporating a gorilla.

This makes me think that some of these dreams are implanted.

The coat dream

At gym today, while I was walking towards the back machine, I noticed a hand apparatus, woollen side facing upwards. This made me remember my dream last night. I dreamt Sharon and I had coats on. I had a beautiful cream coloured coat (the inside was woollen) and she had an ordinary black jacket on with no padding. She asked if we could swap coats, so I gave her the fancy jacket.

After looking at the hand apparatus, I looked up and a gym instructor was looking at me, he seemed pleased that I had noticed it.

Cottage

When I first arrived at the cottage, I noticed that at night I would develop an uncomfortable, stuffy nose. I later realised that if I slept with my door open, I wouldn't have the problem. Lately I've noticed, that when I sit down at my computer, my nose gets runny and there's a slight irritation in the air. Blood just ran out of my nose once. I suspect my neighbours are using strong chemicals and their focus isn't the garden.

I also asked why the previous tenant had left and how long he'd been in the cottage. The landlady said that he'd only been there 3 months and he had to leave because his chemical business had gone sour, he ran out of money.

My clothes are systematically being destroyed, I notice a bead missing here, a tear there, many oil patches, other stains which I can't get out. My shoes have been destroyed, it's usually one shoe from each pair. The zip of one of my skirts was totally ripped.

Conclusion

In a movie called "Watched", one of the victims is sitting in front of a coffee shop. "Victims are killed, no evidence is left.... the killer goes for loners and outcasts". This pretty much sums up the intension of gang stalking - to rid the target. I also agree with other targets who believe that we are being used to indoctrinate the masses into a police state which is part and parcel of the New World Order.

So that's the letter. Stay strong. It's people like you who give other TI's hope.

18/3/09

In connection with the responses you've received from the authorities 2004 - 2009, it doesn't look as if anybody wants to help. These people know exactly what's going on. The Politicians, media, the big corporates, everybody knows and they're all backing the gang stalking. People who would like to help feel as if they'd be farting against thunder. Certain gang stalking sites are also run by perps I believe. I receive a lot of e-mail from supposed "TI's". So I guess I'm also being stalked in print. I can't figure out why only 22 TI's attended the gathering in Strasbourg out of hundreds of TI's. Are there perhaps allot more perps parading as TI's than you think there are?

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE

VIOLATIONS OF HUMAN RIGHTS!

Kind Regards, Patricia

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

7/11/09

HISTORY OF MY HARASSMENT CASE:

MAJOR HARASSMENT CASES AND DATES AFTER INITIAL POLICE CASE

As I a victim of extreme torture and abuse using DIRECTED ENERGY AND NEUROLOGICAL/PSYCHO-PHYSICAL WEAPONS, I am going through and towards a pathetically abnormal and painful life, full of pain, agony and suffering with helplessness. The criminal use of these on me are causing the following effects:- from January 2009 -

- # Complex control of the brain and nerves with electromagnetic weapons.
- # Violation of privacy through advanced satellite spying technology used on organised crime
- # Severe torture of brain, nerves and body parts through extremely harmful psycho-electronic weapons and poisonous chemical and heat radiation
- # Severe psychological torture through remote manipulation of brain and nerves
- # Criminal intimidation and threatening through advanced Neuro-Phone technology
- # Shock-waves to my body to make unable to move, sometimes paralysing phase.

INITIALLY THE TORTURES WERE LIKE:

- # inescapable voices inside my head and I'm not a mentally ill person
- # no matter where I am, a repeated instance where it seems my mind is being read
- # forced awakening, can't go back to sleep, as if I'm on high doses of caffeine and just opposite to give dose of sleep by unknown medicine (chemical reaction)
- # blowing cool air sensation on my body parts, due to get harmful chemical reaction to numb to move; felt that particular body parts have no sense, like paralysing effect in torture field
- # tortures with hypersonic sound and acoustic waves

GRADUALLY THE TORTURES BECAME LIKE:

- # total sacrifice of physical and mental privacy for 24 hours by psychological torture. Painful frequency penetration in brain's different sector (esp. mid-back sector painting 4/5 hours painful continuously) and get scalp keratin pigment damages. To begin with this brutal violation of privacy. Even though it sounds weird to the common life, it's a fact that I get tortured the most by faceless voices (three type of sex oriented voices M/M/F) inside my head, getting torture of manipulate my thought process by interfering continuously by their faceless voices. It is difficult to normalise my brain to do normal work, it remains helplessly mentally handicapped in this condition to get repeating lines – "Murder kore debo" – We will murder you. Voices always are navigating me to speak their language negative form of sentence and controlling my vocal cord to speak their way in domination. They don't even let me sleep at night something by controlling by their brain eapon to push me acute depression, uneasy life style, mental retardation and insanity. Sometime, feeling is coming suicidal. This is most sophisticated form of torture can lead to permanent insanity, brain embolism, cerebral haemorrhage etc..
- # frequent/infrequent attacks of chemical poisoning, which invalidates and incapacitates me slowly. These chemicals and dangerous harmful chemicals to acids to poisons, which are damaging me to a great extent.
- # tortures with continuous intolerance foul smell that won't let me breathe/drink/eat, creaking vomiting sensation

and compelled myself to vomit, weakness to my brain and body to feeling of collapse. Give me different types of smell which is widely related with our old house incidental memory.

frequent attacks with heat/chemical radiations, which can result in local atrophy of body parts.

invisible bullets through my brain to damage my brain/nerves completely and leads to painful stage inside the cortex.

very dangerous and damaging brain & dream manipulation and forcible fictitious, gross image projection in my brain with virtual reality simulation kind of tortures that crumbles and exhausts me down completely.

several attempts to choke at my heart, lungs and brain that gives me giddy, stiffness, burning/smashing pain feeling of weird kind.

several other kinds of bizarre and unbelievable tortures that would make any human go crazy, given medicine of abnormal brain response to make me abnormal.

attempts of criminal denigration and criminal instigation with a fabricated fictitious negative images. Negative subliminal messages also through songs, or through any source of sound.

sometimes continuous shrill, shrieking sound especially at hours of rest and at night, that effects nerves so much that can't go to sleep even with help of sleeping pills.

sometimes camouflaging me to give steroid type of chemical helpful chemical to sustain (faster walking, staying longer in semi-starvation level, high level of vision power) better to prevent understanding of their negative emotions or attempts towards me.

The whole exercise is so nicely camouflaged with huge hypocrisy and eye-wash that victim can be murdered in any moment or in continuous torture of their evil intensity in great helplessness in ocean of humanity that one can never be suspicious about real culprits and any idea about gravity of real situation. Here victim is in much of pain, agony, anguish and trauma associated with the whole exercise leads to damaging and deadly that ignorant won't be able to get any suitability.

To whom it may concern

Do not ask for whom the bell tolls, it tolls for you
Please do not turn a blind eye to our plight like our national governments. We are afflicted, we are facing extinction. Only you can put a stop to this savagery. Remind the national governments that they have obligation and commitment to honour international treaties and basic universal human rights laws.
The crimes are committed by rich educated men and woman who have the money to grease the palms of the powers that be to look the other way and let the persecution to continue with impunity.
Our national Courts are playing the numbers game. Whenever our complaints reaches the courts and are faced with the choice of saving an innocent person or holding the perpetrators accountable, they choose to save the perpetrators because they are rich.

Since when is justice a numbers game?
This electromagnetic torture, abuse and experimentation, and organized stalking is real and savagery and barbaric. It is a crime against humanity. I need your Humanitarian and legal assistance urgently.

Sister Tirsha Barnard is a nursing sister at Consol Speciality Glass.
All the other defendants are employees of Consol Speciality Glass.

It causes a condition called acute Radiation Syndrome which attacks the human body in the same manner that HIV – AIDS does and renders the body weak to defend itself against any infections, as such the Complainant is just sick. The scientific report will show the diseases the complainant has already from radiation poisoning.

13.
The Accused intentionally subjected MJ Mothiba to radiation with the intent to kill, incapacitate, to cripple and to cause irreparable bodily harm , radiation is accumulative , currently there is no cure for radiation exposure as such by exposing MJ Mothiba to ionisation radiation is tantamount to a death sentence.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

23/8/11

To whom it may concern :

Please advise accordingly :

I'm a South African Citizen who is constantly being attacked via " directed energy weapons" . This electronic harassment and torture based mind control is 24/7 with the attack being repetitive , with covert and covert forms of various kinds of mind control harassment technologies being targeted at me directly . The attack has been **ongoing since January 1999** when I was working in London(1999-2004) for a company called Goldman Sachs

I was working on a GLOBAL PROJECT CALLED THE GLOBAL MARGIN PROJECT : WHEREBY I DEVELOPED AND MONITORED A GLOBAL MARGIN MATRIX CONSISTING OF A WATCHLIST OF 15 OR MORE CLIENTS EACH CLIENT HAVING \$10MILLION IN THEIR MARGIN CALL ACCOUNT . This is when they started to attack me . My passport was stolen whilst i was the dutch embassy trying to get a shengen visa .

In London :

- Experienced nightmares and depression and crying (i don't have a history of depression) was not depressed or sad ,
- however the technology was beamed at me causing severe headaches , nightmares and depression
- mental functions impaired – loss of memory- , impaired speech (im a TV presentor and thrive on vocab) – impaired thinking – thoughts injected into you that are not yours .
- Suicidal thoughts WERE IMPLANTED THAT WERE NOT MINE (I TRIED TO COMMIT SUICIDE IN LONDON)

The perpetrators carried on attacking, **when I returned home in 2004 – TO SOUTH AFRICA** (after my mother visited London twice to see what was wrong with me) I managed to see person in New York that is a healer that helped me whilst I was in SA for 3 yrs

(I worked at Old Mutual Asset management co for a for 2 years , and the Project management team of the FIFA WORLD CUP FOR SIX MONTHS THEN THEY STARTED ATTCKING ME AT WORK AND I HAD TO RESIGN - I THEN LEFT FOR AMERICA

Whilst I was living in LA in 2009 , the LAPD came to my house and “ **did not arrest , did not detain” but took me to a drug clinic called Kaiser Permanente** . I only know this because after they physically abused me AND HELD ME DOWN and strapped me to a stretcher from the police vehicle(whereby the 4 police officers and one police woman physically abused me) thereafter putting me into a stretcher hands and legs cuffed I saw the name of the drug clinic **Kaiser Permanente WHILE I WAS BEING PULLED IN (I researched this afterwards) it's just outside of LA maybe 30-45 mins . I was drugged up** , woke up after being unconscious for about 12 hrs with updated implants inserted into my head , kept for 24 hours forced to take prescription drugs and my contact lenses were removed , all civil rights and liberties removed .

I felt like they had raped me, THE POLICEMAN THAT WERE PRESENT PUT THERE SHOES IN BETWEEN MY GENITALS AND WERE TEASING ME AND LAUGHING AT ME , THEREAFTER SEXUALLY AND PHYSICALLY ABUSED ME WHILST I WAS STRAPPED TO STRETCHER .

I approached several doctors in America who confirmed that I have been chipped and implanted can be tracked and tortured wherever I go .

