

STATE OF WISCONSIN

CIRCUIT COURT

DANE COUNTY

LEONARD POZNER,

CASE NO. 2018-CV-003122

Plaintiff,

vs.

JAMES FETZER,
MIKE PALECEK,
and WRONGS WITHOUT WREMEDIES, LLC,
Defendants.

ERRATA TO DEFENDANT'S MOTION FOR SUMMARY JUDGMENT

Defendant James Fetzer respectfully files these errata to correct inadvertent errors or omissions in "Defendants' Motion for Summary Judgment" dated April 30, 2019, which should instead be properly designated as "Defendant's Motion for Summary Judgment", as follows:

1. Book page 384 was missing from Exhibit 2 to the Affidavit of Kelley Watt. That page is provided here. (Erratum 1)
2. Kelley Watt, in her affidavit, attested to identifying the voice of Leonard Pozner from the interview of Leonard Pozner done by Richard Gutjahr, saying the transcript was "Exhibit Y." There is no Exhibit Y to the motion for summary judgment. She was referring to Exhibit Y to my "Answers and Responses to Objections to Defendant's First Set of Requests for Admissions by James Fetzer".
3. The actual email Kelley Watt received from Leonard Pozner, directing her to the death certificate of Noah Pozner on his website, is also provided here. (Erratum 2)
4. The "official time of death" was established as no later than 9:41 AM in the "Report of the State's Attorney for the Judicial District of Danbury on the Shootings at Sandy

Hook Elementary School and 36 Yogananda Street, Newtown, Connecticut, on December 14, 2012," at page 9, available at this link:

ERRATUM 1: MISSING PAGE 384

Kelley Watt

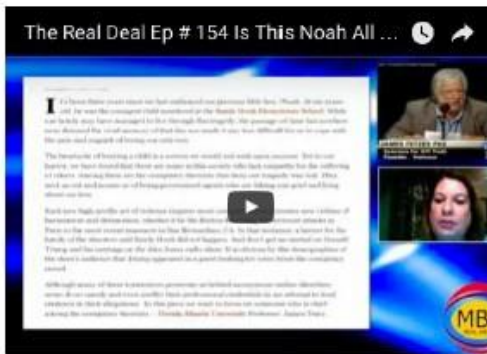

Then I started in with hundreds of calls to the press, *Hartford Courant*, *The Danbury News*, *The Patch*--literally every media including television and radio stations in the State of Connecticut. I had noticed something in all of the interviews that had been conducted with the parents of all the "supposed" dead kids: *that none had a single tissue in their hands as they gave these emotional descriptions of their deceased children*. That was so off-the-charts that it was really starting to sink in that this was a big fat lie! Parents don't bury their children and give interviews within hours and not need a Kleenex when describing what had happened to the press.

Lenny Pozner "following" me

A year has passed, everyday, I have spent a minimum of five hours reading and watching videos. I am focused on the dad of Adam Lanza, the shooter, but I can hardly find a thing on him. I recalled an interview of Ted Bundy's parents and of Jeffery Dahmer's and of Gary Ridgeway and countless others as the press wants to interview the parents to get insight into the life of the killer. But for some odd reason, nobody in the US or the foreign press had any interest whatsoever in an on-camera interview with the father, Mr. Peter Lanza.

Keep in mind the press interviewed a girl, Alexis Israel, who went to Kindergarten with Adam, his son, the killer, who admitted she didn't really know him other than that he is was very intelligent; they interviewed Alan Diaz, who claimed he went to high school with the shooter; they interviewed Adam's psychiatrist, his school nurse, you name it, but no Peter Lanza--*they just could have cared less about this infamous father*. I know that I'm looking at a completely fabricated story/event; after a year, nothing is adding up.

I began making comments on videos and, two years into my research, I got an email from Google+ telling me, "Lenny Pozner is following you on Google +." I hit the "reply" button and wrote, "Why are you following me? Is it because I don't believe a word about anybody dying at Sandy Hook and I don't believe you had a son who died?" He would eventually send me a copy of "Noah's death certificate", which turned out to be a fabrication combining an authentic bottom half
