hier eine Geschichte und verlinkte Videos einer Inderin welche in der USA lebt oder gelebt hat. Wichtig hier sind ihre verlinkte Videos aus ihrem youtube kanal, wo sie ihre Schnittwunden auf der Haut zeigt, welche ihr die Täter auf Distanz machen. Die Videos sollte man sich ansehen, am besten der Reihe nach oben beginnend.

I have been a TI since 2001 I believe ever since my Ex Mrugesh Patel Forcefully came into my life playing a Street Theater/ Gangstalking on me.

That was the start of Gangstalking, Alienation, Street Theater for Dictation, Domination and Control and Humiliation for every minute things in my life what to wear what not to wear, whom to talk, what to watch, friends taken away and many other bizarre things that he did in 2001 in small town of India instead of me being loyal to him, he continued his torture against me to the point of burning me alive over a matter of 25 Rs and threatening me to make my life a living hell or just kill me if I left him and also series of boys he kept sending to FAKELY propose me just to test me continuously and subtly saying

I am a

sexual predator. My story with that man is attached as my "Curse Life". Even after coming to USA, I noticed same pattern going on here, he sending boys to propose me and me denying all of them, once he crossed limit by sending someone to RAPE me and again I shew that man away, then he continued sending threats to kill me if I didn't go back to him. Then came full on Witchcraft attack where my behavior changed and my body was possessed literally and I had all Black Magic Symptoms. Although, When I discuss my BM symptoms with others, they say it is 100% Electronic Harassment. I don't understand the constant legs trembling at night, eyes looking as if they were not mine, my face was turning different, snoring and grinding teeth, extreme pushing of my eyes from behind the eyeballs, tightening of my chest area and stomach bloating up as if I was pregnant and I

was unmarried at that time in 2010 and had just graduated and doing a job. I had trouble breathing too. 1 day I heard clearly "Kill Me, Kill Me" Whisper only in my 1 Right Ear.

I had become too vulnerable and even could not take shower by myself. Extreme Fear and trembling and shaking. It was like it wasn't me. All this lasted for about 5 months and suddenly stopped...!!!!

I knew it was an attempt to kill me. I came to know that later in 2015 when I was studying Vedic astrology. but my Gangstalking continued.

I got married in 2011 and again noticed my skin turning way too dark and me turning skinny and eyes again looking weird. Later in 2015, I came to know what Black Magic was. I know most TIs might not believe but I have noticed inexplicable things that I have proof and I know even

the Project Monarch of CIA mentioned about use of Witchcraft.

Now since I went to complain about my ex Mrugesh Patel in 2015, there came full blown open targeting and extreme harassment from all businesses, community, neighborhood, friends and family, relatives, Banks, TSA, Airlines, and all different countries that I travelled. While Gangstalking was going on I started noticing symptoms like Razor Sharp Cuts on Fingers and Face, weird cut like deep cut and superficial that epidermis just lift up and yet a "inverted L" shape cut on forehead given. Then started series of bizarre Insect activities where they were placed right on

my bedside, above my sink only, in my path be it kitchen, hallway, bathroom or bedroom or any other room. That too

not randomly just to dictate every single thing in my life. They started bombarding me with DEWs where I would feel Planet Jupiter is sitting on my head that much heaviness and my eyes would pain too

which would result in lack of concentration and sleepiness most of the time. I was seated on the sofa watching X-Files and all windows and doors were closed, Fans Off. at the moment even air vents were off when

my open hair blew lightly on left side of my ear and a wind gust kinda thing literally entered my ear in 2015. Then started a flapping moth sound in my ear 4-5 times and then stopped.

then after few days noticed heavy headedness, eye pain, pulling of inside the ears, 1 ear muting that would last for 3-5 seconds, some weird tone in my ears.

I

have experienced Vertigo,

Sleep Paralysis twice, locked neck which is so painful that I couldn't move it for 20-30 minutes, double vision and blurr vision occasionally (4-5 times) and bulging out of eyeballs. Also, I have experience

when I blink my eyes I saw straight vertical lines altering (Broad Black + Thin/narrow yellowish orange) light that would last fraction of a second. I have

experienced my eyes would rotate (not literally) but this one is hard to explain

as if someone is

controlling my eyes. I had started to see floaters alot at one point. They have removed 10000s of Eyelashes and Eyebrows all in the form of dictation not random.

Also, they place eyelashes on Dining Table

or in a plate when they do not want me to serve a particular item....! How can eyelashes end up behind my ears or in a plate or even on a mat?? and in 1000s. when I went to doctor he said my eyes are healthy.