My life has been turned into a horrendous nightmare, they are now attacking me 3X as much since I started work for Old Mutual in Cape Town SA

I am being extremely tortured and abused, THE PERPETRATORS ARE WORKING WITH TECHNOLOGY AND FREQUENCIES THAT ARE ILLEGAL IN SOUTH AFRICA OR ANYWHERE

If you would like for me to expand on the symptoms of the attack I can

- They are using a technology called V2K (voice to skull microwave hearing technology , various mind and thought reading machines to read my mind and thoughts. They broadcast via this technology voices in my head , they torture me endlessly with electric shocks to various parts of my body esp. my genitals
- This “voice of god “ weaponry was banned by the Government (voice to skull hearing technology) Nobody else can hear these except for me
- They attack my job – trying to sabotage my job , by attacking at work with this V2k they want to financially impoverish me . so thought broadcasting is used (where you are forced to broadcast your thoughts out loud via this

implants technology

- They have continentally terrorised me and stalked me from London , to America , to South Africa – I'm being constantly attacked and tortured
- I experience sleep deprivation, sensory overload, impaired mental functions and various forms of debilitating torture .
- At one stage I could not see for 2 days because my eyes were blood red torture to the eyes and constant tearing with the attack escalating at my previous job , till I had to leave my job – I could not see !!!!! this also happens when imp driving they shock my eyes via the invisible EMF (the CIA no touch torture or so they call it . !!! I have lost my previous job – was homeless and living out of my car for 2 months
- I tried committing suicide (because the torture was unbearable) until I found out that thousands like me are being attacked every day (I joined a website called mindcontrolvictimsaroundtheworld.com which has helped tremendously
- I AM EXPERIENCING ALL THE SYMPTOMS THAT MAJORITY OF MIND CONTROL VICTIMS EXPERIENCE AND STILL ALIVE – I TRY TO KEEP ALIVE – THATS ALL I CAN DO NOW !!! Unless you are able to help
- Please note that even the scientists working with this technology in the early 70's committed suicide – now the perpetrators are trained by programmers and psychiatrists and physiologist on the programming and training sites . I have a list of all the names of the programmers and sites for mind control and training if needed

I demand that the perpetrators be punished (put away for life) for using this illegal and outlawed technology against me and everyone else

These cowards need to be put in jail for life .

Would you allow your wife and child to be raped every minute of the day in every way whilst you went to work ???? This is exactly whats happening if no- one stands up and tries to stop this , you and your kids will be targeting and the best part is no- one will know because this has all been kept so hush hush by the Government . IF nothing is done now to stop this , we will all become targets , your children and your children's children will suffer from this horrendous mind control agenda.

I hope that this letter gets passed on the right people . Please help me no-one in South Africa has even heard of this because the government has sought to keep the public constantly uninformed or misinformed

If I don't get help here, I plan to approach Carte Blanche Investigative reporting journalism and tell my story to everyone in South Africa !!!

They want to and like to pick on single foreign females(70% of targeted individuals (It's) or mind control victims are women) that are living alone overseas , so that no- one will notice and they think that we are easy targets for their electronic harassment and mind control . No- one will notice while they torture you or behaviour modify because they attack is invisible to the naked eye of a normal human being .

This cowardly behaviour needs to be firmly addressed throughout the world

Please take a moment to read the case summaries below from people in Africa and Middle East

Mind control Victim in South Africa - Michelle naidu (TV Presenter and Lawyer)

I need to do an advanced MRI in south Africa ???? Anybody has done one and got confirmed results
-----pleeeese let me know

Im born in SA lived in London for a few years(1998-2005) when they first drugged me and chipped me - then LA and Vegas for a few years (2008-2009) where they came to my apartment 4 policeman and one policewomen- Instructions were " did not arrest did not detain" but took me to a drug clinic called Kaiser Permanente (i saw the

name of the drug clinic as i was being pulled in a stretcher - with hands and legs strapped and basically raped - Body suit of implants etc updated technology was implanted

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

17/4/09

I have introduced myself here though I knew that I had not suffered much like many other victims yet I wish people in this planet earth must know what other victims enduring across the boundaries, the differences between the torture methods, the various tactics and traps being used.

Until twelve, I'm not a bright student, failed in some subjects, after I had passed without fail and become more interested in mathematics and I sensed the difference. When I'm fifteen, psychological teacher liked me because of my innocence (she used to say) and she told to our class about visualizing future dreams, if some nerves triggered from backbone to brain, it stimulates some brain functions, then human beings able to interpret the future. At that age I neither believed in god nor in future dreams, I thought it's impossible. From seventeenth, I used to think always about teacher's speech and started to get some dreams about future events though I'm unaware of it at that age. I used to think about god, mind and soul. It seems that some knowledge about God has been given to me. I started to think there is a possibility God may exist. I'm fond of yoga and am doing it occasionally so I thought because of doing yoga I got the future dreams.

Then I entered college, first year had gone very smoothly without dreams, insults, changes inside body. In my second year, I had been subjected to lot of differences. Few more guys started to love me for my character, abrupt changes inside my body which leads to vomiting, stomach upset, continuous fever and physical as well as mental

change, had been insulted, subjected to fun by my fellow students. And these continued till final year, in the end due to circumstances I'm marked as bad character women by my dear friends and endured more insults. After final year, due to short term memory and mistake, those who loved me, left me forever, not even bothered to express their love directly (Assumption but it will be proven true by mind reading the people). But the future events and some wild dreams had been shown to me which has exactly happened after the dream.

Future dreams shown to me around 2004: College student has been caught for copied in exam, my friend wearing a brown saree (costume), my relative's death (I came to know it before 2 year interval of death date of one person and for other person it takes just 30 minutes interval), my college student's mother death (before 1 week interval of death date) affected by cancer though I don't know at that moment that she was affected, marriage of couples (VIP's, celebrities, my friends and relatives), death of more number of people by tsunami, exact picture of a car floating on the beach river and the river flow in the tsunami affected place. About upcoming films and film scenes, politics, the world affairs, bomb blasts, floods, new world order motivation (i.e. one culture or tradition or religion), the end of world days (i.e. seem and shown like as the planet earth revolution stop, may happen in the future) and biological technology and mind control technology.

About my life: My future, my love, love failure, how tsunami will affect me, how will I be married with a guy by force and not by interest, jobless situation, journeys, disease, about my personal insults and the people I'm going to meet and my discussions with them. It has been foretold to me that as long as I live, my life will be miserable one always and my nephew going to face an insult in the future. My ideas, thoughts will be reflected in the environment surrounding me. I used to think recently about the death of poor and middle class people always when bomb blasted and after few days of my thought it seems, the bomb blasted in the taj and oberoi hotel in November and killed some foreign visitors, rich people and some people in the railway station.

Realized about this technology:

Once again following are my assumptions but it will be proven true by mind reading the people those involved; I confess that I don't know the exact truth myself and I wish I knew the truth:

Meanwhile a rich guy entered in my life, loved me and helped with my father debt and these things happened indirectly or it may be gang stalking by some, though I doubt it strongly. I didn't love him and there are a lot of differences between him and me. Due to certain circumstances, he was unable to marry me. Thus we parted even though he still wishes to help me a lot. I'm unable to accept his help or offer always due to my ego or character.

Due to babble out of tsunami dreams for psychological reason (I need to confess here: I thought I'm gifted by god to interpret the future events and I beg your pardon and god too (if god exists) for my stupidity; Not only me but also some other victims too (whether they were aware of mind control or not) they had been made to believe that they were gifted by god and later advised to consult the psychologist for unsound mind) and at the same time that rich man (Rich people might think they will use this satellite surveillance for their own safety against danger) thought it's must for my safety, my family and he had made my life come under 24*7 satellite surveillance from 2005 officially. If possible my life had become downright terrible from 2005 though I enjoyed a little benefit by that rich person.

With mind control, they (my family with the help of rich man by gang stalking through media) made me to think like I'm HIV, schizophrenic, cancer patient going to die within a year, made me to desire for marriage. They made me jobless for this reason, made me to fall in love with men before marriage for the reason (I don't want to marry anyone in life and I wished to lead a single or mate less life) to prove I'm unworthy of it and it doesn't going to bother me to continue my life with another man, always made me embarrassed in the office (for this reason I left my job) and later they made me to accept my marriage like they are going to marry me to the person whom loved me. I'm unable to tolerate the torture of my family, I ran away from my home without any money with me and I returned home on that some day went out only for a short distance. Family used this issue to scold me forever and they compelled me to marry. Before 1 week of marriage only, I came to know the bitter truth. Parents and husband agreed secretly with this issue. I tried for suicide, closed the bathroom door, hanged in the rope, then I lost my conscious and went to deep sleep within seconds, later I got my conscious and seen myself lying on the floor, got hit in the head, swelled rapidly near the eyebrow like a size of balloon. Though my family prevented suicide, made me lost my conscious, opened the door (already loosened the door to open it easily when they need), saved me, and then closed the door and pretended like they don't know anything about it, they shouted, what's the noise inside bathroom? I lied that I slipped in the bathroom as I don't have any proof of the fact that they don't even let me to suicide. Husband and family secretly agreed with their terms and conditions before marriage and he acted with me that he doesn't know anything about me. My parents told him that I had already loved someone. First he accepted

that he didn't mind that, want to marry me. Parents told him that I'm undergoing medical treatment for dream phobia about tsunami, for this too, he didn't bother. He told he will marry me in the condition of marriage should be done in a grand manner. I told to my parents, I don't want to marry my husband. They blackmailed me that they will attempt suicide. So I married him. I think husband become much aware about this mind control technology to some extent. Before marriage, husband showed him as a kind gentleman. But later, he showed his true colors. After marriage he showed me tsunami related films and had taken great advantage of my condition. Husband utilized technology for his benefit to make me behave in the way like he needs me.

Mostly women's will become decent slaves after marriage in the name of customs in India in some cases and worst slaves in some other cases and with mind control it will become more terrible slave life.

My life after marriage: Father in law always criticizes and shouts at me for something. Later husband started asking questions like; do I have any previous sex experience before? How many men considered marrying me? Why didn't I prefer US groom? And he continued like this and it irritated me so much. He told me that if I do a job then I need to give him the salary or to tell him the details of expenditure. He always made me to beg for everything. I need to quarrel with him even for simple things. He won't give me any amount for my expenditure and if he does then I need to give an explanation for long, he lectured for some time, when I got irritated and told him that I don't need any money from him, then only he will give me. He known well that I didn't like him but he enjoyed me well and it doesn't matter whether I'm interested or not, he always complained about me to my family if I didn't cooperate with him, then my family abused me in the worst way, so I left out with no option but to show him I'm interested with everything. I compelled and tried myself to show interest.

He behaved differently with me before my parents and his parents accordingly. He even told me that he will scold me always so that I will behave properly. He asked me questions about my previous job salary and what I did with them, about my parents' properties and about our bike, like who owns them. From these questions I came to know about his greediness. I strongly suspect he will demand, is demanding or had already demanded dowry in secret.

Now, my parents know what he had done to me, but they still want me to live with husband. I didn't want to live with him and a trap has been planned to make me live with him just like a same trap that had been planned before the marriage forced me to marry him. After all the harassment, husband still tries hardly to make me his slave forever. Neither they are not going to allow me to get divorce nor will allow me to get a job as well. Once again they will make me to forget everything and make me to love my husband without my consent. I'm living like a prisoner in my parent's home.

