Re: Defamation of Character – For Libel and/or Slander

Dear Ramola Dharmaraj,

I am a respected professional in the community who has spent her life building a positive reputation. Nevertheless, it has come to my attention that you have been maliciously spreading inaccurate and unfounded information that is damaging to my personal and professional character.

Under the laws in the State of Massachusetts and Switzerland, it is unlawful for an individual to make deliberate statements that intend to harm a person's reputation without factual evidence or based on hearsay.

The defamatory statements include, but are not limited to, the following:

- That I am an agent, saboteur, infiltrator and Intel plant.
- That I am a JTRIG attacker, disruptor, counter-intelligence operative.
- That I am a double agent.
- That I have sabotaged the first court hearing of Frederic Laroche, as a result of which the date had to be shifted to November.
- That I have premeditated and maliciously caused the kidnap of Melanie Vritschan's baby by Hospital Erasmus in Brussels.
- That I have engaged in several months of "echo-stalking" [definition of this term unclear], mimicking, mirroring and gas-lighting of you.
- That I have been inciting random violence.
- That I have infiltrated, misdirected and sabotaged the victim community.
- That I am paid to malign, sabotage, provoke, abuse, create a spectacle, grandstand, lie and hypnotise, as well as engage in neurolinguistic programming, echo-stalking and mirroring.
- That I have lied numerous times.

If you do not cease all related statements a defamation of character lawsuit will be commenced against you.

In addition, this shall serve as a pre-suit letter demanding that you provide me written assurance within 14 days that you will cease and desist from making further factually untrue statements.

If you do not comply with this cease and desist letter within the aforementioned time period then a lawsuit may be filed in the proper jurisdiction seeking monetary damages as well as pursuing all available legal remedies for your defamation.

Sincerely,

Dr. Katherine Horton
