### **83 Perpetrators (Anonymous)**

The following individuals have committed offences against me. I am listing them **anonymously** to testify publicly about the type of people involved in my abuse.

<b>1</b>	A Danish Freemason that I met in November 2012
<b>2</b>	An other Freemason from the same lodge and superior in grade to perpetrator no 1.
<b>3</b>	A third Freemason from the same lodge lower grade than perpetrator no 2.
<b>4</b>	The stalkers, abusers and those executing the warfare attacks continuos are most likely contractors. A stalker coming to my house late at nights to “talk” - several times carrying heavy equipment in a bag. There has also been vandalising of my car, the front of my house as well as following me by cars.