Physical and mental changes of my body:

I always get a red rash and itching at casual interval once or twice a month and a mark will appeared like an injection had been injected during night. After few days, the skin swollen and blood will pour out from that mark and still the reason kept mysterious to me. My mother used to say that had happened due to heat and of the poison inside my body. Like many other victims, I'm too encountered with nightmares, bad dreams (not like the future dreams once I got). Suddenly, the body temperature and blood pressure remains low and become high or normal, broken sleep, often dizzy, head ache, the skin shrink and grew older and suddenly it will look young and youth, face will look normal and become bad looking sometimes. I used to get an electric shock when I touched water, washing machine, etc and it had been explained because of a fuse in the main circuit by my family and the neighbors too accepted that explanation, they told, they too got an electric shock like that. Still a pain like an electronic shock will be generated at various parts of the body occasionally, a pain like heart attack and a pain in the bones of finger rarely. I'm coughing daily for five minutes when I'm slept on the bed or sofa. Rarely a buzzing or ringing sound will be heard and only once I heard a voice issued an answer in response to my question inside my head.

Once again I sensed a difference in my character and thinking. Before 2005 I used to feel like: god and me conversing within me, capable of reasoning and thinking. Now it's stopped, I'm trained to think in one, single way like a robot. Now I'm aggressive, person of no faith, emotions, kindness and hope. I will start shouting when the temper raises without my control over it, as though someone forcing and will realize my anger only after I shouted and unable to stop it. Constant changes occur to body and yoga has no effect on this technology.

Family's reaction to gang stalking: Even though there was a fight among parents, but they never scolded me and treated me well and we had been lived as a happy family. But after 2005, everything has suddenly changed. Since 2007, I stopped talking with my family and there has been issuing a lot of quarrel between me and my family. Mother has been giving me a warning that I will face terrible situations in future and it seems that they are going to

make it or already been planned. My family always shouts and fights for anything to make me angry and stupid and they want to express their idea by shouting and still using television shows to chat with me indirectly. I had once detected an evidence of local television contact number in their mobile which is used for gang stalking. I asked them whether they are reading my mind; my family simply replied me that they were not but doesn't want to come to psychologist in the first place when I asked them to prove themselves by visiting psychologist with me. For them now, I'm a person of unsound mind, cruel intention, selfish, etc because I'm not speaking with them and to my neighbors. I didn't meet any psychologist directly in my life yet. I'm unable to tell them that I'm not responsible for this and at the same time I have a doubt they had known about the technology, they torturing me either with the help of technology or not. So I'm in a confused state that whether I ought to tell them or not. And this confusion leads me to great torture and provided a wide gap between my family and me along with every other problem. My nephew is not an old enough to know he is a victim too. And he was being used to act like they need him and it's horrible to see it and can't able to do anything against it. They don't even let a child to lead a free life during childhood.

My home has always been unique one from my childhood by the fluctuations of electric current. The neighbor's home and street light had different connection and we had a separate current connection so we are the ones left out and has been living always with casual voltage fluctuations. Computer has always been facing some problem with it when I decided to do something important and often attacked by computer virus; scarce water flow; noise level will be up and down automatically, no visual for short period of time in television set. Else, on the contrary, neighborhood lives with sufficient water flow in the tap, without voltage fluctuations, without any identifiable problems.

I had worked in a company once back. Company viewed me as an employer with minimum skills. They tend to give me inefficient job when compared to others. My colleagues scared to discuss or share anything with me because they know that the higher authorities will come to know whatever is in mind or whatever I'm thinking. 'Love trap' had always been planned while I'm working to make me embarrassed. Though I do not wish to love anyone, I had been forced to show I'm impressed on them and they do will act that they fall in love with me. So I will quit the job and it will happen to me wherever I will go to do a job. Another trap named as 'unsound mind trap' had been planned too to show me as a stupid person who gone mad. They will use this 'love trap' and 'unsound mind trap' whenever they wish, to make me desolate, to cut my relations and friendship with others.

When I'm gifted with knowledge about future dreams, either it will be really a dream then it lead to the fact that everything is true including mind control or else it's the work of mind control technology which lead to the fact that they had already planned all these things and they decided to show me a glimpses. Being a mind control victim, suffering the torture is worse, but being a women victim, it's so horrible and may subject to not only physical, mental, emotional, financial and verbal harassment but also sexual harassment too.

Joy and sorrow moments will always comes for generations in our life in planet earth to every human being, so I wondered what the difference between god and mind control is and I deduced that god let us to choose the path freely whereas by mind control, we don't have that freedom. Some might telling to follow the god chosen path in this difficult times of advanced technology, but I wonder how will we achieve that when we being denied of our freedom and choice by this technology, then the warning given by god messengers, I think is pointless. The solution left to us is standing by justice and truth. I think this technology need to be demolished whether it exists for good or bad. At least I wish world must aware of this technology whether we will be able to get rid of it or not.

I have been blackmailed by them that I will be trapped on false charges if I cross my limit by gang stalking. I need to say that I'm scared but at the same time many were experiencing injustice and I wish I need justice for all. In Bhagavath Gitai (the holy book of Hindus, recited in the midst of war), it is said that man should do his duty without expecting any profit for him and he need to stand by his duty whatever the consequence will be. I wish to stand by this recitation but it's being difficult to me in these days.

I strongly suspect that control agents handpicked some victims only for torture, even everyone are victims; they will not allow the world to know the truth, and by this trap I think they were going to maintain it in secrecy forever, so our chances are low; I often wonder why they let us even know about this technology.

Thanks for the reply - I was very happy.

Yesterday just after you sent me an email they changed my codes to Skype and my email.

I'm still blocked even though I changed the codes they are not allowing me.

I have a new computer I got from Sweden. Excellent computer, but they go in the hotel room when I'm not around, then they control it wirelessly.

I have a lot of experience and information about their methods. I know the hunting methods in Sweden and Israel I learned sales, secretary of the hotel and hospital and littel mor.

I know exactly when they started their expirement, and what a time and year implanted in my body. i culd See and feel the changes in the body and in the environment.

One very important thing is that you need to add to the group the people you are hundred percent sure ar TI with evidence.

I've found that meny people in the Facebook ar software developers for implants. They claim they TI but actually they keep track of activity and our conversations.

I would be very happy to receive information and I need reliable people to talk with.

I want to talk to real people who actually persecuted by this terrible technology.

I tried to talk to some friends on Facebook, but they will not write or talk on Skype.

I do not know what they ar hiding.

i need a fast and reliable software to save photos and pager.

I hope that through you I can make contact with real TI, And help with my knowledge.

I'm sorry if there is a problem in understanding the letter, Google can not translate well the language work. I even helps them to translate correctly.

thank you very much to have me in the gropp i need it.

I'm a victim of electronic harassment/ mind control/directed energy weapon/organized stalking & torture.
In 2009 I started to notice changes in me which I couldn't explain, until in 2011 when I learnt through a stalker that my mind is being read and used against me. Not only in my home but anywhere I go.
I demand an investigation on these dehumanising crimes against humanity.
Sincerely yours

Strange things have been happening to me since the year 2000. I will explain in detail at a later stage. Could I be the only one that hears voices that seem to come from my chest (lungs). ? I believe that I am being Electromagnetically harassed. Nice to be with people that would believe me, share with me and understand.

Respected Sir/Madam,

My name is Mani Ramachandra Prabhu. I live in India. I was a TARGETED INDIVIDUAL for last 5-6 years. i am sure somebody is using mind read & mind control against me. Also i was connected with USA. Because my ship before 7 years was trading in Iraq (during war)for 1 years where near my ship military excercises was going on. I was innocent & i don't understand why they have selected me. Team working against me is working for USA. My life has been totally destroyed by them.Also my Laptop fan along with that some voices are coming.TV, all electronic devices in my home are having something through that i am having continuous harrasment. They made all the people around me i was crazy. i could realise only after seeing website StopPsyWar.com. all the things in the website was true. and i am 100 % sure i was targetted individual. and people in india along with USA officials are working . i could hear clear definite voices from fan, tv, laptop, please note my aim is make an aware to you that still today mind control & mind reading is going on. i couldn't type this msg properly due to voices in my head & words are not clear. i am working in merchant navy where internet facility is not avilable and i am unaware of the psywar till yesterday. i am now in holiday so i could access net. also important pls note i am sure US Navy is deploying submarines secretely along iwth merchant vessels. my ship is travelling all over world along with submariness. Even though i feel it very strongly i can't prove it due to mind reading, mind controlling of my own.the purpose of it i don't know but strictly against any law.i am totally

being zapped & even this mail is not personal.

please forward to all concerned parties. save humanity.PLS SEE <http://www.stoppsywar.com>

please note there is a lot of msg/information i have but you possible lost my msg. so i attached a small file, pls see indian people are undergoing LRAD & other mind control tech. without their knowledge.because of lot of indian people ignorance. i can't do anything because there is no definite rule here.i cant prove Group stalking is going on. please must visit <http://www.stoppsywar.com>. if possible pls see relevant mind control videos

Another Findings:

Hi guys, I am sure this gangstalking, electronic harrassment is totally connected with Hollywood Movies/ Film industry. The perp/ stalkers is Watching every part of a person's life . sometimes he changes persons life for his movie. Like making loose his job,etc. The story he collects from everybody's life is so much real so when watched by people all over world it gets hit. The producer, Director makes lot of money along with perp. I am 100% sure of this because movies came in tamil,hindi even some english movies representing my life's diary. for eg movies like "Inception" which is really true movie. Also if you see "Johnny English Reborn" there they use a drug for mind control.

Also by putting in the beginning of any movie "The following story is based on fiction if it relates to living or dead it is coincidental" something similar will be displayed . so nobody can blame perp/producer. more than 1000, Lot & Lots of movies made by mind read,mind control & stealing other's privacy. All is about money.People are not realising, Real true life of others has been shown in the movie they watch forgot & keep going. They should be careful they are making wrong people rich by watching their movies. i could not type properly, worlds are confusing in my head too much . I am under mind control, voice to skull,,please realise the importance of what i am saying. Make movies so all ordinary people should understand perps work. I like to take the movie of my perp.then he/she may realise their mistake of staling other persons privacy without his knowledge.

Message: Hi guys got internet after long time . I have attached one of my close friend's ganesh message, please read it & if can please post this blog/msg anywhere you can & wherever you can so that atleast whole world knows his story because at ship I don't have availability of internet for long time.

TRY FAILING IS BETTER THAN NOT TRYING to expose the truth

Hi guys,

This is a real true story of my life. My name is Ganesh (name has been changed to keep privacy). The main thing what I like to say is "organized stalking" "Mind Reading, Mind control Technologies" "Implants in body" "Electronic Harassment" "human experimentation" are so true. I am suffered by all of the above. The world should read this & let the whole world know how they misused technologies.

I have sailed in total 6 ships. I actually giving my latest happening to earlier.

