83 Perpetrators (Anonymous)

The following individuals have committed offences against me. I am listing them **anonymously** to testify publicly about the type of people involved in my abuse.

1	Man living in neighbouring street. Also seen / heard him give verbal abuse from behind me, at football matches, on occasion, over the last 6 years, although he has been involved in the harassment since the 1990's. Covert audio recordings I had made at football matches, seemed to add further weight to this, when I enhanced the audio and listened more closely to them. I had also left an audio recorder in my room, whenever I have been out of the house for a few hours, and it has detected people coming into the house, and my room, (including their voices) on many occasions, and appearing to go through or look for things in there. I believe one of these people may be him, judging by several of the recordings, although I cannot prove it. My Family continue to deny this has ever taken place, but it has also been evident on recordings, when I have left it in my room, when I have gone out with the rest of the Family.
2	Son of the above individual. Also involved in harassment since the 1990's.
3	Long time Female work colleague. Friendly until Autumn 2016, then suddenly changed
4	Stalker first encountered on a train journey in Autumn 2016, then saw him regularly, sitting on the row of seats in front of me, at football matches since January 2017. I have also spotted him not too far from my workplace, in the Summer of 2018, and possibly, on one subsequent train journey, in Autumn 2018.
5	Man regularly sitting next to the the above mentioned perpetrator at football matches, but even closer to my seat. He is considerably older than him, however. Possibly related to him, although I am unsure of this.
6	Heard often through V2K. Saw and heard him once, chatting to another perpetrator, then smirking as he walked past in the street, as I got into a taxi with other family members. Found his Facebook profile page, and identified him through that.
7	Heard often through V2K, often sneering 'I'm embarrassed for him.' Saw him while on an errand at work at a photocopy shop, in Summer 2018, utter the same phrase, while openly joking with the staff, that he was purposely there in order to keep me waiting. Found out his name, through searching for his Facebook profile.
8	Female Neighbour who was friendly terms, until late 2017.
9	Neighbour who was involved in harassment since the 1990's. Seen much less recently Both her sons have also been involved, in the years since.
10	Involved since the 1990's, including V2K. Found out his name several years after. Later found out he had joined the army. I do not know if he in the armed forces back in the '90's, or he joined later.
11	First spotted him at a Rock Music Fan Club Event in 2018, I had attended for several years previously. Since Spotted him in my home city. Identified him through Facebook.
12	Had known him through the same Fan Club, for several years, and been friends, until his attitude abruptly changed in 2017.
13	Female member of the same fan club. Had confided some details of the harassment to her, back in 2010, believing she could offer advice, as she worked as a Police Officer, although

	not in my city. She was friendly and did give advice at first, but then refused to help further. I have no definite evidence that she was involved, other than seeing a photograph of her and the perpetrator mentioned in section 12 of this list, during an annual fan Club event in 2017, when the harassment had intensified. I did see her there during the fan club event that year, and certain conversations I overheard between other fans, led me to believe, that she may have disclosed details of what I had said in my messages to her, to other people, although I have no proof of this.
14	Had recognised him as a perpetrator, after overhearing a conversation between him and an acquaintance. Unexpectedly saw him, when I was a couple of miles from home, and he offered me a lift home, claiming to be a friend of my Brother. I accepted the lift, and asked his name, which he told me. Probably because I was nervous during the journey home, I asked if I could add him on Facebook. I did so for a short time, but he deleted me as a friend, soon after. Have seen him occasionally since, with other perpetrators. May be of no significance, but among his 'liked' pages,' on Facebook, was one called 'The Illuminati,' with an illustration of the 'all seeing eye,' pyramid to signify it.
15	Man I encountered on a Train Journey to and from a Fan Club event in 2017. He was clearly from my home city, even admitting, 'We're supposed to spread lies about him' He was chatting to others, who were travelling with him, sitting behind me, who were making comments, sometimes addressing me by name, such as 'It's all over, John, ' every few minutes. When I did not react, one of the perpetrators behind me, would comment 'Chill factor.' I recognised him, well over a year later, later, in a story in the local media, saying he had failed to appear in court, and was wanted by Police. The address given in the article, was in an apartment block, only 0.1 miles from where my workplace is.
16	First saw this man out of our window, chatting to my Brother, then overheard him talking to my Brother, on our front step. Only days later, I recognised him pointing his phone at me on a bus journey, filming, commenting 'Good stuff,' as he did so, while I was sat on the opposite side of the aisle of the bus, on the aisle seat, although he was not on the parallel row, on that side of the bus, but the row behind. He was also sat in an aisle seat, and he leaned forward in order to film me, so there was no mistaking his intent. One other guy, obviously a friend of his, was standing near the front of the bus, grinning at him, as he did so.
17.	Male assistant in a city centre store, who I overheard several times, who did look vaguely familiar when I saw him. Searched on Facebook, and saw someone who looked very like him. The name also sounded familiar. I asked my Brother and he said, although he did know someone with the same name, and he looked quite similar to the guy on Facebook, it was not the same person.
18.	Man who appeared at the house, purporting to be part of the carers service, looking after my terminally ill Father. There were a number of reasons, on his many visits over the following three months, that confirmed to me that he was a gangstalker, but even as he walked out of the front door, on his first visit, I overheard his female colleague laugh, and ask him, "Why are they doing it for?" He replied "So he will have a breakdown." I have often left an audio recorder in my room, in case perps were in my room or in the house, while I was out at work, and I believe it may have picked his voice up from downstairs, which might be circumstantial evidence that he is a gangstalker. The recorder has also detected people coming into my room on many occasions, and appearing to go through or look for things in there, but I do not know if he was one of these individuals. My Family continue to deny that this has ever taken place, however
19.	Many unidentifiable perpetrators, some following in cars during taxi journeys. Others, who

	<p>are Security and Retail staff in Supermarkets, Department Stores, or entertainment venues, many who evidently just believe everything that someone tells them, who turns up, claiming to have evidence, with an ID that looks authentic, but can easily be faked. Because staff in these places change periodically, they are only told 'what they need to know' (compartmentalisation), until they move on, and new staff are employed, and the process starts again, using the same methods.</p> <p>This is obviously also true of some staff in Medical or Local Government/Civil Service Buildings, but I believe this compartmentalisation can also occur at that level.</p>
20.	<p>Many unidentifiable gangstalkers, who are nearby when I leave the house and also follow me in cars, into shops and Doctors' surgeries trying to violate my privacy in every way imaginable. This gangstalking, or 'street theatre' takes place, not only locally, but also in other areas, as people in those locations are told lies of a similar nature, to those conveyed to people in your own neighbourhood.</p>
