Katherine my **dear**,
today i have a quite serious concern.

a lot of **men** are writing to me
asking for a men-edition of your shows.

meaning a **monthly** show of **60min** duration,
comprising the complete content of the other shows.

they say they know 100% that this is possible
from their everyday lives as **husbands**...

so let me pass this on to you,
maybe you can "**realize**"(2x) sth. adequate

yours sincerely since yearlies,
-Kurt