Year: 2006-2013(all 6 ships)

I hear in all my 6 ship voices from 2-3 different places all over ship. When I was listening to the girlfriend like voice talking friendly with my mind. The other voice continuously give subliminal messages to make my mind tired/crazy. I could not realize half of the time that there is a second voice. So it is well planned to cheat me & make me crazy. I AM 100% SURE NO GIRLFREIND IN THE WORLD WILL TROUBLE LIKE THIS. They are making up everything to cheat persons around me & my parents. 2)Not only that I was suffered by "organized stalking" in that same ship. Someone will be keep on talking in vhf (vhf is ship's radio used in emergency & communication. We use to keep listening so that other ships could call us) continous vhf talk based on what I think& make me tired. 3) My eyes has been used like a smart phone camera lens. I used to see clear images shown by them even if I don't want to see it. They even recording continuously what I am seeing. The result is my eyes

will be very very tired . My eyes need rest & if I go to sleep I will keep on seeing images in my eyes which I can't stop. They use this tech. to stop me also. When I work very interestingly & if they don't like it . show some images in my eyes which in turn makes my eyes hard & tired which could result in discontinuing of my work. 4) Time - this people who works secretly against me is controlling the satellite based GPS time. GPS is made in USA. Not only GPS , my watch, general clocks, they are remotely controlling them. They used to make me work more when I am tired. They used to reduce time when I am working with interest. When they control time remotely using tech. they do whatever they do. Nobody is to ask them. 5) Implants- The main way they controlling me is by placing implants in my body. Not in just one place Throat – controls my breath & I feel someone's voice imitating same like me in throat. Left ear- I used to hear continuously no matter wherever its not just voice from fan/tube light its mainly from my left ear I think its coming from some where else. Stomach – I felt like small hard stone like object in my stomach . It used to give me sudden immediate hungry,etc. I scanned my stomach. First doctor told me there is stone in kidney after few minutes he said that there is nothing in stomach. Most of the doctors in India are corrupt. Male organ- Yes there also I feel some sort of regular time interveled pain in one of nerves there like a frequency emission from implant.

You could notice from the above how many technology they are using against me its not just one. Not too many people could bear the pain of one technology. Also for more than 12 years(every second) till now? What happened to the Humanity in the world. All the doings by them made me mentally bleed I was very very tired I went to stress like anything i could go in Nervous breakdown at any time. I could not do anything to stop them. In my mind I give them all the reason to be human, I asked why r u doing this? I begged them without shame? But the torture continued like anything.

On land: since seeing so much trouble at sea if you think land is better definitely not. I used to get 3 months rest on land after 7 months at sea. During when I was on land same trouble. My parents believe them more than me I don't know what false reason they have given to them. My laptop, my room fan, my house tubelights, Bus, Taxi, train wherever I go they troubling me with subliminal messages. Also so many items at my home start giving so much noise with subliminal messages. If I complain about this to my parents they have been given some other explanation by perps without my knowledge. They do almost all the troubles same like at sea. If I stay at land troubles same with less income & poverty.

Family sufferings:-

They have not only affected me but also my family. 1) My mother has got "Breast cancer". You know it could be result of secret radiation using around me. 2) I was very much close with my sister's kids. Because I love kids. I used to see unusal behavior from those kids. They used to reply for what I think. How they know what I think. Also they will talk ,what perps what to tell . It could be implants in a three year old baby. But result after 1 year the kid was having vomit,fix due to nervous problem. The kid could be almost dead. She was nearly went to serious condition. The kid was recovered after serious medication. But they have not changed. Secondly my second sister was having a son. He was fine & just 1 years old. I was always too close with kids. One day all family except kid with one of her grandmother went for shopping. Next day the kid get slight fever. Later kid struggled in breathing. I think definitely implant in throat. The kid was put in ICU. Their parents crying like anything. The doctors somehow managed to bring kid back alive. But doctors give some reason for everything. Normal people like my sister will not question doctors & cannot think so much far. I still could see so many kids responding & replying to my thoughts. Kids are not supposed to be treated that way. How could they try any technology on a three year old baby? What will you do if it was your baby? **If we don't group, find & stop this technology then it could be your baby next to try this technology.** I understand they have used tech. on my sister kids only after 7 years otherwise I must explained to their parents / questioned the doctors. I learned mostly from stoppsywar.com, peacepink, freedom from covert harassment etc.

Went to London for promotion exams(2008-2009):- I decided to quit merchant navy in London during my promotion exams. But my parents, friends, they (perps- people doing bad to me) told me not to quit. If the perps main purpose is to make me quit merchant navy then they should not have stopped me. I am not sure why they are doing things? But definitely I don't think for any good reason & no good people will do this kind of work.

College (2004-2005):- I joined a Merchant navy college where strange things happened I felt strongly 100% someone is reading my mind. I even asked one day my father can you listen to what I am thinking without I am saying They said no. Before even joining ship they started using Mind reading tech. Who? Why? I like to tell about

my friend here in college. He is really strange he is to pray all the time, close his eyes during class like watching something inside his eyes . I was having serious eye problem. It was itching inside eyes all the time. I had seen plenty eye doctors. Nothing worked. One day in the middle of the class I left the class due to heavy eye pain. It made me very mad. This people have never cared about my pain.

Childhood:- My story from childhood I was from middleclass family. I was honest & happy. I was not talked with any girl of my age. I usually avoid girls. Till 17 th of my age. They learned about me & started acting like a secret girlfriend. They used female voice around me wherever you go. After that I felt very much someone is following me. I was been separated from others. I could not find any reason. I decided to join Merchant navy. Everyone said no. But I don't understand why? Finally I got permission from my father.

Final :

Humanity is not been cared by anyone. What kind of pain & sufferings . I have had even without knowing a reason? What kind of people will be happy to watch other people suffer? Please find the truth, tell to all your friends. End this Hi-technology operations SAVE HUMANITY. Almost 12 years till now I was suffering like anythings. Still I don't know how many more years.

The perps make things happen but it will look natural. Like a human commit suicide due to mental pressure. But they will give mental pressure so that victim will commit suicide. Like sandy hook school incident in USA. I was given so much mental pressure everyday by them to commit suicide. But if I do it will look like suicide only because perps hides, but it is a murder. How long they can cheat like this? Nobody can hide things? What happened to this people? Doesn't they feel very hard to watch other people to suffer?

For normal people who are unaware of perps. Perps looks like normal people but they do bad undercover operations. If anyone comes to you & tells to do something against another person i.e. pls to what I tell / act like a character / respond to his thoughts, in the name of victims secret girlfriend/ friend . please don't do it.

FINDINGS BASED ON MY EXPERIENCE IN LAND & IN MY SHIP

1) ACTUALLY THEY ARE DOING "MIND CONTROL EXPERIMENT" USING MIND READ. & "HUMAN MIND BEHAVIOUR EXPERIMENT"

2) REMOTELY EYE MOVEMENT OF MINE DURING I AM DOING JOB. NOT HAVE HUMANITY IN THEIR WORK. I AM A HUMAN BEING NOT A MACHINE TO SEE THINGS CONTINUOUSLY IN MY EYE SHOWN BY THEM.

3)HUMAN RIGHTS VIOLATIONS & MIND CONTROL EXPERIMENTS IS NOT ALLOWED. LOCAL HUMAN RIGHTS TO INTERNATIONAL HUMAN RIGHTS – COMPLAINTS MUST BE MADE.

4) THEY WILL ALWAYS TRY TO CONTROL ME TOTALLY.

THEY DON'T WANT ME TO SLEEP EVEN IF I AM TIRED .THEY WILL FORCE ME TO SLEEP EVEN IF I AM NOT FEELING SLEEPY. THEY TROUBLE ME TOO MUCH TO MAKE THINGS HAPPEN, WHAT THEY WANTED.

5) SOMEONE ALL THE TIME (24 HRS) TALKING LIKE ME, USING MIND READ TECH. SAME UING "IMPLANTS" IN MY BODY. WHAT I ACTUALLY THINK – THEY MADE ME BELIEVE IT WAS NOT MY THOUGHTS & IT WAS SUPERIMPOSED IDEA BY SOMEONE. WHAT I DON'T THINK – THEY SUPERIMPOSE A THOUGHT & MADE ME BELIEVE IT WAS MY THINKING.) THEY ARE DECIDING WHAT SHOULD I DO BY TALKING LIKE ME THROUGH "IMPLANTS" IN THROAT.

6)IN MY WORKPLACE XEROX MACHINE – NOICE (NEGATIVE SUBLIMINAL MESSAGES) COMING MAKING ME HEADACHE, TIRED.

7)CONTINUOUS (24 HRS) VOICE (SUBLIMINAL MESSAGES) FROM FAN IN HOUSES, MOTORS, CAR ENGINES,etc., IN SHIP-VENT OF GMDSS BATTERY, RADAR, PLENTY PLACES IN BRIDGE (BRIDGE EQUIPMENTS ALL MACHINERY SPACE VENT). FULL BRIDGE EQUIPMENTS HAVE SORT OF

SPEAKERS. VOICE IS COMING FROM ONE PLACE TO ANOTHER FROM THESE VENT AS I MOVE ALONG.

8) ACTING LIKE MY DREAM GIRL FRIEND TO MAKE ME TRUST THEM / LISTEN TO THEIR SUBLIMINAL MESSAGES. WHAT KIND OF GIRL FRIEND WILL DO SUCH A UNHUMAN WORK?

9) REPEATING SAME WORDS AGAIN & AGAIN & EVERYTIME REPEATING A SMALL BEEP SOUND @ REGULAR INTERVALS TO MAKE MIND TO FEEL TIRED / BORED WHAT THEY WANT (SOME SORT OF PSYCHOLOGICAL WORK).

10) UNLESS YOU COMPLAIN THEY WILL NOT REMOVE IMPLANTS. TRY TO GET EVIDENCE AGAINST THEM.

11) HISTORY CHANNEL VIDEO REGARDING MIND READING WAS CORRECT. SINCE IT IS SURE THEY ARE DOING MIND READING. WE NEED TO FIND A WAY LIKE A MIND FIREWALL SO THAT OTHERS DON'T STEAL YOUR THOUGHTS

I have knowingly been a targeted individual for around 4 years and i suspect this has been going on for at least 10-15 years or more. I am living in perth and under constant harassment, mainly through gang stalking. They know everything I do inside my residence and what i think about. I have been researching this subject for some time and come across words of interest such as radio frequency, microwave, remote neural monitoring, ultrasound, Illuminati, Illuminati and the music industry, Illuminati sacrifices etc. I am having real difficulty carrying on with my job since they continue the mind games even at the workplace. I sometimes get abdominal bloating followed by a severe headache when i am trying to do something (like meditate) but not sure if it is an attack or just a medical condition. hard to prove. How does the public receive the messages (the victims' data) ? is it to their cell phones or do they carry some other electronic device ? who is behind this ?

I tried to convince a workmate (he is friendly but does the stalking) that what people are doing to me was wrong. But he has the impression (like many) that this is been done to me because i am quite and shy and when i start mixing more with people, it will stop. I think it should be the other way around. It shouldn't be done at all in the first place. People treat me like a domestic pet where they can reward, punish (based on my emotions) and do what ever they like and get away because everybody around is there to back them up if i resist.

I have experienced the stalking in a developing county as well - Sri Lanka (i am a migrant from Sri Lanka). So i

am pretty sure that what ever is going on is happening all around the world. I am wondering if the Free Masons who have connections all around the world (also maybe within the military of different countries) have something to do with this. I am really fed up with this crap. Who ever it is, they are a group of cold blooded murderers who slowly torture and then kill people (by suicides and other ailments).

from Cheryl Welsh www.mindjustice.org,

Tek Nath Rizal is popular and human rights groups like ICRC, Am. Int., U.S. Dept of State, consider him an historical political figure, and similar to Martin Luther King, in his country and Nepal, so this is significant progress... For the first time, a variety of medical, government and military professionals publicly acknowledge secret EMR mind control weapons for interrogation and torture in prisons and on POWs, prisoners of war.