The eyelash line seems full....! This is yet again proof of their use of witchcraft. however the cuts on body AND objects that I have seen maybe from DEWs.

Then started series of SPAM/SPOOF calls at a particular time to dictate maybe to

et up or cook this or leave the home now or just to simply synchronize what I was

doing privately in my home.

They have invaded my home and sprayed inside of my oven with oven cleaner to

dictate go clean the oven now. Placed wooden hanger on my hubby's side of clothes where I had plastic hanger to dictate use Wooden Hangers...! Very minute things they dictate non -stop via home invasion, gangstalking, noise harassment campaign, cuts, eyelash removal and list goes on. They have stolen my hubby's suit too..! Damaged my flash drive by putting in washer's fliter to see if I check filter and clean it or not...! Yes non stop dictation to serve him serve her, and I am nothing kinda dictation they give me. also had started to see 11:11, 2:22, 3:33, 4:44, 5:55, 6:60 or 777, 888, 999 kinda numbers extensively as if they had programmed my brain to look at the clock or license plates at that time. then started series of synchronizations all in the form of dictation, mental torture, harassment and behavior modification. They non stop are after my behavior control and modification when I do not see any weird behavior when I know all others have done the same action and even worse than mine...! But they pick every single thing in my life to pin point my weird behavior. They started using License plates and car stickers to display either my goodness or my Evil ness....! They have given me Dream manipulation of Ghost, UFO, Apocalyptic Dreams, Sexual Dreams with Real Orgasm, and that too Sexual Dreams involving my own Family which is Absolutely Disgusting...! All what for?? For having my loyalty towards my Ex and then when I took a decision to get out of his mental torture and death threats then whole world came pounding on me How Dare I???I suddenly became a sexual Predator and a Pedophile where people would now openly comment on my private Sex life, by having Costco employees say "You are a devil, you are a Devil, that wasn't a hardcore...!" but not directly to me they pretend they talk with each other on different topic, then a walmart employee black male pointing "X" written on my jacket which I had never even noticed until he showed it to me and my NEighbour Nikki suddenly after not talking with us shows up where my hubby works and that was the time when I had my niece and nephew (7-10 yrs old) visit my house alongwith my parents from CANada, she asks my hubby I have noticed kids in your house. Let me know if something happens....!!! Let me know if you need my help with anything...! very subtle messages of me being a Pedophile was there. They have tried sending a boy weirdly in 2013 or 14 I believe when I had no clue what Gangstalking was or TI was. I knew something was fishy about that boy and I was alone in the house washing bathroom. I just had him call his mother and his mother asked him to come home. It was weird a mother couldn't even care to ask whose phone number is this? Where are you calling from? nothing... Yes the way Mrugesh Patel had been sending boys to fakely propose me in India and in USA since 2001 and I denied each one of them, now they went step further to quote me a Pedophile...! While I found about TI and Gangstalking a woman with Fake profile Pic texted me on Facebook Messenger about her electronic harassment but she spoke about her vagina getting zapped. At that time I had no clue what that wa. Only 2 days after when I was driving and coming back from Costco and going back home, I felt my Vagina got Zapped and it wsa painning. Since then they have been Zapping my Genitals. Sometimes they do non stop straight

