Dear Sir/Madam,

I renew my request for information as all items requested are public. Furthermore, the public has the right to know the answer to the following questions according to the common law which requires that all trials are held publicly and the public has given full access to the circumstances in and reasons for depriving a person of his or her liberty.

1. Is prisoner Melanie Shaw still held at HMP Styal?
2. Can you confirm that her release date was 2nd June 2018?
3. Was or is she being held in solitary confinement?
4. On which day was she first admitted to prison?
5. Who was the judge on whose orders Melanie Shaw was imprisoned?
6. Could you please send me a copy of the judgement?

I would require this information as quickly as possible.

I can be given the information without prior permission from Melanie Shaw. However, given that your prison has access to her, which I do not, I also ask you to print off my email and give it to her and check with her that she grants the public access to this information. I await to her Melanie Shaw's comments to my request.

Thank you for your assistance,

Dr. Katherine Horton