The 2009 book "Torture, Killing Me Softly" by Tek Nath Rizal alleges government mind control torture with secret electromagnetic radiation (EMR) mind control weapons. Tek Nath Rizal was a prominent government consultant to the South Asian country of Bhutan, before he exposed corruption in high places. He became a popular political figure and internationally recognized human rights activist. His book is about his experience of several years of imprisonment in Bhutan with an emphasis on the EMR mind control torture. The U.S. Department of State and Amnesty International regarded Rizal as a political prisoner and won his release from prison. Rizal has written several books, some of which included his accounts of mind control torture. The books have been very successful in South Asia.

Against all odds, he published this book, "Torture, Killing Me Softly." Mindjustice.org extends our deepest thanks for his great effort and sacrifice. I highly recommend this well written, concise and ground breaking book. For the first time, a variety of medical, government and military professionals publicly acknowledge secret EMR mind control weapons for interrogation and torture in prisons and on POWs, prisoners of war. For example Rizal writes:

Dr. Gurung had served in Military for twenty years. He had actually worked for four years in the quarter guard unit where prisoners were kept and the mind control methods were used on them for procuring information and as a form of torture. He was also surprised that how I was alive, even after this torture. He also understood the gravity of my case as he had been well aware of the ill-effects of this kind of torture.

A highlight of the book is a foreword by Dr. Indrajit Rai, a Nepal member of the Constituent Assembly, and an influential conflict/security expert who is often quoted in South Asian newspapers. Rai is director of the British Gorkha College, Nepal, and served fifteen years in the Indian Navy as Lt. Comdr. Rai taught at Army Staff College, Katmandu for seven years. The title of the foreword is, "Mind Control Device on Tek Nath Rizal." Rai described Rizal as one of the "historic political personalities" of South Asia and corroborated Rizal's account of mind control torture, surveillance and targeting, with references to Rai's military sources from his own extensive military background. Rai advocates the banning of mind control weapons.

Rizal's book sounds like a science fiction horror story about torturers using futuristic brain torture tools in a very medieval fashion. But the facts show that it is much more. The U.S. and other major governments have harnessed science and technology to develop secret electromagnetic radiation (EMR) mind control weapons for intelligence purposes, for interrogation and torture, and for neutralizing the enemy without killing. Included below is a list of

EMR mind control weapons monitored by the UN for decades.

Rizal's book is one of the most convincing allegations of government mind control targeting in a long line of high profile mind control claims of torture and political repression. Another case is the 1997 book, "Mind Control Within the United States," by Kai Bashir. The book, (available on amazon.com,) is a riveting and chilling account of mind control targeting in another small South Asian nation; Pakistan. Bashir's mother had tutored the sons of Z. A. Bhutto, President of Pakistan.

Cheryl Welsh has authored a [review of the book](#) including two lists for a revealing comparison:

- I. EMR mind control technologies tracked by the UN and human rights groups since the 1950s.
- II. High profile cases similar to the case of Tek Nath Rizal.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Organized Stalking and Directed Energy Weapons torture, from Trivandrum, India since 2000, which I realized only in 2003.

Since then I have been subjected to several sensory modalities like visual, olfactory and tactile hallucinations, thought conversation, threats of being burnt alive and torture in the form of spasmodic pain. Twitching of muscles can occur in association with a stimulative thought.

Suspicion first arose due to repeated incidents of strange but marked coincidence. Even my wildest thoughts were being spelt out by people around me with a sense of rebuke. I suffered social isolation and found myself exposed to deliberate situations that could endanger my life itself.

I concluded that there was some kind of a continuous monitoring device. At that time, 3-4 years back, I was totally unaware of mind control devices and hence could not make out exactly what was happening to me. Since the psychiatric DSM and ICD classifications and symptom listing categorize the features of mind control experimentation as that of paranoid schizophrenia, I have till date not been able to take up any legal procedures for seeking justice.

I have approached several political and human rights organisations and activists in India but all of them have turned out a deaf ear.

The Indian situation is very grave. There are no support groups in India. What statistics show is only tip of the ice berg as the socioeconomic and educational status of the average Indian is far below that in Europe and the vast majority of people cannot realize what is happening to them. It is purely illogical and foolish to think that India alone is not perpetrating mind control technology over its masses when all other governments are doing the same at a stage when India has risen to be a nuclear and space power with indigenous technologies. I request the international community to look in to the Indian situation also.

Petition date starting in Ottawa and Toronto from Aug. 25, 2009

Dear Member of the Canadian Government:

CC:

To Whom It May Concern:

This letter is to ask for your help for the many constituents in Canada who are being affected unjustly without their informed consent by Psychotronic (or Mind Control, Electronic, Directed Energy, Neurological, Non-lethal) Weapons.

We are writing you on behalf of Canadian Organization of Victims of Psychotronic (Mind Control) Weapon. We, and many others, are being TORTURED AND MUTILATED IN A MIND CONTROL CONCENTRATION CAMP 24/7. We wouldn't be tortured and manipulated in a properly functioning legal system/society.

Victims of Psychotronic Weapon detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous incidences of psychological torture, mental and physical mutilations. Criminals place human subject under continuous surveillance, no matter where he/she is; they monitor human brain, including thoughts, reactions, motor commands, auditory events and visual images; they continuously alter consciousness, introduce voices, noises, other disturbances, commands, images and "dreams" into the brain; they directly abuse, torture and hit bodies - including performing advanced medical procedures - from remote locations. The technology they are using is so advanced that it allows the controller'(s) to see through the eyes of the targeted individual, essentially seeing whatever the victim sees.

These are some of symptoms of targeted individuals:

- 1). Microwave hearing and torture with intense loud electronic sounding noise
- 2). Visual disturbances, visual hallucinations
- 3). Manipulation of will, emotions, feelings, perceptions
- 4). Manipulation of human behavior: forced speech, involuntary body movements, transmission of specific commands into the subconscious, compulsory execution of these commands
- 5). Reading thoughts remotely, retrieving memories, implanting personalities
- 6). Debilitation of mental acuity, inability to concentrate, disruption of ability to think rationally and independently
- 7). Loss of memory and knowledge
- 8). Inadequate states, which targeted individuals have never experienced before (states of narcotic intoxication, depression, obsessive desires and so on)
- 9). Control of sleep patterns: sleep deprivation or uncontrollable sleep
- 10). Blurred vision
- 11). Cramps, seizures and spasms
- 12). Excruciating artificial pain in any part of the body, for example, heart attacks and other symptoms

We have contacted police, RCMP, Security/Intelligence Agencies, Courts and other Government institutions over and over and over again, but have had our appeals for assistance and protection almost completely ignored or suppressed. Government “doing nothing” in this situation is a form of sanctioning these horrendous fascist experiments with psyche on innocent and defenseless people, that is why Canadian Government is responsible for these crimes. Government of Canada must uphold the rule of National, International and Human Rights Law and protect Canadian citizens by these laws, instead we see the huge disconnect between its professed Principles and Values and the reality.

It is our responsibility to record and alert the world to these horrendous crimes and the extreme danger that these technologies pose to democracy, human rights, privacy, mental and physical freedom, health of all people. These are the most horrendous weapons and crimes imaginable, and the people, using them, are mass-murdering conspirators, pursuing fascist, totalitarian, fundamentalist schemes.

“Doctors Mengele”, who started developing these techniques in concentration camps during World War II, were brought over here from Europe after the war to continue their atrocities. MKULTRA was the first of these illegal and immoral experimenting with unwilling victims, we are the latest victims. THIS MUST STOP, and the responsible people exposed and brought to justice for these unspeakable crimes against humanity. We demand only that human rights are respected, and the Canadian Government appoints a Committee to get to the bottom of this most serious matter based upon the evidence piled up, which was collected, intercepted and captured by the victims years after years.

This gross violation of human rights must be investigated immediately.

Mental Torture

Since ten years , on 23 June 2005, I have been mentally tortured that some individual in my country. I have seen them personally, I do not know their names. They look like tramp on the street. But since that day my life has become a nightmare. I had a keen interest in spirituality, and I am very religious, performing devotional service, fasting etc.....

At night I could not sleep, I heard someone saying that he going to meet me in the cemetery, I went to work the next day and left the office early due to unusual behaviour of my colleagues I sat in the bus near a person who resemble like a tramp and he was very weird, he was wearing shorts and t-shirt, he had lots of acne in his face, he has a black complexion. He got up near the church and when he got down he said something to me, I was carrying a small bag where there was something written "in the sky I will be always there for you, I promise you with these five words when you breath I be there like an oxygen" and he pointed to this bag and he look up and said "Krishna". But after meeting with these persons, there was a complete change in my consciousness, everything change in my life, strange behaviour all around me. When I was at home, my parents behave strangely and also at work. Everybody was telepathic, they knew everything about what happened at home , what did I talked with my parents, they know about my thoughts, what I am thinking about the colleagues at work, and they will comment on my thoughts during the conversations they had with my colleagues or my friend.

I felt very strange when they said that my house was a haunted one, the atmosphere was haunted, at work also they commented that my work place have turned into haunted one no one wanted to talked and make friends with me, they said that I was haunted. But I continued to work although these mental tortures I had lots of mark on my body. I made lot mistakes while working and my Manager and supervisor were shouting, they look wild. As if these individuals wanted me to become mad and to spend my whole life in a mental asylum or take mental pills. At the end of July 2008 I had strange thought of leaving my job, they acted strangely at work they picked up the phone without the phone ringing , and I found tears rolling down their cheeks. It's so strange !!!!!!!!!!!!!. I have stopped

my higher studies, I could not concentrate, I was just a mental rape.

On 31 July 2008, while I was finishing my job to go home, I have decided to leave my job, because my colleagues was so strange they were talking among themselves saying that they are waiting for a helicopter as if there will be a terrorist attack, they were not talking to me, they left me alone, no one was friendly with me even at home no one was talking to me. But before I left the job, I did not say to anybody that I resigning from the job, everybody started weeping loudly at my work as if something happened, some just watching the computer screen and some were picking up their phone. When was leaving the office they just watch my feet and they cried a lot. It was so strange!!!!!!!!!!!!!!!!!!!!!! It was telepathic, mental broadcast. When I was out there a lady with some individuals standing the bus stop near my office. The lady look so weird, she look like a witch and she watching me. She nodded her head as if she know everything what happened and she felt very afraid when she saw mw, she took the bus, I don't know but it seem as if I have seen her somewhere.