for
1-3 days...! For this I don't know why. But seems to be a random act.
When did Nikki Garry or any of my neighbor or friends saw man coming over to my house?? except for technicians and that too they come do their job and leave...!
I can't believe how these people even have cops car and helicopters show up every time either my Father-in-Law is with us or even my Father is with me...! these allegations didn't start over night. It was very well orchestrated
by MRUGESH PATEL. even being a 1st year student, people used to salute him and even staff members and other students would as if obey his orders....! Now he
could be a Pure Handler of USA Government or he is part of some Gang and that is
why he was able to perform street theaters, order people what to do what not to do and of course dictate me too. He wanted total control over me. Now came USA Government. So everytime now I try to expose My Gangstalkers/ USA Gov, their counter reaction is by putting some "X" "PIMP" Sexual Predator, Porn kind a some
thing out either on Facebook page or even stealing my hubby's ipad and putting some words on his ipad or just doing some bizarre dream manipulation. It was to shut me up or else their weapon was my bad characterization.
While their power is in my discreditation, my power is in exposing those thugs for
they will have to pay their karmas sooner or later. I can't even believe when Mrugesh's daughter will grow up to know how he was involved in human trafficking
and
carefully orchestrated events in my life to make me lonely from 2001-2018 and had
community mob me and harass me and spoil my married life, she is gonna retaliate...! To get retaliation from own daughter is the worst way and shameful
way to die...! Cleansing my house helped reduce the insect activities significantly but they still do it in the form of dictation.
To me Gangstalkers is not the right word to use. These people are criminals and
must be put in jail. They must be exposed. I have noticed my mind being read when
a stranger or a family member reiterates what I was thinking or even when they perform a street theater.. I have noticed them injecting thoughts in my
mind which again disgusts me because those implanted thoughts are usually nasty (involving Sex or insects). I have noticed them giving even some violent dreams and dreams of Bathroom and Pees which disgusts and all these seem to be Witchcraft symptoms too. They have given Forced Speech too where I said absolutely irrelevant thing and I wondered Why even I said that. It made no sense.
They have moved my hand so that water in a cup would drop when I was out with my
niece and nephew and my parents and hubby. Why? Because it was hot summer time and after 2-3 hours spending at a waterfall place in downtown, it was muggy and hot and I had 1 thermos kind of bottle that would have cold water . Me and my hubby's water bottle water had turned warm. kids, hubby and parents had their water bottles in the cooler. I had not taken my extra bottle as there was no space for mine. So when we came back to our car and everybody had a sip of cold water from the thermos, my nephew was going for a second round. He drank some
and
my mother was helping my niece wear socks and she was waiting for my nephew and the car was hot too. As soon as I went to grab the thermos so that
he would wear his socks, a big alarm sounded and I knew immediately that they were trying to tell me not to drink water..! While I did not drink and was just holding it but now why even I Had 1 sip whneI never had other cold water for me
but all the others had...! So to dictate when we went to restaurant and I

filled
water cups for everyone, it was bizarre my hand moved just a little so that the
water cup would drop and spill. So while I knew I didn't do it I was even
tagged
"Clumsy". The humiliation and torture was non stop and of course --people like
Mrugesh and US Government think that is the right thing to do. US Government
or Psychopathic People like Mrugesh Patel are NOT doing any SOCIAL ENGINEERING
for GOOD. These are the torture that made me think stuff that I never had
thoughts before. These endless torture make me outspoke and
rashly spoken out at businesses which was never me. Because one thing I cannot
take is injustice...! I started acting and getting angered which I never got
before...! these people have survived is because I didn't take a gun or knife
to
shoot at them or stab at them..! THERE IS NO SOCIAL ENGINEERING for GOOD by
their
MK ULTRA / MONARCH/ NWO Agenda that I see. It only makes one worse than they
were. They are NOT doing GOOD for the SOCIETY but
ony involving KIDS and Trash people with Low IQ in Gangstalking. What makes
these
people any Angels??
I have seen a married woman with 4 kids having a male friend come in their
house
everyday as a friend while she flashes her thighs when she was wearing her
shorts
right in front of me and other kids. She goes out on Valentine day and goes
with
him out for shopping. Her elder daughter also knew what was going on. So while
she is not Trash or Sexual Predator in Society..what makes me the one?? Mrugesh
Patel's Hunger for Power?
She tells me that a friend of her who lived across the street is married and
she
goes to sleep with some other man while her husband goes to sleep with someone
else. So why are those Desirables not a Target??
She then tells me about her own Sister who is laos married and had 2 kids and
goes to Gujarati community and is well praised --well she meets her BOYfriend
and
they spent time in a hotel every time she goes to India.
so why are these people not a target? Just because there is no government or
people like Mrugesh Patel who would wanna tag them as undesirables???
Let s see why would US Gov be interested?
Maybe because I saw a LANDED UFO for 3 hours right behind my hotel in 2005??
Or is it that people like Mrugesh sold me out for Human Trafficking to the
Government to satisfy his hunger??
After watching a newly released movie "UFO", and the MUFON Files and real life
stories and documentaries on UFOs, it is no secret that UFOs are real.
They know that I know what kind of Witchcraft they have done and their human
trafficking behavior would get exposed. How many Gangstalkers wealthy try and
save when their Stalkers go Viral in the world.
While Dr. Eric Karlstrom says that through torture they are trying to map our
brain and read thoughts, inject thoughts, and see what I see and hear what I
hear
and doing all sorts of experiments..well i heard they have been doing
experiments
since 1950s...are they really still doing experiments?? How many so called
"Undesirables" do these Sick Bas**** need??

