Dear Katherine

Authority has been given for your visit to CERN, Switzerland to be extended from 11 May 2010 to 1 October 2010.

Your overseas allowances will therefore continue to be paid for this period.

In order to keep our records correct, please sign the attached undertaking and fax it to me at the number shown above.

Please ensure that you have adequate medical cover whilst you are on Long Term Attachment, as the Science & Technology Facilities Council are unable to provide any sort of medical insurance for you. You should have a European Health Insurance Card (EHIC), which should entitle you reduced-cost (or sometimes free) healthcare while you are in a country in the European Economic Area (EEA) or Switzerland.

Please do not hesitate to contact me if you have any questions regarding this matter.

Yours sincerely