I went home I could not sleep that night the next day I did not go to work, I went to post my resignation letter. I left my job. I could not tell parents about this, they told me that I was mad and I have psychiatric problem I have to see the Psychiatric and takes pills. I don't like taking pills. On Saturday I was very nervous and I chanting god names when I had strange thoughts in my mind that parents are not my real parents, they have been changed, they are living on a different identity, they are not my real mother, father , brother, grandmother, there behaviour was so strange, and these telepathic people they said that they were living in my neighbour house. My neighbour has some psychiatric problem, she she is very nervous and she shouts loudly. So I started shouting like her, I became very depressed, I thought that my parents have changed and when was chanting Krishna names, some weird people came at my place, two of them was walking and one was on his bicycle, she was carrying a lady the latter look like my mother when I was a kid. So, it is just telepathy they knew what's going in my mind for bringing a lady which resemble just like my mom so that I believe my thoughts and become mentally disturbed. I left home, they wanted to bring me to the Psychiatric, I went to stay at my aunt's place and return back home after one day as I was missing my devotional service at home. I stayed unemployed for one year. I prayed a lot so that god can help me to get out from these demon wombs. I was crying a lot, I did not celebrate anything, they just tortured me and my family. My parents and people all around were not same as before, their consciousness have changed, they speak like demons and have qualities like demons they know everything that's in my mind. It's all telepathy, these people have transfer their thought to them and they have lost their consciousness, they said that we do not have to pray only have to enjoy. We do not have to perform deity worship and everything is impersonal for them. They said the they are god and broadcast their belief that everywhere. They are disturbed when they see people pray or serious in the spiritual life, they discourage faith. When I pray in the morning they really harassed me, they mentally kick all the deities. I can hear them talking. They just said absurd things. Sometimes they showed through their mental video that they are raping me. I felt very dizzy, weak , having nausea, I thought I had diabetes or hypertension but I went to for a medical check up everything was normal. I just can't pray and concentrate on my prayers, they disturb everything. Sometimes, I feel impurities in my heart due to their association. Sometimes I can't do anything I have a telepathic sleep , it's in a state of coma, when I got up from this sleep, I feel very hungry, and feel very dirty, not the same consciousness that I and before, I feel control by them and cannot do anything, they say that I am sinful, I meditate a lot on my past action and stay in this subconsciousness state, "alpha", lots of imagination in the mind and meditation on the bible, although I am a Hindu, I have never read bible. It's all telepathic.

I have read many articles on mind raping on the internet, same thing happened to me, mental broadcast everywhere I go even in the shops, markets, on the road. These people they are real demon, I can't do anything about, I can't even tell the police or my dear one, they are already telepathic, they will only say that I have to visit a psychiatric or I am mad. There are no law in my country for those criminals, they usually come to see me they have lots of pleasure in doing this torture. My parents have been affected by them, my grandmother died because of them, she was very old, she was attack, everybody at home stay in this subconscious state, they are sick all the times they have to take pills. My parents were very religious but suddenly everything changed. The perpetrators controlled their speech; there is lots of misunderstanding when living with them even among the devotees. I have been much harassed mentally, I have sudden urge to urinated or sometime I have pee in my clothes. Today I have decided to write because this is affecting my devotional life, I have telepathic dream and I could not get up early in the morning to pray , these demons said that they want to have sex with me. This really annoyed me, I feel like crying that's why I decided to write, so that it does not remain a secret and Krishna can help me. These demons they have characteristics as animals they stopped me to go to the temple and said that god does not exist, they stopped me to be vegetarian and said that Bhagawat Geeta is all rubbish and all are stories and false, they are like impersonalist, they think themselves to be god, they said the material body is god and all the god that I am praying is all imagination. They think that I am the hindu goddess, Radharani, Kalimata, Durgamata, Parvatimata. It's all

nonsense, they want people to be condemned in this material world by thinking they are god, people don't go to the temple because of them, they are not Krishna conscious, their thought have already been built in the mind of all people, they broadcast their belief and their own consciousness. The whole population is affected by them, lots of diseases all around cancer heart attack, fake illness etc..... There is complete change in their consciousness which they don't realise. I have prayed to Krishna, he protected me . These demons can act as I was doing, they know all my bodily movements and actions. It's all Telepathic!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! and these demons they really exist!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am from Dhaka, Bangladesh and have been a target for 5years now. I would like for you to add my name "Saalim Siddiqui" to the list of targeted individuals you have under southeast asia. Thank you. I am currently in Sydney and my targeting continues even to this very moment. My life has been stolen from me and am trying to generate awareness about this issue. It seems hopeless but there is not much I can do but tell others about what is hapenning. I hope someday this will all end. Thank you agian for reading and I believe we are friends on facebook already. I am currently thinking of making a video describing my story, hopefully I will be able to do that. What you are doing is admirable and is much appreciated. Please keep fighting for our cause, thanks.

16/5/12

i am doing ok i guess..the same things im sure you know..getting weaker but holding on...

24/5/12

My targeting began in Dhaka, Bangladesh which I am quite sure sounds quite unusual. I am just an average person with no affiliations with any wealthy or influential organizations. I believe my perps targeted me because they had some form of hatred towards me for no apparent reason really. They kept saying that because I was riding a skateboard which was unusual in Dhaka at that time and people in places of power had something against me because of that (to me it just seems like big egos). However, I did not know what was hapenning to me at the time, I was being gang-stalked but never realized it because I was keeping to myself and could never comprehend the fact that anyone could have anything against me. They got me to start doing drugs (mainly marijuana and amphetamine), and I became quite confused as to why everyone around me including my friends and family were acting so strange. It seemed like the whole world was out to get me, and paranoia hit a point where I told my mother that I was hearing voices and that I thought everyone knew what I was thinking in my mind. Naturally she thought I was going insane and I ended up in a psychiatric facility where I was forced to talk to psychologists and take medicine which were both very unnerving. My drug abuse stopped and then after that I travelled to Sydney, Australia where I was still being targeted and I resorted to alcohol which was extremely debilitating to my mental and physical health. I have been mobbed out of the last three jobs that I had and the gang-stalking was an additive to further psychological torture. My friends did not seem like they were my friends anymore and people I never knew seemed to know more about me than people who I confided to.

I believe the Bangladesh government is involved with my targeting because the perps told me it was the PMs secretary who was doing this to me while at the same time torturing me with directed energy weapons. However I have no way of proving my allegations. I also believe the American and Australian ambassadors to Bangladesh are involved in my targeting along with military personnel who I do not know. This led me to believe that my targeting could be somewhat related to non-consensual human experimentation which has to do with behaviour modification

to suite the ideologies of people who believe they are gods. Again I have no way of proving my allegations. I have had death threats through V2K and by gang-stalkers and threats of all kinds still persist. The harrasment has not stopped, and RNM is one extremely advanced piece of technology that cannot be understood unless one solely can relate to one's self. These people who are doing this to me are criminals of the highest order and are in positions of power within the government and private sector which allows them to commit any form of atrocities and get away with it.

They are psycopathic and their goal is to destroy my life which I must add they have succeeded in doing to a certain degree. This has been going on for 5 years now, probably more and at first when I found out about it I thought my life had ended, until I found out that there were other people in this world who are going through the same experiences. A lot of people I see online being targeted are in America, but please note that OSEH is hapenning globally, I am being ridiculed by anyone and everyone whenever the subject comes up and am being discredited at every turn so as to not talk about it. They have given me a death sentence because due to this microwave hearing I am recieving ionizing radiation 24/7 which is a slow-kill process. Sleep deprivation, involuntary muscle movements, EEG cloning, personality implanting, time-based command execution programming, thought insertion, forced speech, dream manipulation, forced sleep, hunger attacks, fatigue attacks, hallucinations, induced and amplified cravings towards alcohol and cigarettes, induced sexual arousal sometimes even around the same sex, sodomy when alone or even around people, blurred vision, the DEW attacks result in cramps, seizures, spasms, pin pricks, itching, burning, palpitation, artificial heart attacks, neausea, tinnitus, inability to think rationally and independently, memory loss/deletion, blurred vision, unnatural bowel movements, induced vomiting, ringing noise in the ear, manipulations of will, emotions, feelings and perception.

These criminals are committing crimes like the Nazis did during WW2 and only this time they can get away with not having to face the blame. I have been shown many different holograms and pictures and been told many different things through the V2K that leads me to believe that spy agencies and military organisations such as the CIA, NSA, DoD, and various governments around the world are involved in my targeting. Now because they have also acted like they were demons, aliens, secret societies etc., I cannot verify who they actually are, but for one thing I know for sure is that these people are criminals of the highest order, they are psycopathic, sadistic, and have absolutely no regard for human life. They are comitting these crimes without any consequences whatsoever and there is not much I can do about it. They call it psychological warfare, well I never signed up for any war. They say I have a chip behind my right ear, well I never put any bloody chip in my brain. Everyone usually ends up believing whatever they are told by anyone in a position of authority, to hell with all these idiots who think its ok to laugh and smile and make fun of someone by torturing them and destroying their lives. The focus seems to be to drive the target to insanity and the ultimatum is death by suicide.

They destroy families, relationships, friendships, careers, livelihoods of innocent people who are no threat to them. They are a bunch of cowardly old men with too much money and time on their hands and who have an insatiable desire to make themselves feel like gods. They have puny consciousnesses which only allows them to think in very narrow terms, the need to lie, cheat, trick, decieve, control and manipulate other humans in order to feel greater than others. Experimentation or contract killing, either way its criminal and unjust, and the biggest human rights violation in the history of mankind

3/1/12

thanks for the wishes, happy new year to you too...i am doing ok i suppose, you know the same old story every other day. I cannot find the email address for the ICC so i dont know where to write and send to. If you could kindly include the email address that would be great. Thanks. Take care.

I am one of the Target Individual from New Delhi, India. My name is Harvinder Singh. Its been more then 6 years that I have been mentally tortured by the mind controlling devices.

They read my and pass the whole information to people around me like people at my work, friends, place where I stay. They are make false stories about me. They speaks in my mind with voice to skull tecnologies. They say lote of thing to me. They keep me in touch what ever happening in my mind through different methods.

They control my emotion and behaviour. Keep me sad and irrate all the time. They torture me to the extend that is start biting my own self. All my daily activites are control. My sleeping time, time to eat found, my mood , thought are all controlled.

I even wrote to the legal authorise in india and human right but the did not replied till know. I forwarding the same email that I wrote to them.

I am looking for urgent help.

Regards,

4/5/14

It's been six year that I am under the Mind control torture and Gang stalking done by Government Intel. The read my mind, thoughts and even manipulate my behavior 24hr a day. They speak in my head and I can hear their voices. I am under the influence of their mind control and tortured device. They can keep track of the victim every, they go. It send signal through satellites so there is no escape from there control. Since it is done by Government Intelligence. So there is no law against it or any information legally available by the legal authorities as it is a secret weapon used by them. But I am not completely sure whether they are in Government Intelligence or not. When I went on internet I came across different web sites and met people and found that they American secret services or CIA is behind it and the run different mind control and torture experiments.

They share my thoughts that are in my mind to the people around me who know that what I am planning to do or what is going in my mind. And they make decision according to it. And they make decision of my life. They have completely rules my life.

I always framed into false behavioral issue and punished and tortured on the command of the people around me. The can screw your mind so much that you will start harming yourself. They keep me informed through different ways that what is happening on my back, what they are going to do and so on. There weapon can make you to harm your own self. They screw your mind. Control it and for you to harm your own self. They have complete control of your mind and behavior. They manipulate your behavior and attitude. They make you sad, grief, pain etc.

They do this through the remote device. So that, there is no proof that any one was involve in the matter in harming you. I have been mentally tortured, physically harmed, had financially loses and my character was completely ruined among the society where I lived. And people around me have complete knowledge about my where about. Like people I worked have complete knowledge about my living place and so on. They make false acquisition on me and force everyone to make similar stories on me so it looks true. So the only method that the use to make thing true is to force every one to make similar stories about me so it look true and people start believing.

(Due to torture i am force to harm my self)

You do not let you have a personal life and friends. They take away your independence. Make decision. Its just like you are in a prison as they control your mind. They can harm you, physically and mentally. They can make financially losses as they won't let you work and know what would you be planning to do.

And about mind reading and controlling thing. Its not something I am assuming or making up. I was given a complete demo by my neighbors Tara Singh, Rana, residing at 1144 Sant Nagar, Jalandhar City. Harinder Singh and his son Vicky residing at 1145 Sant Nagar, Jalandhar City. My Own Brothers Wing Commander J.P.Singh and

Manwinder Paul Singh. And lot other at my place at Jalandhar.