Since 2017 they have started using Firetrucks and ambulances, helicopters and planes for constant harassment. But not random again every single thing in the form of dictation and torture nad now even my neighbors going openly harassment by them honking horns as they pass by my house, neighbours coming our exactly at the same time I come out. They had Jehovah's Witnesses people dress in Indian Punjabi Dress and Saree come out only at my house of all the other houses and talk about Jesus Christ. Later I found out they were involved in Gangstalking..! Sold out Evil Souls...! Since 2014, we never had a single person visit our house as all my friends were taken away and now I have started to notice family and relatives bizarre behavior....!

It was evident these people were asking them to give me most hateful look, taunt at me, torture and humiliate in form of dictation...! like they enjoyed my torture...! Sounds like Nazi Experiments of Torturing human and mutilating them. Seen the movie "Overboard"? It is not that extreme but surely similar.

I don't have V2K. I have experienced electrical shock on my crown area of the head. I think they can also block my anal part with severe pain where I was not even able to sit or get up the day when for the first time I was about to go to the Cops to complain about Mrugesh. As if they were asking me not to. I went to 3 cops and they all ridiculed me while I was crying for help and I also asked me to wait for 1 hour when I had taken appointment and reached on time..! While all the other people were called in within 10 minutes of their signing in. At the Airport now our bags would show up LAST depending on my behavior...! so that would make us wait more. Waiting everywhere had become a norm..! They would purposely do it. They even went far to tag me a criminal on DELTA Airlines when I after watching 2 animated kid movies on a long flight, I scrolled on a movie "XXX" which was not adult but was PG-15. Also, I thought before starting the movie that

Airlines would already screen for the movies before they have it on board. Plus I noticed I was seated on 2nd last row and behind me I checked for nay kids and didn't see anyone. So after thinking and screening so many things PG-15, Airline screening for movies and people behind me and starting the movie just to get a glimpse of Indian Actress as she was acting in the Hollywood movie for the 1st time, I had started the movie. we were to land in next 10-15 minutes. even the little scenes kissing scenes that show up I fast forwarded those nad still When I went on next flight, first everybody was asked to wait, all air hostesses and pilots showed up late, Yes I knew just to make me control my behavior of God only knows what they performed all dramas, before that the bathroom I used at the airport, I was the only one and the cleaning lady make a call and says here is leak underneath the sink right when I go to wash my hands--all orchestrated.I washed my hands and didn't see any water spilling down. Then the late flight entry. Then right when I was to enter the plane, my hubby was in front of me, he was allowed to go and I was asked by Black Lady To wait and she took drinks and started serving the 1st class people. I have never seen such a thing where they would start serving the 1st class making other people wait in line to board the plane..! Then the white air hostess who was next to me starts talking they do this to serve them as they pay more. Then as the black lady is coming back she speaks loudly to the white lady--"Why are you talking with her?" YES IGNORE ME as I watched a movie named "XXX" which I have no clue why that was hte name even but even after screening through so many aspects at my end, I was still the wrong person...! Then air marshal guy seats beside my hubby like white shirt and black pant..! Yes it was clear how all my acts were being presented and ordered by the thugs. While it was okay for others to see adult movies while seating in middle of the plane where kids are behind them...! I could not take this allegations nad literally went to Facebook and asked Delta there adn she said all movies are fit to watch. They screen before they put it on board to play...! Yes for every single thing I was being criminalized....humiliated and tortured and YES 100% Mrugesh Patel is involved. I have only known that so many TIIs have Ex BF or Husbands involved and more are women...!

Even when I meditate they start sirens after sirens. If I do Yoga they start Sirens...! They have also put my private doing in my house on TV Broadcasted to the Reality shows where scripts are written on weekly basis.

I can't seem to get a single help from anyone and even the TIIs I approach with Proofs and my stories, doesn't seem to be bothered. The ones who sing saga of them helping others and that they will help me almost never seem to get back to me. While that is a very Perpy Behavior, I wonder how many are really TIIs?? They also use Fireworks mostly when I do good or sometimes to alert me or whatever...

Anyone who is Partaking in Gangstalking got to be the most Evil Soul one can have for their own Personal Gain...! Its all about their Gai nadn Hunger of Power, Dictation, Dominance and Soul Satisfaction..! If they need Army of people to control 1 person--who is the real Weak person??

I just hope, you people spread the Gangstalkers and this technology and

symptoms

out there. They HATE GETTING EXPOSED...!

Justice for ALL Targeted Individuals!

May the Criminals be Punished and Stop their Inhumane Crimes..!