When I tried to oppose them, but they threaten that it will have the ad worse effect on my life and they forced my family to make charges against me.

I have complete clean record and law abiding citizen of India and have no criminal record but forcefully been pulled in wrong direction.

It's been happening continuously even I moved to Delhi for my job. Same kind of thing are happening on my back though no one openly speak about it.

So I request you to please look in to the matter though there no law about the these mind control devices and taking any action against Government Intelligence.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

my case summary

मेरे साथ माईड कन्ट्रोल साल 2000 में शुरू हुआ। मैं साल 2000 के जनवरी महीने में ही 5 साल जापान में रहने के बाद चण्डीगढ़ वापिस आया था। किसी कारण से हमारा परिवार चण्डीगढ़ छोड़कर कुछ दिनों में ही पंजाब मोहाली फेस 7 शिफ्ट हो गया। जहां कुछ ही दिनों बाद मुझे आवाजें सुनाई देने लगी। पहले पहले तो कुछ पता ना चला पर बाद में धीरे धीरे पता चल गया कि मेरे माईड को कन्ट्रोल किया जा रहा है। मेरा केस बाकी TI's से अलग है। मैं उस अफसर के घर का पता जानता हूँ जो मुझे परेशान कर रहा है पर मैं यह नहीं जानता कि वो कौनसे महकमे में कार्यरत है। मुझे तंग करने के लिए civilians को साथ मिलाया गया। इनमे से कुछ civilians ऐसे हैं जिन्हें मैं पहले से जानता हूँ और हम एक दूसरे को पसंद नहीं करते थे। ये civilians 24 घण्टे मुझे परेशान करते हैं। बाकी TI's को तो कभी कभी बातें या आवाजें सुनाई देती हैं पर मुझसे लगातार बातें की जाती हैं मुझे लगातार बाड़ी पेन शरीर में दर्द किया जाता है, मेरे ईमोशनस को बदलकर मेरे 5 साल के बच्चे को बिना किसी कसूर के मुझसे ही पिटाया जाता है, मेरे घर में कलेश करवाया जाता है। इन लोगों ने civilians को साथ मिलाया ताकि 24 घण्टे मुझे परेशान किया जा सके पर इनकी मेरे साथ कोई पर्सनल दुशमनी नहीं है मालुम नहीं इन्होंने ऐसा क्यों किया। मेरे पर झूठे केस भी किए गए। इन 14 सालों में टार्चर सहते सहते जब यह लोग मेरे अंदर CIVILIANS बदलते हैं तो मुझे पता चल जाता है और अब जब यह लोग CIVILIANS बदलकर कुछ गलत करवाने लगते हैं तो मैं अकसर इनसे माफी मांगने लगता हूँ ताकि यह लोग गलत काम ना करवाएँ। मैं अकसर सोचता था कि अफसरों और civilians को मेरे पर तरस क्यों नहीं आता। क्या कोई किसी को सारा दिन परेशान कर सकता है और वो भी लगातार 14 साल ? फिर मुझे और civilians को मालुम हुआ कि civilians there own के CIVILIANS भी मुझे तंग करने के लिए चेंज किए जाते हैं और इस बात का पूरा ध्यान रखा जाता है कि किसी को मेरे पर तरस ना आ जाए। और मुझे बहुत ज्यादा टार्चर करके यह अफसर मुझसे भी इन civilians को गालीयाँ निकलवाते रहते थे ताकि ये civilians मुझसे नफरत करते रहें और किसी को मुझपर तरस ना आ जाए। मैंने ऊपर जिक्र किया था कि इन लोगों ने मुझपर झूठे मुक्कदमे भी किए। इन लोगों ने पोस्टर छपवाए जिनपर न्यूड फोटो थी और मेरे घर के आसपास रह रही लड़कियों के नाम थे। पोस्टरों को सारे शहर में बांट दिया गया और मुझे इस केस में फंसा दिया गया। जो अफसर मुझे तंग कर रहा है वो मोहाली फेस सात में रहता है (मैं इस अफसर का मकान नम्बर नहीं लिख रहा) इस अफसर ने अपने पड़ौसी से मेरे खिलाफ गवाही दिलवा कर मुझे पकड़वा दिया हलाकि 8 साल बाद मैं इस केस से बरी हो गया।

अब जाकर इन भ्रष्ट अफसरों का एक बहुत बड़ा भेद civilians के आगे खुल गया। इन लोगों ने मुझपर मुक्कदमा करने के लिए जो लड़कियों के नाम लिखकर वलगर पोस्टर बांटे थे इन लोगों ने मुझे तंग करने के लिए बनाई civilians की टीम में उन लड़कियों के भाई और रिश्तेदारों को शामिल कर लिया। इन 1 दूधदूड्डट्टह्य को मुझे तंग करने के लिए ताकत दी गई और ये लोग मुझे अपनी बहनों की हुई बेईज्जती का कारण समझकर लगातार परेशान करते रहे इनके CIVILIANS भी चेंज किए जाते रहे और मुझसे भी गालियाँ निकलवाई जाती रही।

पहले मुझे और civilians को CIVILIANS डलने का पता चला और अब civilians को यह पता चल गया कि पोस्टर इन भूष्ट अफसरों द्वारा ही बंटवाए गए थे और जो भी गलत होता है वो इन भूष्ट अफसरों द्वारा ही किया जाता है। अब ये civilians जब तक चेंज आफ ईमोशन नहीं होता मुझपर तरस खाते हैं और खुदको भी इन भूष्ट अफसरों के जाल में फंसा महसूस करते हैं। अब बहुत कम civilians हैं जो इनका दिल से साथ देते हैं। अपने राज खुलने से बौखलाए यह भूष्ट अफसर पिछले 3 महीने से मुझे बहुत ज्यादा टार्चर कर रहे हैं हलांकी मेरे घर में कलेश डलने तो कम हुए हैं पर मुझे सोने तक नहीं दिया जाता इतना दर्द किया जाता है कि मुझे अस्पताल तक ले जाना पड़ा। मैं अब इनसे मौत मांग रहा हूँ अब मेरे से और दर्द बर्दाशत नहीं होता। ये लोग धीरे धीरे मेरे लाखों रूपए का नुकसान करवा चुके हैं। ये भूष्ट अफसर भी अपने राज खुलने से हुई बेईज्जती से बौखला गए हैं। शायद ये लोग अब जल्द ही मेरी जान ले लें। मैंने इन लोगों से एक बेनती की है कि अगर मेरी जान लेनी हो तो चेंज आफ ईमोशन से खुदखुशी करवाकर बुदजली की मौत ना दें मुझे हार्ट अटैक या ब्रेन हैमरेज से मौत दी जाए। क्योंकि ये लोग कुछ भी कर सकते हैं। बहुत बार मुझे मौत के करीब लेजा कर वापिस लाया गया है। मैंने हजारों अफारों को खत लिखकर अपने साथ हो रहे अन्याय के बारे में बताया पर अफसोस किसी अफसर ने तो क्या मेरे परिवार ने भी मुझ पर विश्वास नहीं किया।

मेरे शरीर में बहुत दर्द रहता है इसलिए मैं आप सब के कान्टैक्ट में नहीं रह पाता। आप सबसे बेनती है कि अगर मैं मारा गया और आने वाले समय में यह पावर जगजाहिर हो गई तो मेरी यह मेल मेरे परिवार को दिखाकर इतना बोल देना कि वो जो कहता था सच कहता था आप को उसपर यकीन करना चाहिए था। मैं अपना पता भी लिख रहा हूँ।

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Hello Friends,

My name is Sudeep (31) and I'm a Targeted Individual. I got your contact details from (I gathered the first 50 contacts):

<http://www.scribd.com/doc/81271295/Over-300-Satellite-and-Brain-Weapons-Assault-Targeted-Individuals>

I presently reside in India. I stayed in the US for about 6 years (2002-2008) during which time, a microchip was

illegally implanted in my brain. I wanted to know what I can do about it to get rid of this nuisance. Is there anyway to deactivate this chip? I have been immensely suffering because of this, for the last 6 years (Below, I have mentioned my torturous story). I know of other TI(s) (Targeted Individuals), who are going through the same trauma.

I firmly believe "A problem can only be defeated by taking small, simple baby steps and in continuing to do it". Please pour in your bright ideas, inputs and lead this battle against illegal chip implantation/mental abuse/harassment, so that we work towards our own happy life and towards a society free from this evil.... Each of us has suffered a lot and continues to suffer in isolation.

LET US END THIS ISOLATION, JOIN HANDS, MINIMIZE OUR SUFFERING AND EXPOSE THESE PSYCHOPATHS TO THE SOCIETY.

Here are some basic important questions that I want to ask:

-My first critical question is -----Is there a way to detect/deactivate this chip? If there is, please let us all know. There must be a way to deactivate it or shield its effects. Is there ongoing research in this area?

-Most importantly, this chip persistently threatens me with thoughts of implanting chips in the minds of my loved ones (through agents) through knowledge that they gain about my loved ones through me. Is this something anyone else has faced? I have been brutally harassed with this thought for the last one year. Have there been any such cases? Or this is just a bogus thought that I should ignore.

-What is the society waiting for in acting against this nuisance, even after having knowledge of it? Is it waiting for this problem to turn into a critical problem before it takes the first step? It is probably waiting for official concrete evidence that such a chip exists and the abuse it can cause. Are there concrete steps being taken to prove this?

-How can the society isolate a person suffering from electronic abuse and stand with the perpetrators? Even the cops turned against me in using the cellphone technology to abuse me. What caused them to believe the perpetrators? How can it be so simple? I'm just a law-abiding person, who just wants a simple life.

With a lot of hope, I composed this email. I look forward to your reply. It is the duty of the society to put this nuisance to an end. It is important to address the issue before it becomes uncontrollable and a menace. What should the next steps be? I sincerely look forward to hearing from each of you. Is there anyone who can help us in fighting this nuisance? Can you put me in touch with other TIs in India that you might know?

Thanks,
Sudeep

PS: I apologize to have emailed you without your prior permission. But it is important for all of us to connect and fight this battle.

My very short torturous story.....

This chip was implanted in an inebriated state in 2007 (when I was in my brother-in-law's house in the US). Before this chip was implanted, I had a very good job, was a very social and outgoing person. I went through unimaginable mental torture because of this chip, which affected my work life, my personal life and the life of those who were closely associated with me. They controlled my thought process (and still continue to), feelings and emotions and harassed me to an extreme limit, where I started doubting myself. My faith in God, my fiancée's love and support, and my goodwill nature helped me through this horrible period. Unable to bear this nuisance, I returned back to India in late 2008. I had no clue, what was going on with me, since I thought these thoughts were mine.

I got to know about this chip implantation through a close friend of mine, couple of years later in India. The torture that I suffered at the hands of this chip is indescribable. Even the society was involved in supporting these bastards to no end. In India, I was constantly attacked using cell phone technology for a period of almost 6 months by people known and unknown. The police officials were also involved in participating in this mental torture. I did not know what to do. Here are steps that I took:

- Did MRI scan of the brain at at least four centers. No evidence of the chip was found.

- Consulted a Lawyer and booked a case against my Brother in law. However, the case was weak, since there was no evidence of the chip.

- Wasted enormous money on electronic gadgets which could nullify the effect of the chip. This did not help me.

- Met with senior politicians and police officers. Although, they knew what was going on with me, I did not get any assistance from them.

During this period from 2008-2010, I was not employed and was living off my money that I earned in the US. Also, I was freelancing as a technical writer. From being well off, I went to become a literal nobody. Also, during this period, I did not have support of my family.

However, I still don't understand how these bastards communicated with the society and how the society participated in this form of inhuman torture. No one speaks about the torture, but opt to remain silent observers or even participate in the torture.

I was lucky to find myself a job in early 2011. However the torture continues in the form of voices, mind and body control. Most of the times, I don't have control over my body and these psychopaths control my body moments.

This is something very unique in my case. On my family's insistence, I visited a psychiatrist, who eventually gave me medicines of schizophrenia. However, he knows I don't have schizophrenia. He just does not know what else to suggest, since he does not know how to deactivate this chip, nor a way in which it can be surgically operated.

However, my case still remains weak until I find visual evidence of the chip in my brain. Sooner or later, I will.

I have been subjected to organized stalking, electronic surveillance and mind reading for the past 4 years - physically as well as through all my gadgets. I have not been giving in and DO NOT plan to give in at ANY point in time.

I have been exposed to pointed radiation exposure earlier on my body and have been having induced dreams and nightmares. I have also smelled chemicals where none were around.

After another attempt to expose the group (corporate / politicians), they have started sending noise to my ears - guess through high/low frequency waves.

Let me know what can detect bio chip implants in my body (not done in my conscious state) and how to shield myself from this state-corporate sponsored nuisance.

If there is a chat group of victims - do send me the link to get an added perspective.

Only one question.

Can you get the application of Remote Neural monitoring, Sattelite Torture, Electronic Brain Linking.....or other Psychotronic assalut on any person certified by any Organization ?

Do you know of any National, Regional or Private Institute who can certify if a victim is subjected to any other above mentioned or similar technologies on their brain./mind

Experiments on Humans through Electronic Brain linking and others.

Waiting for your good response.

I have read quite alot baout you.....just answer the above question and I'll be thankful to all my life. I am oneof the victims.

The assault began in 2008.

Classification of Assault :

What technology has been applied on me?

Does any one or more have patents for this technology?

What I noticed :

My neurological changes , are broadcasted to everyone or due to resonance each human , animal or mammal receives, an instance of my immediate neurological change.

This should mean , people, animals and mammals can feel,hear, see, smell,me,my touch.....my thoughts and changes of my my Brain.

This images from Visual Cortex are flashed....voices are heard heard directly from the auditory cortex, or people can feel what I felt or what I touched

People experience me 24x7.

My question :

1. What technology is enabling all this?
2. Patent for this technology?
3. Which Organization in the Globe can perform neurological , physics based tests to certify that I am victim of such an extreme technology.

Please answer.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

3/7/13

Aux services psychiatriques d'hôpital local de SIDI HUSSEIN BEN ASSEUR DE LA VILLE DE OUARZAZATE à la ZONE SUD du PAYS MAROC, ou tous les infirmiers, médecins et docteurs locaux , régionaux et urbains avaient sauvagement torturés et harcelés de milliers et milliers de patients et victimes assez-jeunes et très enfants qui les avaient agressivement tués et condamnés aux peines à mort les plus en plus psychopathes dès les années de plombe à présent ici.

Alors, et en surtout Mrs Mouhamed Khoumouss, Brahim Ait- Oukhashiff, Saaid - El Jermatti, Soussou, Ahmouss, Akbab, Hassani, Khalid.....etc, ceux sont sauvagement détruites et dispensables de tous genres de crimes illégales, terriblement bien-frustrés dont ils avaient terriblement sur-dosés en tous renforcements autoritaires les plus en plus oppressives de les sur-doper de plus que 15 000 mgs de toutes sortes des intoxications de drogues soit par comprimés ou injections en tous empoisonnements les plus néfastes de détruire de leurs physiques et mentales dont ils les avaient péniblement lavés (Que les pires intoxications d'empoisonnements les plus en plus mortels par lesquels avaient tellement enterrés aux agressivités et oppressions les plus en plus psychopathes dès 1970s à nos jours.

De plus, que Mrs Erramdani , ex-chirurgien local d'Hôpital Sidi Hussein Ben Asseur de la ville de OUARZAZATE à la Zone Sud du Pays Maroc + Mrs Dr Al kharrati, Lahrech, Al Ismaïli,.....etc, ils avaient en toute férocité infernale la plus en plus psychopathes et en tout absolu horrible dont ils avaient enlevés tous les organes nobles humains par lesquels les avaient nationalement et mondialement commercialisés en tous noires de les transporter au Banque International Des Organes Humains qui est à présent localisé et bien-situé en Suisse à la capital Genève ; depuis les années 80s à nos jours ici. Bien-sûr , ils deviennent des archés milliardaires qui avaient en toute sorte de perplexité immorale inattendue fait que de milliers et milliers de fortunes au Maroc ainsi qu'ailleurs .

Personnellement, moi Mr Fouad ZENNARI, que ; par l'intermédiaire autoritaire le plus en plus psychopathe et terriblement féroce de toutes les autorités nationales et locales de la ville de Ouarzazate à la Zone Sud du Pays Maroc; ou ils m'avaient sauvagement renforcés de me punir en toutes sanctions les plus en plus pénibles et immorales de m'envoyer aux services psychiatriques ; ou ils m'avaient de plus que 10 Fois Successives de m'essayer de me condamner à mort en toutes sortes des oppressions et dégressivités les plus en plus psychopathes que les pires cocktails de tous genres des intoxications en tout absolu bien-empoisonnées par lesquelles m'avaient horriblement essayés de me traiter que les pires sexualités immorales les plus en plus psychopathes dès 1989s à l'an 1999s.

Depuis 1999s à nos jours, c'est parce que c'est de tous mon physique, ma santé et cerveau devenaient actuellement détruites que j'avais horriblement souffert q'un tel genre de handicap physique et mental les assez insupportables de les accomplir à cause de pires victimisations de telles débuts de traumas et tumeurs incurables qui m' avaient physiquement infectés d'après le diagnostique international par deux organisations internationales de droits de l'homme contre la torture , harcèlements, abus.....etc, C.C.H.R et C.C.D.H,.....etc, dont ils m'avaient envoyé énorme vidéos sur le website [youtube.com](https://www.youtube.com) par lequel ; ils m'avaient en tout franchisé véritable ; constatés que les pires résultats de traumas mentaux , lavage de mon cerveau , désordres psychologiques et psychiatriques pénibles et insupportables de les survécus à cause de plus que 40 à 50 Comprimés de drogues de médications ainsi que de plus que 8 à 10 Injections de composants de drogues en liquides; tellement mortelles de m'essayer de me condamner à mort aux pires oppressions, agressivités, tortures, harcèlements, victimisations, abus.....etc dont ils m'avaient en toute férocité immorale la plus en plus psychopathe de m'essayer de me traiter en énorme traites de peines de mort les plus en plus immorales et tellement oppressives dont ils les m'avaient terriblement renforcés de me les traiter dès que j'avais seulement 16 ans d'âge à l'an 1999s.

A présent, je deviens un tel mort mort mort vivant pareils qu'un mort bien-marginalisé aux pertes et négligences les plus inattendues de m'emmurer dans un tel genre de Labyrinthe Infernal de mon vécu dont j'ai souffert de telles sortes de handicap physique et mental insupportables de les souffrir quoi que les circonstances et conditions vitales sont à nos jours me transformés en unique victime le plus en plus négligeable depuis les années de plombe en tout absolu psychopathes et nationalement horrible de les persuader bien que tous ces genres de regroupements d'expert cruels criminels et corrompus irresponsables autorités nationales et locales ainsi qu'urbains de la ville de Ouarzazate et en surtout tous les SERVICES PSYCHIATRIQUE D'HÔPITAL LOCAL DE SIDI HUSSEIN BEN ASSEUR DE LA VILLE DE OUARZAZATE à la ZONE SUD du PAYS MAROC; ou ils m'avaient sauvagement essayer mainte fois successive de condamner aux pires traites de peines à mort en tous genres des abus, tortures, harcèlements, violations, violences.....etc, les plus en plus immorales aux psychopathes féroces dont ils m'avaient agressivement oppressés et victimiser de me sou-titré et vêtus fou en toutes sortes de pires traites et malédictions infernales les plus en plus sauvages et féroces dès 1989s à l'an 1999s.

Prière de bien-notés, que tous les infirmiers psychiatriques d'Hôpital Local à SIDI HUSSEIN BEN ASSEUR

sont encore commises énormes violations sexuelles les plus en plus psychopathes en désastreuses pratiques et aussi combien de fois, ils avaient tués de très innocents patients en toute sauvagerie la plus en plus sauvage dès à présent, ils ont terriblement travaillé de commettre énormes crimes illégaux et les violés en tous abus psychopathes, et surtout ; Mr BRAHIM AIT-OUKHASHIFF, est d'origine de Ouarzazate , né à la région de Tazakhte , peu loin de centre de ville de 75 kms, vers la Route de la ville d'AGADIR, ce type d'infirmier d'origine Amazigh, il est à vrai dire un tel genre d'expert cruel criminel psychiatrique qui avait sauvagement tué des milliers et milliers de patients marocains, de même; ils les avaient violés en toute perpétuité physique , dès les années 70s à présent là.

Encore, une fois de plus, prière de me sauver et défendre de tous de mes droits de l'homme que je les avais sauvagement violés de telles sortes de façons les plus en plus sauvages dès que j'avais seulement 16 ans d'âge. Et avec l'expression de tous mes respects les plus anticipés.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

**Sincèrement,
Vôtre Mr Fouad ZENNARI.**

Regarding these Crimes Against Humanity, Secret Weapons, Torture Programs, Destruction of Democratic Institutions and Standards, Total Degradation of Media and Public Discourses, Total Degradation and Disenfranchisement of Civil Society and Institutions there is a complete ORWELLIAN/STALINIST PUBLIC INFORMATION AND INQUIRY BLACKOUT.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, and intelligences.

WE ARE BEING COOPTED AND FORCED AND TRICKED INTO AN ORWELLIAN FASCIST/NAZI TOTALITARIANISM – EVERYWHERE ON EARTH! - as most ‘News’, ‘Events’ and ‘History’ has been degraded into criminally produced and managed dramas/atrocities (i.e. wars, disasters, civil strife etc.) and criminally presented as infotainment, endogenous socio-political changes, propaganda, and/or criminal lies. And as almost all other public discourses including the ‘scientific’, ‘academic’, and ‘arts/culture’ has been degraded into criminally produced and managed infotainment, propaganda, pseudo-science, and/or specious, tendentious or folkloric productions and discourses.

BEWARE OF THE PSEUDO-SCIENCE NAZIS - THE ENEMIES OF FREE AND OPEN INFORMATION AND DEBATE, ACCOUNTABILITY, REVIEW AND REGULATION.

NOT TO MENTION THE NUTCASES PURSUING SUCH FRANKENSTEIN-SCIENCES AS THE TRANSGENIC, AND THE “BLENDING” OF THE TECHNOLOGICAL AND BIOLOGICAL– EVEN AS RECORD BIODIVERSITY AND CULTURAL DIVERSITY DESTRUCTION IS DONE.

**PLEASE WITNESS AND RECORD AND
OPPOSE ALL OF THE ABOVE CRIMES,
AND ASSIST US URGENTLY!!**
